

***Join Us for the Morning Prayer Watch -
Tomorrow (Wednesday) at 3 AM (CST)!!***

Tuesday, February 7, 2012

Dear Watching Saints:

What a wonderful weekend! We began on Friday night with our ***Center for Advancement*** class on ***A New Administration: Understanding God's Government Today***. Read more details further below, but you will want to watch the webcast replay! On Saturday night we had our ***Firstfruits Celebration for Shevat***. Make sure you enter in and declare your blessings are on the way! Both of these replays will be available through February 24.

Our Celebration Service on Sunday morning was wonderful. The worship helped usher us into a new level of anointing and revelation. Then the message by Allen Faubion on understanding Lord Sabaoth as the God who determines time and judges against delay was so powerful. If you were not with us, you can watch the [webcast replay](#) through tomorrow (Wednesday) evening.

Setting a New Course in Corporate Prayer for February!

This month we will be focusing on the fourth, or “morning watch,” from 3 AM to 6 AM. This watch deals with the breaking of a new day, and the power of resurrection as we watch with the Lord. If we will continue to watch with the Lord, we will experience His glory!

Tomorrow (WEDNESDAY) morning, we will meet for corporate prayer at the Global Spheres Center at 3 AM. If you are not able to join us in the Tabernacle at that time, you will be able to enter in by webcast. We will also make this prayer gathering available as a webcast replay through next Tuesday. Next week Wednesday (Feb 15) we will meet at 4 AM. On Wednesday, February 22 we will meet at 5 AM. And on Wednesday, February 29 we will meet at 6 AM.

International Church This Thursday Night!

We want this place to be a place where the nations gather. Therefore, this Thursday night our service will be our monthly international gathering. All of you who are in campuses or neighborhoods with people from other nations, invite them to come and worship here at the Global Spheres Center on Thursday night at 7 PM. **Alemu Beeftu** will be ministering at this “Every Tribe and Every Tongue” International Glory Gathering. Some time ago the Lord had given me a vision of five different churches meeting here at the Global Spheres Center. I believe these once-a-month meetings led by Alemu and Genet Beeftu will develop into a very dynamic church where the nations will gather for fellowship and legislating the heavenlies.

Alemu shares: **“These gatherings will focus on the fulfillment of His promise, ‘I Will Fill This House With Glory!’** (Hag. 2:7) Come and join us to keep the worship altar pure and

worship fire alive for His presence to dwell, the revelation of His word to be released and His authority to rule nations. We invite you if you have been praying for the glory of the Lord to fill the earth, and for reformation of the body of Christ, and for the transformation of nations.”

If you are in the Metroplex and hungry for the full manifestation of His glorious presence and the demonstration of His power to save and heal individuals and nations, come and exalt the King of Glory this Thursday night at 7 PM. This gathering will also be available by live webcast, and on replay through Saturday evening.

There is much activity

DON'T MISS THE CENTER FOR ADVANCEMENT REPLAYS!

Last weekend, we hosted our *Center for Advancement* class on “**A New Administration: Understanding God’s Government Today!**” I am so grateful for the revelation the Lord is releasing on the government He is establishing in this hour. A new order is being established in all of our lives. God is building a sanctuary designed to house His GLORY! I began on Friday night by providing an understanding of **Kingdom** and how this dictates the form of government that must be established in the earth realm. *Robert Heidler* continued with five more sessions:

- A Fresh Vision of the Church
- A Tale of Two Wineskins
- The Apostolic Church
- Identifying the 5-fold Gifts
- The Rise of the Saints

All of these sessions are now available as [free webcast replays](#) through February 24. Don’t miss gaining a better understanding of the new governmental rule the Lord is establishing today.

Blessings,
Chuck D. Pierce

Key Resources to Help You Watch in a New Way!

[The Watchman and Watching!](#) by *Chuck Pierce, Robert & Linda Heidler, Anne Tate and LeAnn Squier*

We have moved into a new season of watching. We are called to watch in a new way and to move differently than we have in the past. As Watchmen, it is important to know the sphere of authority in which we are called to operate. New tools are being given to those who watch, in order to be able to watch more effectively. Whether you have moved in a watchman gifting for years, or are just discovering you have a watchman gifting, this Center for Advancement class will aid you in gaining a better understanding of how the watching gift develops and operates and what you are to watch for and over. Sessions include:

The Watchman Anointing: Standing Guard Over Your Inheritance!
What to Look for to Get Into Your Cycle of Blessing!
Women as Watchmen!
How the Watchman Gifting Develops and Operates!
Watching at the Gate in Your Sphere of Authority!

Also included in this set is a sovereign time of dedication in the Israel Prayer Garden with Apostle Jay Swallow. The Native American seeds he brought for the Israel Prayer Garden were such a sign of how our seed and watching is connected with Israel.
