

***A New Anointing with Power!
Advancing in Prayer to Corinth!
Freed from Depression and Fear!
Honduras!***

Wednesday, February 9, 2011

Dear Seeing Saints:

Friday, I will be taking a team to **Honduras** to join Paul Wilbur for a Spanish recording of his CD, ***Desert Rain***. The English version is already available, and you can order that on our [webstore](#). I will be sending out more details on that trip in a separate email. I will also be sending an emailer of our key materials for this month! These and many other resources can be ordered by going to www.gloryofzion.org or by calling (888) 965-1099 or (940) 382-7231. *Specials will be valid through February 28, 2011.*

SEEING YOUR PROVISION! Our weekend of ***Seeing Your Provision*** was awesome! Although the winter weather prevented us from meeting on Friday night, things shifted on Saturday and the Spirit of the Lord met us with power and released incredible revelation. Sunday morning was a “**wild ride**”. While I was ministering on the Lord’s desire to see us anointed and established so “***we are NOT outwitted by the enemy***” in the year of ***Aleph***, “*the Year of Having Strength Like an OX*”, the Lord began to release a “**Bull**” anointing! *One word for the anointing is “FAT”. The anointing is linked with the strength to break every yoke!* You will want to watch the featured video “***Releasing the Fat Bull Anointing***” on our homepage at www.gloryofzion.org. *Oh my!* Remember, the anointing breaks the yoke! Begin declaring that His anointing is making you grow “**fat**” so that you break out into your next place of provision.

During our ***Power of Use*** service, Ray Hughes shared on ***Resounding the Mighty Works of God***. This generation must re-sound the mighty works of God done in the previous generation to awaken faith in the next generation.

Releasing the Seer Gift and Multiplying Your Vision! If you could not join us Saturday for our **Center of Advancement** class on ***Releasing the Seer Gift and Multiplying Your Vision!***, you will want to sign up to watch the webcast replay which is available through the end of the month. I began by sharing how we are being activated to see our future and supply in a new administration. Each of us can learn to recognize patterns of multiplication so that we prosper in shifting times. I also shared eight principles for multiplication in the new administration. Robert Heidler continued by *teaching “Lessons from the Almond Tree: Decreeing God’s Word so that He Can Watch Over and Perform!”* Barbie Breathitt shared on “***Activating the Seer Gift through Communion with the Father***” and increasing our vision through testing and learning the language of the Spirit. John Price led us in activating the seer gift, and learning to gain revelation through what we see around us. Norma Sarvis taught on *Hebraic Seeing* and how Jews see differently from others. She also shared on the importance of

understanding blindness to understand seeing. To register for this webcast, go to our [website](#) for the e-ticket that is valid through the end of the month. *The cost is \$20/person.*

Firstfruits Celebration Webcast is Available Until Saturday Night. I loved our Firstfruits Celebration on Saturday night. I began by sharing the Rosh Chodesh blessings associated with the Hebraic month of *Adar I*, and then Robert taught on breaking the power of ***Barrenness and Activating the power of Multiplication***. You will want to watch this free [webcast replay](#) which is available through Saturday night.

We are Advancing!

Like I frequently say to our staff, “If you are opposed to change and embracing the “new,” then this is not the best environment for you!” **We are on the move once again and have signed the papers to purchase the Global Spheres Center.** The Lord has favored us greatly, and the city of Corinth has welcomed us to move into the former Boeing Building in Corinth. With the funds we had in our building accounts, along with a 30 day loan from the former owner, we could assume ownership and can now begin renovating to prepare a new place for His Glory. In a challenged economy, it’s amazing how the Lord has blessed us to purchase this wonderful facility where our monthly mortgage will be \$37,000 less per month than we are paying to just rent (and not own) our current facilities. Presently, we need **\$320,000** by March 1 to pay off the no-interest loan the former owner extended us. ***Your giving and prayers keep us representing you in advancing the KINGDOM!*** We have been able to do all of this without jeopardizing the land investment along Interstate 35, which continues to increase in value. I just gave on our secure website at www.gloryofzion.org. You can also call 1-888-965-1099 or 1-940- 382-7231. Feel confident to give online or by calling our office. Our goal is to move in at the beginning of June and host our Pentecost Gathering in the Global Spheres Center (see the Prayer Focus below). What a way to celebrate the Lord’s provision!

The Global Spheres Center has 215,000 square feet of usable space. One portion will be the “Prayer Tower,” and another will seat 2,000 for our gatherings. Of course, we will also have office space. *The Prayer Gardens* will be to the side of the building and down behind. This is actually better than the original design we developed for the Gardens on the land. Media will be first established so our communications do not cease. The first \$1 million will be used for renovations to move our offices and sanctuary. The next \$1 million will be for the children, Jr. High, Youth, and Servant’s House.

This is not just a ministry facility, but will also be used for *Community Development*. Other ministries and businesses can also office with us. We are planning a gym for the community as well as many other community activities. I wish you all were here to be an ongoing part of the process, but I know you will find your time to visit two or three times a year. **Take part in investing in your future here and let’s keep moving with momentum!**

Know Your Enemy!

The Lord awakened me and showed me how the enemy was roaming around seeking whom he may devour. As each one of us advance into a new, enlarged place in this season (individually and corporately), we must know that we each will face new enemies in our new land. On Sunday Linda Heidler sent the following to me:

“This morning you said that anytime we enlarge into new territory, the serpent is waiting for us. This premise has been there since the beginning. When I studied the two kinds of ‘REST’ - Sabbath Rest (time of rest) and Dominion Rest (place of rest) - one thing that I saw was that in the place of rest, the Garden, Adam and Eve were to take dominion! However, we must remember that the snake was already present in the Garden waiting upon them to test the word that God had given them. He did not get into the Garden because they had done anything wrong. God's design was the serpent was in their Garden. They were given authority over all of the animals in the Garden. They actually named each! Their first act of taking dominion was to take dominion over the serpent. They would not have any problem in the Garden if they would take dominion over the serpent. However, without taking dominion over the serpent, after he interrupted their communion or “rest” with God, then no “rest” or dominion over anything else could be taken. God's purpose from the beginning was for man to commune with Him and war with the devil. It is also interesting that the words for the woman, ‘helper suitable’ are warfare words. God's original purpose was for man and woman to war together with Him against the serpent and in so doing to take dominion over the earth.”

The Prayer Strategy to Advance! Evening Prayer Watch in February at 7:00 PM

You never move forward without an intercessory troop building a new base for you to stand on. Also, prayer and intercession connect heaven and earth as well as pave the way for you to enter into your new place. Here is our prayer plan for this month. Tomorrow (Thursday) I will begin doing a **Facebook** devotion for the books of 1 and 2 Corinthians. Below is a memo from Anne Tate:

I hope you all tuned into early morning prayer on Tuesday. If not you can go to the [web](#) and watch it. Linda Heidler led excellently. We began to build on the revelation that was released by Chuck recently, *“Anytime we enlarge into new territory, the serpent is waiting for us and it has been so since the beginning.”*

CORINTH SHIFT! Our Thursday Night Watch will now shift to the land and building at Corinth. Every remaining Thursday Night this month (February 10, February 17, and February 24) between 7:00 P.M. and 8:00 PM we will now be on the land in Corinth. We want to open a portal and **prepare a place for the Voice of the Lord** to be heard. We invite you all to come on Thursday nights and meet us there and watch corporately as the Lord begins to position His sound on the land. In the **Center for Advancement** class on Saturday, Chuck brought to our attention that for a season we are in possession of both the North Gate (our land on the north side of Denton) and the South Gate (the Global Spheres Center south of Denton). I believe we are in a window for a season that has been engineered by the Lord and planned for a specific purpose. We will have the opportunity to decree into a portal that is the center of a Crossroads (the meaning of Corinth) and then the land on the north side of Denton, where East meets West. The Lord is giving us some very clear strategies for this time. We are going to be launched into new dimensions this season as we watch. Janice Swinney and I will lead tomorrow (Thursday, February 10) and we will have others as we move through the month. For you who are aligned with us in other regions, just pray in your home or go to your south gate and pray with us. We look forward to seeing many of you onsite at the Global Spheres Center to watch with us and receive our next portion. Ohio Prophetic Summit - Friday, February 11, 2011

Although I will be traveling to Honduras this Friday, I will also be taking part in the Ohio Prophetic Summit in Middletown, Ohio on Friday night via a video we previously recorded and

sent. I know that many of you in Ohio and surrounding states may want to attend that gathering hosted by ***Apostle Tim Sheets***. He has been helping mobilize 40 days of prayer and fasting along with 40 nights of worship with churches across the state participating. Other prophetic leaders, including ***Dutch Sheets, Barbara Yoder, and Jane Hamon*** will be there in person to prophesy into the region. For more details, go to [The Oasis](#). Whatever region you are in, declare that prayer, prophecy and worship are being stirred up for Kingdom strategies of advance!

Blessings,

Chuck D. Pierce
