## *Syria Today Prophesied in God's Unfolding Battle Plan!*

Tuesday, March 13, 2012

*Dear Watchmen on the Wall:*

Don't miss these three key books for now: *God's Unfolding Battle Plan*, *The Future War of the Church*, and *A Time to Advance* ... all three for only \$30.

### **Purim: What A Blessing!**

Our Purim Celebration weekend was wonderful. I have loved all the reports from Saturday night's production by our children and youth. The level of creativity with music, dance and acting was awesome. Each of the five acts presented a fresh perspective of the unfolding of the Purim story. If you were not able to watch on Saturday night, please be sure to watch the [webcast replay](#) that will be available through Saturday night. You may also want to watch the replay from Sunday morning when Robert taught on the Feast of Purim and "**How Haman Got Run Over by a Bulldozer!**"

### **Don't Miss our GARDEN SERVICE this Sunday!**

The Tabernacle and Arbor are presently having a new covering installed (ceiling insulation). Therefore, this week we will not be hosting Wednesday Morning Prayer or

Thursday night's Receiving Power to Build and Advance. ***However, on Sunday morning, we will be meeting in the gardens at 10 AM for a time of food and fellowship.*** Please bring a picnic lunch and enjoy the time outside. We will fire up the pits if you want to bring your own hot dogs or hamburgers! Drinks and desserts will be provided on Solomon's Porch. All activities that Sunday morning will be in the Garden, and there will not be nursery or children's and youth classes. That will be a great time to invite friends and neighbors for a fun time of fellowship.

### **God's Unfolding Battle Plan! Prophesied Syria Today!**

I am so grateful for those who are called to "watch" over the Word of the Lord, and continue to pray for His plans and purposes to be manifest in the earth realm. Earlier today our office received the following email from one of our friends in the Philippines. I hope it will encourage each of you to be vigilant in praying for the situation in Syria as well as to continue reviewing over the prophecies you have received personally.

Last 2 weeks ago, the Lord impressed me to read again the book of Chuck, "God's Unfolding Battle Plan". I started reading the chapter The War of the Nations. When I reached pages 203-204, I was so stunned and the Spirit clearly pointed out to me the following prophecy of Chuck regarding Syria which is stated in those pages.

**A portion of the prophecy states : "I will send angelic forces to guard My plan. No matter how Syria arises against that plan at this time, I have warring angelic forces that will counteract the plans of men that are aligned with evil forces to create havoc. Sing the songs of the Ancient of Days, for it is those songs that will create the sound of victory over the lands of this region."**

This confirms what I have seen and what the Lord assigned me to do as a prophetic intercessor for the nations. In February 13, while on lunch break in my office, the Lord visited me and gave me a vision. He told me to release a song. We were in a cliff. I was riding a chariot together with Him in His own chariot with many armies. As I released the song, the darkness that covers the valley soon disappeared as light was shining, slowly getting brighter. I didn't fully understand it that time. In February 18, at 3AM, the Lord let me see very huge angels with swords standing in Syria. When I saw them in my spirit, I know they are there for a big mission.

So when I read this prophecy of Chuck, I was so struck that I was groaning with the Spirit. Starting last Saturday, **the Lord assigned me to release His song over Syria every day for 5 days.** I would ask you and your intercessors to include me in prayer covering as I do this assignment for the Lord's purposes. I don't know and fully understand everything, but I just want to obey.

This time, I have learned to look back and look again to what God has said in the past through His prophets and other servants. God is using Chuck to release the word of directions....and God calls for the intercessors to stand in behalf of the word being released. This is what I have understood.

Shalom,  
Fanfan

### **The Next Generation Awakening to the Hebrew Alphabet!**

Last month we hosted the Center for Advancement class on History's First Alphabet: Understanding Hebrew Letters and Numbers. Below is a great report that Dollie Speights sent on her children's perception of the Hebraic alphabet.

I wanted to share a quick testimony about the recent CFA on the Hebrew alphabet. I had my children watch it with me as part of their schooling. Yesterday we were driving to a local farm here in Ponder and we looked up in the sky and there was absolutely no other cloud but this one "shape" of a cloud. I looked at it several times and kept saying, "Look, boys, it looks like the letter 'n' or a 'doorway'." We were amazed to see how perfect of an "n" shape it was.

My older Son Isaac quickly responded and said, "Mom, that's one of the Hebrew letters!!" We came home and the boys looked up the alphabet, and sure enough, it resembled completely the letter Chet in the Hebrew alphabet. This letter, the eighth letter, depicts the letter of "life", "light" and the "doorway of life". Also, as it represents the number 8, it represents "grace" and the concept of new beginnings. Just that morning, I was meditating on John 1:16, speaking of receiving His fullness and grace for grace.

Anyway, we were so amazed and astounded and I especially that my children grasped it!

I am praying that your eyes of understanding will be enlightened, and that each of you will begin to SEE in new way. If you have not ordered a set of CDs or DVDs from this class, you may want to do so. They are only \$40 through the end of March (regularly \$75).

Blessings,  
*Chuck D. Pierce*

**History's First Alphabet: Understanding Hebrew Letters and Numbers!** by Chuck D. Pierce and Robert Heidler

Hebrew is a complete language in the sense that its characters “speak” through both form/picture and sound. The Lord used this language to cut covenant with Abraham, the Hebrew. The word Hebrew, *abar*, means to pass or cross over. Having some understanding of Hebrew gives us revelation over how to cross over from season to season in the blessings of the covenant we have been grafted into. As children of God, through the Blood of the Lord Jesus Christ, we have been grafted into Abraham’s covenant, and already have built within us the ability to cross over.

We can learn a great deal from the Hebrew alphabet. Unlike English letters, each individual Hebrew letter was originally a pictogram (picture). Therefore, a Hebrew letter not only represents a *sound*, but also represents an *idea*. Often the meaning of the letter can still be seen

in the *shape* of the letter, which gives us additional insight into what the Spirit of God is revealing, from season to season. Similarly, the Hebrew numbers are represented by letters in the alphabet. So Hebrew numbers in dates can sometimes spell out a word.

Once we know how God speaks through this language and numbering system, we can gain great insights in many areas! His language activates spiritual power within us to make a shift at strategic times. Sessions in this class include:

1. *The Inherent Power of the Hebrew Language*
2. *Introduction to the Hebrew Alphabet*
3. *Understanding the Word of God in Hebrew*
4. *An Introduction to Hebrew Numbers*
5. *Knowing the Hebrew Letters: Part I*
6. *Knowing the Hebrew Letters: Part II*

Allow this class on **History's First Alphabet** to aid you in gaining a foundational understanding of Hebrew letters and numbers so that you will be able to speak and see in ways you have not been able to do before!

This set also includes our Rosh Chodesh/Firstfruits Celebration for the Hebraic month of Adar, as well as a message by Chuck Pierce on "What Do You See at the Crossroads?"

**Special: \$40** (regularly \$75)

These and many other resources are available by going to [www.gloryofzion.org](http://www.gloryofzion.org) or by calling (888) 965-1099 or (940) 382-7231. **Specials are good through March 31, 2011.**
