The Vineyard is Planted! China is Advancing!  
Chuck Pierce Speaking Sunday!  
New Pope is Pro-Israel, and New Israeli Government  
Formed Without Ultra-Orthodox in Cabinet!***

Thursday, March 14, 2013

*Dear Pressing Saints:*

Brian and I got off the boat in St. Thomas and flew back Tuesday from a key meeting with Chinese leaders. Read the trip report below. Yesterday, I also had meetings concerning the City of Corinth and our future! On Sunday I will be speaking on **“Stay Focused to Build! Go Past the Narrow Place! I Will Perfect What Concerns You!”**

I know that many of you followed the conclave to elect the new Pope. Pope Francis is the first Pope from Latin America. I found it very interesting that he would not get on the platform above the other cardinals – an action that is indicative of a Davidic anointing arising in the Catholic Church. He also appears to have a heart for the Jews. If you recall, during our Pentecost Celebration last May, the Lord had me release a word about flooding in Rome and how that would be a sign for the cleansing He would bring to the Church. [You can click [HERE](#) to review the email we sent out last November when Rome flooded and that includes the full prophecy.]

On the very same day as Pope Francis’ election, the Israeli government was able to form their new government coalition. Many weeks were needed before alliances were formed, and the resultant Cabinet no longer includes members from the powerful ultra-Orthodox parties. Like our meetings with China and the election of a new Pope, I believe all of this is indicative of the new apostolic structure beginning to rise and form in the Kingdom of God.

**The Camels Are Coming! Watch this Incredible Video!**

In this year of the double portion, the camels are not only coming, but two have come! In February you were introduced to our first baby camel, Chayil. *Chayil* is the Hebrew word for strength. Just last week we were able to purchase our second camel, Gloria, and our Media Team has captured great footage of these camels meeting for the first time. Just click [HERE](#) to watch this short video. In this year of the camel, continue to declare that your camels are coming! For those of you joining us at Passover, you will be able to meet Chayil and Gloria near the Gardens.

**A Time to Connect with China**

Many of you may have seen our latest Travel Blog where I shared about my latest travel assignment. At Peter Wagner's request, I was invited to join a cruise to facilitate leading Chinese apostles (from various societal mountains) to meet and develop personal relationships with American peers. The Chinese leadership shared, *“We must recognize that we have a generational gap in China. We have Christian leaders around 80 years old and Christian*

*leaders around their 40s and below, but the ones in between were wiped out in the persecution. We can learn from books, but for us we learn the most from being with living people. It will be very important for us to see and know living American apostles. We will discuss theological and practical issues, but most impartation will come from touching our lives together."*

Therefore, from Saturday – Tuesday I shared meetings and meals with 15 Chinese apostles, along with about 15 American apostles, to help develop closer ties with Chinese leaders and provide opportunities for ministry. On Monday night, I was invited to review the prophetic timetable the Lord had given me back in 1986 for China when He showed me how China would advance in 10-year increments through 2026. (You can read more about this in [God's Unfolding Battle Plan](#).) This was followed by an anointing and ministry time where we released a new anointing oil we had specifically made for this meeting, *A Time to Blossom*. We then anointed and prayed for each of the Chinese Leaders. With the leading role that China is assuming in the world, the apostolic leadership in that land will be instrumental in advancing the Kingdom and operating in the Harvest within the nations, in days ahead. Please pray for the release of revelation that will help them understand God's Kingdom in their spheres of influence.

### **Philadelphia is Moving Forward!**

The Lord is establishing us in new ways! We are moving from Church to Kingdom. After a year of meetings in Brooklyn, New York, last Saturday we began a series of monthly gatherings in **Philadelphia**. **John and Sheryl Price** are anchoring these meetings, and as you can read from the below, this is providing a wonderful opportunity for training as well as worship and ministry. Something new is stirring!

*Saturday's initial gathering in the city of Philadelphia was WONDERFUL! The Spirit of God rested on us even as we drove into the city. Our goals for this first gathering were to meet new friends, cast the vision of why God has sent this Apostolic Team from Glory of Zion into the territory and what He desires to accomplish through such a team.*

*John Price shared briefly about being "sent" ones, and the authority this carries with it into the territory God sends you. David and Ruth Brudnicki testified on the effect of apostolic intercession in their hometown, Jersey City. Since they have been aligned with Glory of Zion and the apostolic team here in NJ, the murder rate in Jersey City is at a 47 year LOW! God wants to do the same in Philadelphia where violence is at an all-time high. Sheryl Price shared on Christ's pattern of sending his disciples "into whatever city He himself would be going," and how this is still true today. We are all called to turn the world upside down and prepare the way for the Lord!*

*Worship was awesome as everyone pressed into the presence of a living, loving God! The prophetic revelation released directed us how to pray and decree according to what Heaven was saying over Philadelphia.*

*Our next gathering will take place on Saturday, April 20, at 11:30am. We will be training on Prophetic Evangelism using the gifts of Word of Knowledge, Prophecy and Healing. The GOZ team will be sharing along with invited guest Apostle Bob Muncy and members of his team from*

*Delaware. After the training, we will be going out onto the streets of Philadelphia to practice what we have just learned, then return for a time of worship and testimony! Come out and join us! Be a part of God's Kingdom advancing in Philadelphia!*

Blessings,  
*Chuck D. Pierce*

**[The Future War of the Church](#)** by *Chuck D. Pierce and Rebecca Wagner Sytsema*

Initially released in May 2001, before the tragedy of the World Trade Center on 9-11-01, this book helped us get established in the season of war that we are presently living in. We have now revised this book to include key, prophetic testimonies behind every chapter that affirm the prophetic call to His Church for a Kingdom perspective during these times. Even if you purchased the original version, you will want this revised copy as a documented history of the times we are living in and how "God does nothing without first telling the prophets."
