

From Corinth, Texas to Corinth, Greece ... and Then Back to Fulfillment!

March 15, 2011

Dear Friends:

As most of you know, I just sent a team from Jerusalem and Denton to Corinth, Greece to pray for the fulfillment of God's purposes as we press toward the new development of the Global Spheres Center in Corinth, Texas. Janice Swinney, Mary Reese, and Martin & Norma Sarvis made up the team. This is a great example of a prayer journey that connects the past to the present.

We are progressing rapidly with the Prayer Garden and Global Spheres Center. Keep up with us by going to the home page at www.gloryofzion.org and selecting the "**Global Spheres Center**" and "**Pam Pierce Blog - Prayer Garden Progress Updates**" tiles.

We spent 29 days praying on-site at the Global Spheres Center to prepare for the seating of the presence and voice of the Lord. This was amazing. We felt we should do this before beginning God's action. Please read the prophetic word Cindy Jacobs gave us on February 22, 2004 regarding CORINTH. Further below is the Corinth, Greece Trip Report.

Prophetic Word from Cindy Jacobs on February, 24, 2004

Driving in last night, I saw a sign that said "**Corinth.**" The Lord spoke to me and I said that there is a Greek spirit in Corinth but I know you are called to overthrow that spirit. This is the Word of the Lord.

For the Lord would say to you, "*Go to Corinth and take the book of Corinthians. I am going to release order into the church. This is a prophetic move where I am moving to establish you, and from that place and from that city it will be 1 Corinthians 13. I will loose an anointing of love that is going to overcome division. I will loose an anointing of compassion and mercy. I will release that.*

"If you will move and shift from 1 Corinthians 13 then you will see I will move right into the prophetic admonition of 1 Corinthians 14. So I will loose the school of the prophets from that place. I will even release the apostles and prophets and they will be trained even separately and together. For there has been no mixing of these two gifts, even in training and equipping, so you will train and equip and mix these two gifts.

"I will give you property. You are to build. I am putting the building anointing upon you. I will raise up a Bezalel that will build a beautiful building and that will create a beautiful place. For this will be a city set on the hill. I am going to put you in a high place.

"Look and see, for I am going to release from that place the anointing to break confusion. I am going to release the anointing to bring the gifts in order even as I say in 1 Corinthians 12 & 14. There will be a loosing of the gifts from that house.

"I will also bring forth Myself as God of all comfort. I will comfort My people from that place. I will break perplexity. There are many of you who have been through many things, but if you will connect yourself to the right vision, if you will connect yourself in the right place, I am getting ready to bring forth in a new way that you cannot imagine. For behold, I do a new thing! I am getting ready to birth that thing. Many of you have been wandering as it were in the wilderness, but this is the day of crossing Jordan.

"Yes, there are giants in the land. But I will give you an anointing to overthrow homosexuality. I would even give you an anointing. From Corinth there is going to be an anointing that will go to the whole nation. For I will raise up justice in that place. For I am a just God. I am the Judge. I am the Lawgiver. I will loose My law giving anointing from that house.

"You will not only build a beautiful sanctuary but there will be plenty of room for the children. For I will loose a mighty children's revival that will come and begin to influence the schools of this area. Even begin to look to the high schools of this land. Even in this region there will be a mighty Jesus revolution! And I am going to come with a revolutionary anointing that will break into that which seems to be old wind. For there is a new wine anointing being poured out this day. There is a change, there is a turning in the heavens.

"I am going to release the anointing of wealth. I am going to release a river of finance. First, I will release it into the property, into the building. Don't think that I am a cheap God. I like beautiful things. I have great taste. I am going to loose into you wealth. There will be a new understanding of the power to get wealth. You will build it and I'm going to pay the bills. You decide what you want and I am going to pay the bills, cause it is absolutely no problem to Me! I am going to bring the measure of faith in the house for that which you need to do the building. I want you to build the pattern made in Mount Zion. I am going to give you the pattern that is made upon the mountains.

"So prepare, get ready, get ready for the move! Get ready for the move into your new place, get ready to move across Jordan! You will take Jericho first, which will be the property. Once you take Jericho, THE GIANTS WILL FALL!"

Corinth, Greece Trip Report

From Martin Sarvis: Part of our assignment in Corinth, Greece was to “redeem those things spoken over Corinth which had never come forth fully...that you would hook into this with us in Greece, and when we sounded the shofar, y’all would do the same. The shofar is a sound of redemption (ref/the sacrifice which God SAW/PROVIDED for Himself caught by its “horn” in the thicket). We positioned ourselves *behind* the Judgment Seat...buried a Bible beneath the almond tree there, with oil, soil and water from Mount Zion...and proclaimed that as exemplified by the blossoms, God was watching diligently over His Word to perform it...that the Word which went out to Corinth 2000 years ago would not return to God until it accomplished all it was sent out to do—RELEASED it to accomplish its redeeming work in Corinth, Texas. And proclaimed Righteous Judgment over the work there (Righteousness & Judgment are the foundation of His Throne—and we planted the Word behind the Judgment Seat, that what came forth would have the Word behind it). Then I sounded our shofar from Jerusalem. I believe it is important, if it hasn’t been done yet, that *y’all’s* shofars catch up and relay the release of the sound from Corinth, Greece over the work of Global Spheres in Corinth, Texas. –Much love, Martin

Old worship structures are crumbling and falling down (The temple pillars were to Apollo)...but God is watching diligently over His word (Almond Blossoms), to replace the old Greek thought and order with Kingdom structure, order and thought through His Spirit.

Full Trip Report Submitted for the team by Janice Swinney

Dates: March 5th – March 9th

Members – Martin and Norma Sarvis (Israel), Mary Reese and Janice Swinney (Glory of Zion, USA)

Martin and Norma (Judah) came into Greece first on Friday, March 4th.

To the High Place. We climbed to higher ground located just above and behind the place of judgment, where a large almond tree was in bloom. We stood under this first fruit tree, Jew and Greek, and blessed the people of the land and their language for the communication of the Gospel to the world. We planted a Bible and declared the “Word, as the First Fruit.” Martin blew the shofar – 360 degrees and released the sound of the Word - as the Greek language released it to the World. We declared that the Word was carried by the wind to all parts of the earth – as it was with the Greek language, so will it be and more with the language of technology from Corinth, Texas. The path covered with almond blossoms – the Lord watching over His Word to perform it. Norma picked up almonds from the past season – gathering any missed fruit from a former season, even what looked dead - and that the green shoot would spring up and break through to Corinth and beyond.

Mary and Janice were delayed out of Dallas and missed the connection from Spain. There was mechanical difficulty as well as the air traffic control computer went down. All flights at DFW were grounded for approximately an extra 30 minutes. We felt strongly that our time was in the Lord’s hands, based upon the “signs of the times” we had already received. (We were getting our boarding passes at exactly 3:33 and we were to board at Gate 22, with our seats on Row 22). This was confirmed prophetically by both Chuck and Keith – “That we were in His time.” We were in Madrid for seven hours before we could get on a flight into Athens. We felt this was to complete our watch in Spain so that we would enter Greece on the exact day – March 7th – for the mission. Our original flight plan would have put us in Greece the day before. Martin and Norma picked us up in Athens and drove us to our hotel in Corinth. On the way, they shared what they had observed about the land and the people of Corinth. It was about 12:30 am when we arrived at the hotel. Monday, March 7th - Holiday in Greece – Carnival – (similar to Mardi Gras). Most businesses were closed and people were on holiday. Part of the prophetic Word was that there would be **celebration in Greece** – this was the prophetic picture for that. On Monday, there were thousands in the streets of Athens, celebrating.

Prophetic Signs & Declarations:

Almond Trees in Bloom – First fruit sign 1 Cor. 16:13 – Almond Blossom (Watch); Alertness and Diligence (Stand) in Faith; (Strong/Courageous) Joshua; Love (Greatness)

Museum - This was a memorial to the ancient Greek culture displayed with broken (headless) statues of Gods and rulers. There was a room of body part replicas that were used as offerings to the gods for healing of that particular body part. We declared I Corinthians 12 in this room.

Outside this room was a glass covered casket with bones. We declared the resurrection from 1 Cor. 15:57 and death being swallowed up in victory. There was a Roman Soldier with a sword relief which reminded us that we would flow with the civil authorities of Corinth, TX – Romans 13:1, 4-5 – also, there was an identification with Ephesians 6.

We saw a kingdom shaken (both by war and by an earthquake) whose culture had been destroyed and buried. We declared that the sound of the Kingdom that Paul preached would once again arise and continue in both Corinth – Greece and Texas. We prayed life and multiplication into that which had been declared, but never came to maturity.

The Agora – The place of assembly. This was a sphere for both political pronouncement and marketplace gathering.

The Bema – This was the place of judgment where the Corinthian Jews brought Paul before Gallio and the tribunal. Norma dug and planted the blessing of Israel from Zion – dirt from the Temple Mount, water from the Gihon Springs, and oil from the City of David – with declarations of Life - and called for a SHIFT from the Greek mind-set back to the Hebraic way of thinking. We poured Resurrection Oil and declared that there would be a “Returning to Life” in the atmosphere and the earth of Greece and that the sound of resurrection locked up in these stones would be unlocked and all life would be released from them.

Lower Springs:

Boat w/ Tiller – Bas Relief - Highlighting the tiller Martin had seen this the day before and took us to see it - Picture of Global Spheres as a huge ship that could be turned by the rudder – James 3

That our voice and our tongue would be an instrument directed by third heaven revelation and not from second heaven. The tongue would be an instrument of fire of passion or hell. (Keith’s prophecy)

Acro Corinth – Upper Corinth a Citadel to watch over the Isthmus – also a worship center to Aphrodite. There were three ruling forces –Romans, Christians (Crusaders) , Ottoman Turks (Muslim)

We felt the bridge over the moat was the transition point where we stood to decree. As we got to the bridge to begin the prophetic declarations a man passed us with prayer beads in his hand – **Going up to worship** – He was either Muslim or Greek Orthodox – darkness passing by. Mary

dropped a watch with Hebrew numbers into this moat and declared that time was being bridged, and that time was redeemed from the March 7th date of Constantine's edict. We returned to this sight on Wednesday morning. The Lord woke Janice up with the instruction to "Go up again" to this place. He had us call a bridge to time through repentance for compromise - Norma repented for the Messianic and Janice for the Gentile. We declared a bridge from Zion to Zion and one new man! As the times and the seasons of the Lord are reestablished we saw an alignment with heaven to earth that would cause us to move in a timing of eternity. We worshiped before we went out and sang Exodus 15:11 in Hebrew and English. Martin blew the shofar. This second day on the mountain was extremely cold, windy, and the snow had fallen enough in the night to whiten the mountains.

Worship/Communion - After we checked out of our rooms we gathered in the dining room for worship and praise for all that He had done in Corinth – Martin worshipped in song at the piano and released the blessing of the Lord over the Hotel personnel and the people of Corinth. How *Great is Our God* and *Lift Your Name* and then we took communion. We were the only people other than employees and Martin played and worshipped. Martin and Norma brought wine from the Judean Hills for our communion and the bread was from Corinth.

Corinth Canal – We saw this canal as a connector for the two Corinthians in the Spirit and an opening for new trade routes. We stopped at two locations. The beginning of the canal, on the Aegean Sea side, is where Mary poured the wine – Judah. She poured it next to the rudder of a boat and declared that praise would flow and steer us through the narrow straits – from Zion to Zion and Corinth to Corinth.

Norma, halfway down the canal on the Global Sphere side, poured Judah wine in and declared an open connection. We declared the Lord was opening up new trade routes and that trade would be redeemed out of the hand of the enemy. This seemed to be a super-natural ability released to the Church to know when and where to "TRADE" – **Exchange of Wealth**. This was a confirmation of the presence of the Angel, called **Exchanger** that Keith had prophesied would go with us.

The people of Greece welcomed us and were very kind! This was both in Athens and in Corinth.

Key Resources to Help you Align in Time!

[Redeeming the Time](#) by Chuck D. Pierce

This book helps you answer the difficult question of how to get back in sync with God when you realize you missed a window of opportunity. This is an amazing principle to understand. When one window closes, the Lord has a divine plan to reposition another time and another place for you to enter His blessings. How many times do we wish we could go back in time to undo or redo something? Although the Lord doesn't take us back in time, He has the ability to bring our past "into" our future so that we have a second opportunity to choose and get back in His perfect timing. *Redeeming the Time* will help you recognize God's timing in your life and determine if you are in step or out of step with God's plans and purposes. This book will also help you align yourself with God's perfect timing system, and reap rewards of a life spent in step with our Father. There is also a chapter that will help you understand the Triumphant Reserve that is emerging from state to state.

Special: \$12 (regularly \$15)

Also, if you have not been able to join us onsite or by webcast for our recent corporate gatherings, you can order the CDs or DVDs from our Sunday services to gain a fuller understanding on our move to Corinth and the roots of the biblical church of Corinth.
