A New Planting: The Vineyard!
The Shabbat Center!***

Saturday, March 16, 2013

Dear Friends:

I am looking forward to seeing you many of you tomorrow morning at our Celebration Service. The Lord has given me a message on **“Stay Focused to Build! Go Past the Narrow Place! I Will Perfect What Concerns You!”** If you are not able to join us, you can watch the [webcast replay](#) that will be available through Saturday evening.

The Shabbat Center Dedication – Enjoy the Video Recap!

I loved our Firstfruits Celebration on Friday, March 8. That was a wonderful time of worship, giving and understanding how Judah Goes First! If you were not able to watch the [webcast replay](#), it is still available through March 27.

That same evening we dedicated The Shabbat Center! We also call this location Solomon’s Porch West. We now have a four minute video recap that will allow you to enter in to the dedication. This video will also help you enter Shabbat this weekend. Take time to watch it by clicking [HERE](#).

The Shabbat Center is a wonderful area we have restored to allow us to gather for times of fellowship, feasting, entertainment and more! In days ahead, Pam will be hosting our Friday Night Shabbat Gatherings at The Shabbat Center. These will be Friday night gatherings where we can enjoy food, great music and a time to enter into the rest of the Lord. We are excited for how this area will be used in days ahead, and how it will provide yet another way to invite the community to join us for creative times of body life.

Let the Vines Take Root!

This has been a wonderful week of new beginnings at the Global Spheres Center. As you can see below, the root stock for our vineyard has arrived and our staff were out in the vineyard planting grapevines. Along with the olive and fig trees, the grapevine is used throughout the Old Testament to symbolize the fertility of the land (Deut. 6:11; Josh. 24:13; 1 Sam. 8:14; 2 Kings 5:26; Jer. 5:17; 40:10; Hos. 2:12). We believe this property was not destined to remain desolate, but to blossom and be fruitful. Particularly at this Passover season, join us in declaring Psalm 80:8-9: ***“You have brought a vine out of Egypt; you have cast out the nations, and planted it. You have prepared room for it, and caused it to take deep root, and it filled the land.”*** This is not only a word for us at the Global Spheres Center, but for each of you to enter into also!

Below you can see Penny Pierce, Kelly Knight, Daniel Arenas and Simon Lyons all planting vines.

Here are two additional pictures to show you the scope of our vineyard. In the first you see James Vincent, our vinedresser, preparing to plant. The other shows Jesus De La Cruz and another of our staff continuing to prepare the wine press. You can see that it will be a short journey from vineyard to winepress. We look forward to the time that we will be able to see our firstfruits grape offering brought to the winepress amidst shouts of joy and thanksgiving! Thank you for being a part of this journey. May what you plant in this season produce great harvest in days ahead! If you would like give into this project, you can donate [online](#) or by calling our office at **1-888-965-1099** or **1-940-382-7231**, or by postal mailing your donation to **Glory of Zion, PO Box 1601, Denton TX 76202**.
