

Celebrate Passover! New Place in Jerusalem! An Update from Daniel and Amber Pierce

March 28, 2013

Dear Friends of Israel:

This is an exciting week here at the Global Spheres Center. Tonight we begin our Passover Celebration. We hope many of you will join us in celebrating the power of the Blood and the Resurrection of our Lord Jesus Christ. All of you can join us by webcast at no cost, so go to our website for more details.

I'm so pleased that Daniel and Amber are with us, and will be ministering this weekend. As you can read below, they returned to Texas earlier this month. Next month they return to Israel to get established in a new way. They are a great example of crossing over!

Blessings,
Chuck D. Pierce

We've had a great time in the States since we landed on March 5th. We've been soaking up time with family and friends, and enjoying all of the other things we miss. We went to Louisiana for one week and ministered at a statewide meeting in Baton Rouge. Louisiana is taking a serious stand with Israel, and Daniel and I are both so proud to be born in a state that loves God's covenant land.

We are getting more excited about the arrival of our son, Elijah Daniel Pierce, and would like to invite all of you to join our family in celebration of his coming birth, for a come and go baby shower immediately following the service this Sunday. Earlier this week, we spent several hours with the same doctor who delivered Lily, and were comforted on many options for having this new baby in Israel. Elijah is perfectly healthy and we are one week closer to having him than we first thought. I believed that I was 19 weeks pregnant but I'm actually 20 weeks.

Daniel and I both love the celebration of Passover and are looking forward to seeing many of you here at the Global Spheres Center this weekend. We will both be sharing at the Passover Celebration on Friday afternoon. If you are not able to join us onsite, then try to find times you can join by [webcast](#). Go to the Glory of Zion [website](#) for more details including a [conference schedule](#).

We are looking forward to two more weeks in Texas before our return to Israel. Five days after we arrive there we will move from Beer Sheva to Jerusalem. We have signed a 3-year contract on a residence and are looking forward to being settled. The new place that we are moving to is large enough for small gatherings and meetings. This will be used by many of you to come visit us when you tour Israel.

Many Blessings from Texas!

Daniel, Amber, Lily and Elijah Pierce!
