Saturday: Center for Advancement--“How to Communicate and Teach ... THIS IS WHAT I SEE!”

Anyone who wants to teach, anyone who has to make presentations in the business world, and anyone who trains or communicates to others will not want to miss this **Center for Advancement** class on Saturday beginning at 9 AM! Robert’s class will be **“Teaching What You See! — This is What I See and Know!”** Teaching is explaining what you are understanding, and this class will be an incredible resource for everyone who is prone to teach or desires to communicate what they see. The cost to attend this class on Saturday morning and afternoon is **\$25 per person**. This is a year to ESCAPE! Pray through the Night Watch all Year! As you know, each month of the year we are focusing on an hour of the Night Watch. This month (March) we will pray through the last hour of the Evening Watch – from 8 to 9 PM. We encourage each of you to daily spend time in prayer during this first hour of the Evening Watch. If you are in the area, Robert and Linda Heidler will be leading prayer tonight (Thursday) at the Global Spheres Center from 8 to 9 PM. However, you are free to pray wherever you are (individually, with a group, or even over the phone) as we focus on praying from 8 to 9 PM throughout March.

Featured Media

Don't forget that we are regularly adding video highlights and teaching to our website. From this past Sunday, we have added the segment on **[“A Time to Bless America”](#)** where **LeAnn Squier** sang our national anthem and **James Timmons** prayed for our nation. Other highlights will also be added this week to join the previous videos we've featured. Just go to www.gloryofzion.org and select the **“Webcasts and Media”** option. This will allow you to see the webcasts we presently have available as [Replays](#) as well as our [Featured](#) and [Equipping Videos](#).

Key Resources to Help you Advance in a New Way!

[The Rewards of Simplicity](#) by *Chuck D. Pierce, Pam Pierce and Keith Pierce*

This inaugural course for The Center for Advancement is based on the book, *The Rewards of Simplicity*, by Chuck and Pam Pierce. In these changing and uncertain times, developing a clear

vision is vital. Three key components to developing vision are FAITH, FOCUS, and FUNCTION. In this course you will learn how you can simplify, clarify, and gain faith over how to advance into your future. Sessions include:

- Faith
- From Faith to Focus
- Function

An additional message by Linus Vaughn, “The Testimony of Jesus is the Spirit of Prophecy”, is also included in this set.

[May Your Land Rejoice](#) by *Chuck D. Pierce, Pam Pierce, Robert Heidler and Linda Heidler*

In today's high tech culture, many do not have an understanding of how Heaven and Earth are connected. However, there is a Heavenly blueprint which can impact the land and cause it to come into a greater measure of fullness. We set aside a day to pursue a deeper understanding of our relationship with the land, and the Lord powerfully wove together the four teachings in this set.

Robert Heidler developed the spiritual significance of the land, and provided clear examples of how our actions (good and bad) affect the land we live upon.

Pam Pierce, with her background as a Master Gardener, taught us about the relationship of our bodies and land, and how our shalom and wholeness is dependent on our relationship with the land.

Linda Heidler shared wonderful insight on the Tribe of Asher, and how the fullness of their redemptive identity was tied to and expressed through the land yielding its increase.

Chuck Pierce showed the relation between God, Torah, land and man, and how God's government in the heavens can overcome the generational iniquity in the land and establish His Kingdom rule and reign in the earth realm.

This Center for Advancement course is certain to become a foundational teaching you will want to listen to again and again.

[Releasing the Seer Gift and Multiplying Your Vision!](#) by *Chuck D. Pierce, Robert Heidler, Barbie Breathitt, John Price and Norma Sarvis*

The Lord desires that each of us would see clearly. Too often we limit our vision and allow our minds to dismiss or marginalize what the Lord is illuminating. This hinders us from identifying

the resources He has prepared for us, and from gaining the strategy to see them multiply. This Center for Advancement course will not only help you “turn and see” in a new way, but will also allow your vision to be “touched” and activated in new ways! Each of the teachings in this course will provide you an incredible foundation to help you see in a new way.

Chuck Pierce shared how in a new administration we are being activated to see our future and supply. Each of us can learn to recognize patterns of multiplication so that we prosper in shifting times. Chuck also shared eight principles for multiplication in a new administration.

Robert Heidler taught on “Lessons from the Almond Tree: Decreeing God's Word so that He Can Watch Over and Perform!”

Barbie Breathitt shared on “Activating the Seer Gift through Communion with the Father” and increasing our vision through testing and learning the language of the Spirit.

John Price led us in activating the seer gift, and learning to gain revelation through what we see around us.

Norma Sarvis taught on Hebraic Seeing and how Jews see differently from others. She also shared on the importance of understanding blindness so that we better understand seeing.
