

A Time to See! Some Key Videos - Global Spheres and Israel...From Mess to Glory! Giving Our Way into Triumph and Restoration!

Wednesday, March 7, 2012

Dear Giving Saints:

I am so grateful for how the Spirit of God leads us. Sunday morning's Celebration Service was just another example of this. The level of revelation that came through the worship and dance was incredible. Then Robert's message on "***Overcoming Bitterness***" and the subsequent ministry time were so anointed. If you were not able to join us, please be sure to watch the [webcast replay](#) that will be available through tomorrow night.

From Mess to GLORY! Your Giving Multiplying! Key Video!

God gave! His giving redeemed us from a mess! That is what has happened over this past year here. I feel your giving and commitment has been a part of restoring a mess from one season to enter a new administration. Thank you for being a part of this journey. Don't miss this new video update on our development here at the Global Spheres Center. We are so grateful for how the Lord has led us in transforming these building and grounds. What was once desolate is now beginning to house His Glory! Please click [HERE](#) to watch this update that will encourage you and give vision for where we are headed.

Now that we have moved to the Global Spheres Center, I have felt led by the Lord to offer our recent conferences, classes, and schools without any cover fee. Below is a wonderful testimony from Tina M. on how this has allowed her to grow and give in a new way.

"I just want to thank you for not pinching every penny out of all your ministries that would prevent the Gospel from being heard. I so appreciate you making your teachings available for free since they are of such good quality and speak truth on subjects in ways that many churches these days don't even attempt. I feel my relationship with the Lord has grown closer and I plan on sowing into this ministry with my tax returns once they come for the sole reason that you don't require it of me in order to hear what the Lord has shared with you to teach us. Thank you!"

30 Day Focus – The Journey to Simplicity! This is helping so much!

Last week I began a new 30 Day Focus on Simplicity. As I share on Day 1, "This is the month of Adar. This is the month to get rid of all anxiety and simplify your life. I am re-reading the book Pam and I wrote *The Rewards of Simplicity*. Now for the next 30 days, let us journey together to simplify our lives and in the end have our relationship with the Lord even greater." If you haven't started yet, it's not too late – begin today! You can follow this daily on our [Facebook page](#). [To subscribe to the Fanpage you can go to *Recent Communications* on the Glory of Zion Home Page (www.gloryofzion.org) and click on "**Chuck Pierce** on

Facebook”.] You can also view the latest Facebook postings on our website by going to “Recent Communications” and viewing the “Chuck on Facebook” section or by clicking [HERE](#).

Connect:Israel...A New Video from Israel!

As we all know, this is a time of heightened tension in Israel and the Middle East. During this Purim season, we must especially be vigilant to pray for God’s covenant people. I want to encourage you to take just a couple of minutes to watch a video focus on Iran and the Esther Fast. Anthony Lyle, who went to visit Daniel and Amber in January, helped develop this. Click [HERE](#) to view *Connect:Israel!*

Additionally, don’t forget about our activities here this Saturday and Sunday for

Purim. On Saturday night, we will host a *wonderful evening of activities to celebrate Purim*. We will begin at 6 PM with refreshments in the Arbor. At 6:30 PM, we will show *The Feast* in the Tabernacle. This short film is adapted from Esther 5-7, and focuses on the conflict between Haman and the Jews. Done in the style of the Old Hollywood silent films, *The Feast* is sure to entertain the whole family. With the recent acclaim of the silent film, *The Artist*, I find it amazing that we had developed a short silent film just a year ago. You will love watching this!

At 7:00 PM, there will be a time of worship followed by a very *creative production from our Children and Youth*. This presentation *incorporates acting, music and dance to recount the story of Purim from four distinct perspectives: Mordecai, Haman, Esther and King Xerxes*. You will want to take in this fun family evening! If you are not able to join us at 7 PM, you can join by webcast.

On Sunday morning (March 11), Robert Heidler will teach on Purim at our Sunday morning Celebration Service.

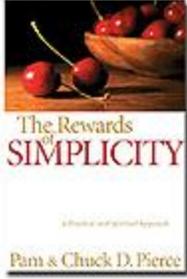

Tomorrow Night “International Glory Gathering!”

Make plans to join us tomorrow night at 7 PM (CST) for our monthly “International Glory Gathering”. **Alemu Beeftu** will be ministering at this gathering which focuses on inviting the nations to come and worship here at the Global Spheres Center. Be sure to invite those from other countries to join us as we seek to fill this house with the Lord’s Glory (Hag. 2:7). This gathering will also be available by live webcast, and on replay through Saturday evening.

Blessings,
Chuck D. Pierce

Key Resources to Help You Move Forward into Restoration and Triumph

[The Rewards of Simplicity](#) by Chuck D. and Pam Pierce

God has given us this book as a gift in a world of conflict, change and uncertainty! Pam Pierce's ability to communicate faith in a simple, clear way is amazing. *The Rewards of Simplicity* has the best of both worlds; Pam communicates faith and Chuck explains the warfare we go through internally in dealing with all of our issues. This book will give you practical ways to "bottom line" your life. Every business person should read this book! There are also many new insights concerning how the enemy uses our anxiety in an attempt to rule our lives and stop our destiny. *The Rewards of Simplicity* is one of the key books to read going into this season!

The Feast DVD

The Feast is a funny and heartwarming film adapted from Esther 5-7. *The Feast* focuses on the conflict between Haman and the Jews, that culminates in a high-drama sequence of accusation and betrayal. The film was shot entirely on location at Glory of Zion in Denton, TX, and features a cast completely composed of talented young people.

History's First Alphabet: Understanding Hebrew Letters and Numbers! by Chuck D. Pierce and Robert Heidler

Hebrew is a complete language in the sense that its characters "speak" through both form/picture and sound. The Lord used this language to cut covenant with Abraham, the Hebrew. The word Hebrew, *abar*, means to pass or cross over. Having some understanding of Hebrew gives us revelation over how to cross over from season to season in the blessings of the covenant we have been grafted into. As children of God, through the Blood of the Lord Jesus Christ, we have been grafted into Abraham's covenant, and already have built within us the ability to cross over.

We can learn a great deal from the Hebrew alphabet. Unlike English letters, each individual Hebrew letter was originally a pictogram (picture). Therefore, a Hebrew letter not only represents a *sound*, but also represents an *idea*. Often the meaning of the letter can still be seen

in the *shape* of the letter, which gives us additional insight into what the Spirit of God is revealing, from season to season. Similarly, the Hebrew numbers are represented by letters in the alphabet. So Hebrew numbers in dates can sometimes spell out a word.

Once we know how God speaks through this language and numbering system, we can gain great insights in many areas! His language activates spiritual power within us to make a shift at strategic times. Sessions in this class include:

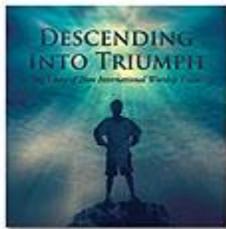

1. *The Inherent Power of the Hebrew Language*
2. *Introduction to the Hebrew Alphabet*
3. *Understanding the Word of God in Hebrew*
4. *An Introduction to Hebrew Numbers*
5. *Knowing the Hebrew Letters: Part I*
6. *Knowing the Hebrew Letters: Part II*

Allow this class on **History's First Alphabet** to aid you in gaining a foundational understanding of Hebrew letters and numbers so that you will be able to speak and see in ways you have not been able to do before!

This set also includes our Rosh Chodesh/Firstfruits Celebration for the Hebraic month of Adar, as well as a message by Chuck Pierce on "What Do You See at the Crossroads?"

Special: \$40 (regularly \$75)

Descending Into Triumph

True worshippers are those who worship in Spirit and in truth. When we find this place in Him, we find reality. When we come to the end of a season, we must have a mentality of TRIUMPH. Descending in Triumph is profound! The music that the Glory of Zion International Worship Team has brought forth will amaze you. You have to "GO UP" to "GO FORTH" in TRIUMPH! This collection has some awesome songs to propel you into the future. "Sing Oh Barren One" (Hannah's Song) by Tiffany & Aaron Smith stirs your heart to break forth in song and break out of desolation. "Strike the Doorpost," led by John Dickson, is an incredible song that reminds you that we can praise our way through every entry way or new gate that we come to throughout the year. LeAnn Squier and Chad Foxworth remind us with a new rendition of

“[Amazing Grace](#)” that even though we’ve been through many trials, His grace has always been there and will be there to keep us going forth this year. Many other prophetic utterances and new songs will cause your faith to come alive and give you new strength to move forward.
