

## ***On the Road Again! A Time to Say Yes!***

Thursday, March 6, 2014

*Dear Kingdom Advancers:*

The Spirit of God is continuing to move powerfully during our gatherings at the Global Spheres Center. Last night's *Harvest Training* session on "**The Laying on of Hands**" was just incredible! This is one of the six foundational truths that every Christian should understand, and we want each of you flowing in this ministry gift. If you were not able to hear Robert's teaching or enter into our time of activation, be sure to watch the webcast replay that is available through next Tuesday.

This morning I am prepared to set out for several ministry assignments. Chad and I just flew out to Richmond, Virginia to be with Keith and Michelle Duncan for [Throne Zone 2014!](#) I haven't been with them for several years, so I am looking forward to seeing how the Spirit of God meets us tonight as we worship in His presence.

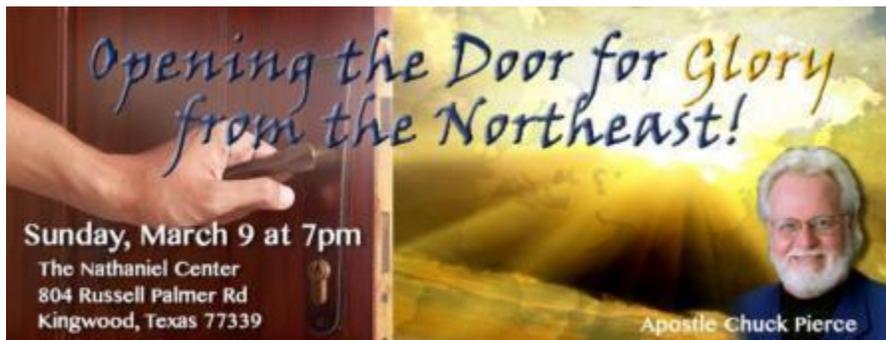

### **Friday Night in South Texas: It's Time to Say YES!**

Tomorrow morning I will fly back to Texas for two meetings in different parts of the state. On Friday night, I will be with my good friends, James & Jan Keller, in *Mission, Texas*. All of you in South Texas are welcome to join us tomorrow night at 7 PM for **It's Time to Say YES!** I love how they heard God on this title weeks before we heard the Lord say, "If not now ... when?" Additional details for this gathering at CFC El Buen Pastor are below.

**Sunday Night in Houston: Opening the Door for the Glory from the Northeast!**

On Sunday evening, I will be back in Houston for another regional gathering. This time we will be meeting on the northeast side of the city at the Nathaniel Center in Kingwood. In this year of the door, I sense that a move of God is ready to sweep into Houston from this northeast side of the city. You can click on the image below for more details for this gathering which begins at 7 PM.

In addition to praying for the doors of Houston to open to the King of Glory, declare that the doors of your city and region will also swing wide for the King of Glory to enter in!

Blessings,  
*Chuck D. Pierce*
