

The Thunderings of God Are Entering the Earth Realm in a New Way!

Thursday, April 11, 2013

Dear Warring Saints:

There is a thundering in the heavens! Before I flew out yesterday afternoon to be at Christian International today for their annual [Watchman Intercessor Assembly](#), a strong storm front blew through with rain, winds, and thunder. If you recall, during the last day of our Passover Celebration, we prophesied about [the wind of God blowing and angelic assistance on our path](#). In our 21 Days of Contending for a Fresh Release of the Wind of Heaven, we are seeing the Lord confirm this word! Yesterday, Natasha Seppala wrote me and shared:

Concerning your word about the adverse winds, it's been shocking how accurate and demonstrative that word is...with the winds blowing in the natural, and even adverse winds in different parts of the world. I found immediately after Passover I could feel an adverse wind sent against me, and I have been WRESTLING with how to move through these 21 days....like everyone else I am sure. The agitation in my spirit has been nearly unbearable. But I find it nearly impossible to really determine any strategy, or implement anything to move me through these 21 days, as in some timeframes there are specific daily routine focuses we can implement.....or times of prayer.....What Holy Spirit has shown me is that EVERY day we are facing an all new gust of winds we have to deal with...and every day there is a new strategy and word to unlock to keep moving with His wind in the adversity. So it has felt like I am going in 10 different directions...but at the end of the day, I triumph. It's moving with the angelic.

A Manifestation of the Prophetic Word in Taiwan!

In Taiwan last month we prophesied that demonic altars would fall! Earlier this week we received an incredible report from Christina Lee regarding what has happened in Taiwan:

You have heard of the earthquake after you all left Taiwan. In fact, there was a famous goddess parade starting April 5th. This kind of parade usually goes around many cities of central and southern part of Taiwan. However, as you can read from the news reports below, God is striking these idols in Taiwan with supernatural power. Glory to God!

1) 4/4 2013 玉山主峰石碑被電擊(A Buddhist stone tablet on the highest mountain of Taiwan, Jade Mountain, was struck by lightning.)

2) 4/5 起駕暴動 (On the day of the beginning of that idol parade, two groups collided and caused horrible riot that day.)

大甲媽祖繞境第一天，來到彰化，神轎來到自強路前，兩派人馬疑似因為所屬宮廟不同，在陣頭勢力範圍交接區域，爆發肢體衝突

3) 4/6 2013 清晨零時四十分，高市大樹區颯怪風 (On April 6th at 12:40am, a strange, obscure wind, like a tornado, struck Kaoshiung City. The sky appeared red and green, with lightening, and frightened the citizens.)

a) 天空出現怪異現象

大樹區和山社區監視器拍下，6日晚間12點43分左右閃電夾雜強風，吹的不停狂下的大雨當地社區監視器就捕捉到，狂風來襲前，天空顏色變紅變綠的特殊景象

b) 偶像香爐被連根拔起 (A Buddhist incense bowl set in a congress house, weighing 3,000 pounds, was rooted down-side-up by that strong wind.)

市議員吳利成的老家倉庫倒塌，一千五百斤的香爐遭「連根拔起」

4) 4/6 2013 週六晚上孔廟禮門被壓壞 (April 6th, God shook a big, old tree and crushed the door of Confucius' temple built three hundred and forty-eight years ago.)

神震動儒家根基，且奪回東門的入門權。這是榮耀的君王要回來的東門。
