***Incredible Prophecies!
Recover Your LOST Ax-Head!
The Prayer Tower, The Prayer Garden and
The Tabernacle are now in Full Swing ...
Goal Pentecost!***

Friday, April 15, 2011

Dear Warring Overcomers:

We are celebrating the Month of Aviv. If you have not watched the “Miss Lindy” video on understanding the month of Aviv, just go to www.gloryofzion.org and click on the featured (top) rotating tile. Also, be sure to read through the prophecies below!

Recently, I spoke at Glory of Zion from 2 Kings 6. The Lord spoke to me from the portion of scripture about the AX-HEAD that was borrowed being lost. In this passage, the people were building the prophetic future and one man lost his ability to build. I have felt led to pray for people who have lost their “Ax-Head.” If you haven’t already done so, write me with where you lost your portion and/or the ability to enter into building the future, I will one by one take the effort to decree a reversal so you have the portion to build your future. If you’re willing to cry out for help, you will be able to recover losses that you didn’t know could ever be found again. Lost emotions! Lost inheritances! Lost relationships! Lost dignity! Lost integrity! Bring your loss, and allow a full recovery to begin! I have already had several hundred responses that I am praying through and will continue to pray through next week.

The Prayer Tower, The Prayer Garden and The Tabernacle are now in Full Swing ... Our Goal is Pentecost!

Oh my! The new *Kingdom Project*—**Global Spheres Center** - is moving at a rapid rate. We have gotten the construction permit to build out *The Prayer Tower* and the “*The Temporary Tabernacle*” (our place for the Pentecost Gathering in early June). We are so grateful for each gift that has been given to help us secure our enlarged place at the Global Spheres Center. At this time, we need \$600,000 by next weekend. You can give [online](#) or by calling 1-888-965-1099 or 1-940- 382-7231. Be sure to watch the most recent video update of how things are developing in the *Israel Prayer Garden*. Go to www.gloryofzion.org and click on the Global Spheres Center tile. Give \$6, \$60, \$600, \$6000, or \$60,000 or whatever the Lord leads ... just be part of this new adventure!

While you are on the website, be sure to also check out the featured video from last Sunday on “[Walking the Tight Rope!](#)” This Sunday, Robert Heidler and Keith Pierce will minister at Glory of Zion! Our focus will be on RELEASING!!!! **Keith Pierce** will minister in the Power of Use service on “**Releasing the Spoils from the Enemy’s Camp!**” **During the Power of Lift service at 10:30 AM, Robert Heidler** will teach on “**Releasing Sons and Daughters from the Enemy’s Camp!**”

Also, our ***Ignited Junior High*** will be presenting a special **Passover Skit**. This will incorporate music, drama and dance for a powerful presentation of the significance of Passover. Don't miss the message our youth have to bring!

Resurrection Morning Daybreak Service in the Garden! Don't forget ... everyone is invited to the **Israel Prayer Garden in Corinth on Sunday, April 24 for a Resurrection Morning Daybreak Service!** What an incredible way to start the day and celebrate the victory that Christ Jesus won for us. Make plans to join us Resurrection Morning at 6 AM for refreshments, and around **6:30 AM** for the service. Invite those who are seeking for a reason to celebrate! After this service concludes, we will shift to the University of North Texas to conclude our Passover Gathering at 9 AM in the Coliseum with a modified Passover Seder! Invite friends and family to come.

Benjamin Pierce

My grandson, Benjamin Pierce, Joseph and Cynthia's youngest son, will be appearing on an episode of Nickelodeon's game show, **BrainSurge**, on **Monday, April 25, at 6 PM (CDT)**. His particular episode was taped exactly a year ago when he was still eleven years old. Also appearing on the episode will be my oldest granddaughter, *Hannah*, and my youngest son, *Ethan*, as audience members. Not only was Benjamin chosen out of thousands of applicants to compete but he was also chosen to be on one of the five special guest star editions. His show was co-hosted by ***American Idol's Jordin Sparks***. Tune in to see how well Benjamin did (we are unable to reveal the results prior to airing) and to see Ethan and Hannah sitting right next to Jordin Sparks in the audience! For those in the area who personally know Benjamin, Hannah, and Ethan, and who would like to join us for a watching party, we will be gathering in the **Servant's House** around 5:30 PM on the 25th to view the show and enjoy refreshments.

Prophecies from our Aviv Firstfruits Celebration! The Lord says ...

"Do not to tolerate those ceilings that have come down on top of you to keep you from going up and going through." (Chuck Pierce)

"I am raising up the fire that was within you right now, the fire that was in the fighter's eyes when they enter the ring. Stop closing your eyes! Face your opponent! I am setting you in the place to conquer your enemy and have a total knockout this hour." (Rebekah Faubion)

"Just like Esther and Mordecai, I can give you audience where I need you to have an audience if you're willing to be what I am calling you to be." (Chuck Pierce)

"Watch the explosions from this day forward! For unexpected explosions will begin to occur. You get in your place. You get in your place quickly and stay under the shadow of My wings." (Chuck Pierce)

(Interpretation of tongues) – *"This will not be a season of play acting but a season of demonstration. Instead of going through the motions you will now enter into the reality. So come forth into your next scene. Come forth into your next scene. Come forth into your next scene for this day a new reality of Me is coming into the earth."* (Chuck Pierce)

*Can you feel it in the atmosphere?
Can you feel it--faith instead of fear?
Do you know what is here among us?
We're either winning or losing based on the atmosphere.
It's what you stir, what you release.
It's what you heard when you were on your knees.
You're infusing the atmosphere.
We need a victory mantle to accompany us always in the atmosphere.
So when we go up we go with faith and not with fear.
Let it burn before the Lord.
Let your confidence rise into faith.
Know the power of the blood, of His name.
Then it releases it and you will rule the atmosphere.
(LeAnn Squier)*

(Interpretation of tongues) – “For there are waves of anointing that are going forth in the earth realm even in this hour. If you will catch the wave of My Spirit you will see in this hour what you have desired; it will begin to be that which will flow in you and out of you. You will see that there is strength within you that you have not known in the past season. You will begin to rise up and move into the dark places. You will see the anointing. You will be able to cause the darkness to dissipate. You are those that I am raising up in this hour. You will open your mouth and say what I am saying and your voice will be heard. Even as your voice is heard there will be darkness that will back up. This is the season to draw a line in the sand and say to the enemy, ‘You can come this far and no further.’” (Deborah DeGar)

“Did I not say to you at the beginning of this Head of the Year that you would see Me demonstrated as El Gibbor. This is a demonstration of My character called El Gibbor where you will be strong where you've been weak. You will do exploits where you have stood and cowered in fear. This is the year of My strength!” (Janice Swinney)

“Stoke your fire now because when you meet your enemy face to face and you look him eye to eye, you need eyes of fire to overcome what you are going to find looking back at you. My eyes are eyes of fire. If you will let your passion burn hot then your eyes will be hot and burn against your enemy so he will have no way to stand before you.” (Linda Heidler) “You are My fire and I am causing you to burn in the night time season. I am giving you the strategies in the midnight hour over the Midianite spirit that came to rob you in the last season. I am giving you strategies up over that which took you out in the last season. Be on fire for Him. Stir yourselves up. Let His fire go out from you!” (Raymond Banks)

“Dance with the fire, the fire of My love. I will bathe you as I burn away the imperfections. Clean a place for the fire of grace. You won't have to think twice about your place.” (Emma Moore)

Blessings,
Chuck D. Pierce

Half Price Specials on Two Key Sets to Help Prepare us for Passover!

[Passover Celebration 5770](#)

Our **Passover Celebration for 5770** was recorded as a time when the Body of Christ declared that JESUS' BLOOD is active in the world to redeem mankind! As thousands joined us onsite in a tent on our land along Interstate 35, and thousands more joined us by webcast, we decreed a shift in the timing of the Church to bring us back into sync with the power of the blood and deliverance. This joyful gathering celebrated how we are redeemed by the blood of the Lamb out of the hands of the enemy!

Each of our speakers added a new level of revelation from the Lord. **Dutch Sheets** shared on how the Church is moving out of a spiritual coma into Resurrection Power. **Peter Wagner** gave practical insight on how we can become holy. **Barbara Yoder** stirred our faith to receive the new mantle of deliverance being released for the Bride to overcome the Harlot. **Avner Boskey** shared from a Hebraic perspective on how the course of history is aligning with God's calendar and promises to Israel. **Faisal Malick** (a former Muslim) gave incredible insight on the plight of Ishmael and how his descendants are still searching for a father. **Kim Daniels** challenged our preconceived ideas with a call to be separate from the world. **Kent Mattox** shared how God is restoring authority to His Church, and how the wildness can be God's pathway to authority. **Beverly Mattox** helped us understand that adversity can bring a renewed relationship with God. Throughout our time together, **Barbara Wentroble** prophesied the Word of the Lord, and **JoAnn McFatter** sang the Word of the Lord. **Robert Heidler** taught on why Christians should celebrate Passover, and gave the four results from Hezekiah's Passover celebration. **Chuck Pierce** closed the gathering with the call of what we are being delivered to see now that we have passed over. Enter into the celebration of Passover and the victory that is ours in the Blood of Jesus!

SPECIAL ... CD Set: \$30 (regularly \$60); DVD set: \$42.50 (regularly \$85).

[A Week of Moving into Resurrection Power & Beyond](#)

Our Week of Moving into Resurrection Power and Beyond was incredible! Each time we gathered in the tent along Interstate 35, the Spirit of the Lord met us in a unique way. So not only was the preceding Passover Celebration on March 25-28, 2010 vibrant and life-changing, but the extended week of meetings from March 29 – April 6, 2010 continued to build on and go beyond our celebration of the blood of Jesus. We began our extended week of meetings in the tent with **Paul Keith Davis** releasing a mantle of sonship which will cause champions of faith to arise. **JoAnn McFatter and Steve Swanson, along with the GZI Worship Team**, led us in a night of prophetic worship and prophecy. **Cindy Jacobs** exhorted us as carriers of the glory of the Lord! **Barbara Wentroble** led us in celebrating the 40th anniversary of the Charismatic movement and called us into a new move of the Spirit. Both of our Resurrection Sunday services were powerful. In our Breaking of the Day Service, **Chuck Pierce** taught on Pilate's attempt to avoid making a decision about Jesus, but how, in the end, he compromised for political gain. Like Pilate, all of us face a decision about Jesus. In the second service on Resurrection Sunday, **Robert Heidler** showed how if you have gotten off track in pursuing your destiny, an encounter with the resurrected Jesus can get you back on course! **Keith Miller** closed our night meetings in the tent with a release of the fire of God! In addition to these sessions, we are **also including** our Wednesday Noon Prayer led by Chuck Pierce on "Diverse winds, revival fires and new rivers." **Norma Sarvis** also shared on the beginning of the Feast of Firstfruits. We have **also included** our two Early Morning Prayer Sessions in the tent (Chuck Pierce leading on "God is Doing it Again!" and Anne Tate leading on "Finishing Well!") Allow these messages to shift you "beyond" and into a new realm of His power and anointing!

SPECIAL: CD set \$30 (regularly \$60), DVD set \$42.50 (regularly \$85).
