

God Has a Secret for You!
***Key Prophetic Word: Break Up Ground, Spring
Forth and Go!***

Dear Breakthrough Saints:

What a powerful weekend! Friday night's Firstfruits Celebration for the Hebraic month of Iyar was a wonderful time of understanding this Issachar month, and how to get in God's timing to understand the secrets that will enable us to press towards Pentecost. If you were not able to join us, you will want to watch the [webcast replay](#) that is available through May 4.

On Sunday morning, the Lord gave me a message on "**Promise, Prophecy and the Power of His Name!**" In a time of advancement, we must understand the war that it takes to secure new boundaries and new lands. Watch the [webcast replay](#) through this Saturday and be equipped to war for your promises! See key prophecy below!

Wednesday Night: Ascending in Worship, Descending in War!

This Wednesday night we are setting in place an order of prayer, worship and teaching that will take us to Pentecost. Beginning at **6 PM** we will have an hour of prayer and intercession led by *Anne Tate*. Then at **7 PM**, *James Vincent* and others from the GZI Worship Team will lead us forth in praise, followed by a key message from *Allen Faubion* from Isaiah 60, "**Arise and Shine!**" The Arbor will be open for those who join us onsite, and this evening will also be available by live webcast and webcast replay. Find your time to break through in intercession, worship and revelation!

Key Prophetic Word: Break Up the Ground, Spring Forth and Go!

On Sunday morning during our Celebration Service, the Spirit of God began to stir powerfully. Acijam Oxtoa released a tongue, and then I began to interpret:

*"Your feet have been planted too long in one place. Your feet have even grown with root structures that I am ready to uproot. Your feet have even attempted to stay too long and tarry rather than go. The enemy has even attempted to put cement blocks around some of your feet, to cause you to go under. **But I'm going down deep with My glory and I'm busting up the ground that's around you.** I'm taking a hammer of My Word that has come to you in the past and I'm breaking loose your feet so they can go. I say go, go, go!"*

Deborah DeGar then saw a picture where some of our feet had even been planted in a place that the Lord did not desire for us to be planted, and for so long of a season that our feet had branded the ground where we were standing. She prophesied: *"But I have not grounded you for that*

place and I've called you forth even in this season. I will put a fire up under you, if need be, and I will cause you to move in unprecedented ways, and you will not brand a ground that I did not brand. For what I have branded you in this season, you will say 'I am yours and you can do whatever You would have to do with me, Lord. For I have set my face like a flint in this season and I say that I will serve You.'" Decree and declare that this is a season that you will not brand a ground that the Lord has not branded you for!

Anne Tate prophesied: *"I am bringing a spring of glory, I'm bringing a geyser of glory that will come up under you, and you'll begin to look from a whole different perspective. The Lord will shoot you out of the earth and drive you into the mid-Heavens, and you will rule by My hand."* I then prophesied: *"And when I lift you up with this geyser you'll see the enemies that have held you captive. **Know this: waters are bubbling down deep and will rise up under you and push you up!**"*

Barbara Wentroble prophesied: *"Even that which has held the geysers back, even that which has held the glory back, know that those are mindset structures that I'm coming in this hour to destroy ... mindsets that have caused you to stand in a limited place, and that have caused you to miss the very best that I have for you. I say this is a season of breaking forth. I'm going to break some old mindsets and I'm going to cause you to see what you have never seen before. I'm going to cause you to experience what you have never experienced before. This is a time where I am increasing the momentum. Know that in this season I shall cause your steps to ascend into a new place. I'll give you vision you've never had before, for I never intended for you to stay in a lowly place. But come up here and I will show you those things that must be in your life. **For this is a season of "must be," and there are some things that must be in your life, there are some things that must be in the earth.** Know that I'm breaking mindsets so you can step into that place and you can apprehend that which must be in your life for the future."*

7 Laws of Breakthrough by Greg Brown

Most people agree they need a breakthrough but few can explain what one is or how to experience it. It is not a lucky break nor is it temporary relief from a trial. It is a process God has designed for each of us to advance through our seasons of life until we reach our place of true purpose. *The 7 Laws of Breakthrough* gives you a biblical understanding of this powerful concept. You will encounter God as the Master of Breakthrough and learn how to cooperate with Him through your life cycles into your destiny.
