

Special Firstfruits Gathering this Friday Night: A Time to Connect the Dots for Your Future!

Tuesday, April 17, 2012

Dear Connected Ones:

This Friday night will be key. Don't miss joining us for Firstfruits at the Global Spheres Center. We will build on where we left off on Sunday morning. As Robert Heidler shared, as we press from Passover towards Pentecost, this is not a time to murmur or complain, or remain trapped in old ways of thinking. If you were not able to hear his message on "**From Passover to Pentecost: What God is Looking for is FAITH!**" you will want to watch the [webcast replay](#) which is available through tomorrow night.

This Friday: Firstfruits Celebration for Iyar! A Time to Connect the Dots for Your Future!

Our **Rosh Chodesh Celebration** for the Hebraic Month of *Iyar* will be this Friday at 7 PM (CDT). *Iyar* is a month linked to the Issachar Anointing, and a key time to understand the secrets of the Lord and get in His perfect timing. This is also our "vav" or "connecting" month since it links our redemption celebrated at Passover with the giving and release celebrated at Pentecost. Make plans to join us this Friday night so you can align your time so the rest of your year connects properly. If you are able to join us onsite, you will want to come early and visit the Israel Prayer Garden and visit the section for the Tribe of Issachar!

Connect:Israel...A New Video from Israel!

As we all know, this is a time of heightened tension in Israel and the Middle East. During this season, we must especially be vigilant to pray for God's covenant people. I want to encourage you to take just a couple of minutes to watch a video about the danger that Daniel and Amber Pierce (and many others) face by living in Israel, and how they've had to adjust their lives to walk in a new measure of faith. Anthony Lyle, who went to visit Daniel and Amber in January, helped develop this. Click [HERE](#) to view *Connect:Israel!*

Counting your Days to a New Dimension of Increase ... from Passover to Pentecost!

We are presently in the time of counting the Omer ... the counting of days between Passover and Pentecost. I have begun a series of devotions to help us focus on this key transition time. You can follow them on [Facebook](#) or by clicking [HERE](#). This counting is intended to remind us of the link between Passover (which commemorates the Exodus) and Pentecost (which commemorates the giving of the Torah). This counting reminded the Israelites that their redemption from slavery was not complete until they received the Torah. Of course, we recognize these Feasts also celebrate the ultimate deliverance that Jesus provided with His death and resurrection at Passover, and the release of Holy Spirit at Pentecost. Take time to join in and allow your FAITH to arise so you are positioned for a new dimension of increase!

Don't Miss Your Opportunity to Celebrate a Time of Passing Over and Resurrection Power!

My desire for each of you is that our Passover Celebration would help you build expectation so that we can rejoice at Pentecost in a new way. Therefore, **as a special offering we wanted to replay the Passover Celebration sessions** so that you can more fully enter in to the release of revelation, anointing and breakthrough we experienced.

Passover is a wonderful time to give in response to the revelation you are receiving and how the Lord is setting you free. So allow the Lord to speak to you during these Passover Celebration replays and give as you are led. If you would like to give you can donate online (click [HERE](#)), by calling **1 (888) 965-1099** or **1 (940) 382-7231**, or sending a gift to **PO Box 1601, Denton TX 76202.**
