

***Don't Miss Firstfruits: A Month to Divinely
Connect and Move from Wilderness to
Promise!
Chuck Pierce Leading Tonight!***

Friday, April 20, 2012

Dear Saints on the Move:

The Lord has really been speaking to us for tonight's **Firstfruits Celebration for the Hebraic Month of Iyar**. *Iyar* is a month linked to the Issachar Anointing, and a key time to understand the secrets of the Lord and get in His perfect timing. This is our "vav" or "connecting" month since it links our redemption celebrated at Passover with the giving and release celebrated at Pentecost. Make plans to join us tonight at 7 PM (CDT) so you can align your time so the rest of your year connects properly. If you are unable to join us tonight, the [webcast replay](#) will be available for 21 days (through May 10).

Also, be watching for more information on our next 21 Day Prayer Focus. This will begin on Thursday, May 3 and carry us to Pentecost.

This Sunday Morning at the Global Spheres Center (April 22)

On Sunday morning we will continue pressing towards Pentecost. For the Israelites who left Egypt, they entered a wilderness season. As Robert Heidler shared last week, this is not a time to murmur or complain. A real key for this season is if we will choose to prosper in our wilderness. Therefore, Robert will be teaching on the five wildernesses that must be overcome to enter your promise. Don't miss ***"Making it to Sinai and Beyond!"***

Also, don't forget about the SWIFT BOOT CAMP for the next generation. This week's "Basic Training" for our Middle School and Senior High students will be taught by ***Pam Pierce***. She will be sharing on ***"Stewardship!"*** So if you have a Jr. High or Sr. High student or know of a young person who fits this age range, be sure to invite them to join this training tomorrow morning.

Counting your Days to a New Dimension of Increase ... from Passover to Pentecost!

We are presently in the time of counting the Omer ... the counting of days between Passover and Pentecost. I have begun a series of devotions to help us focus on this key transition time. You can follow them on [Facebook](#) or by clicking [HERE](#). This counting is intended to remind us of the link between Passover (which commemorates the Exodus) and Pentecost (which commemorates the giving of the Torah). This counting reminded the Israelites that their redemption from slavery was not complete until they received the Torah. Of course, we recognize these Feasts also celebrate the ultimate deliverance that Jesus provided with His death and resurrection at Passover, and the release of Holy Spirit at Pentecost. Take time to join in and allow your FAITH to arise so you are positioned for a new dimension of increase!

Blessings,
Chuck D. Pierce
