

Understanding The Tabernacle of David Today! Shut In ... A Time for Preservation, Preparation and Promotion! Lots of Community Activity!

Tuesday, May 28, 2015

Dear Praising Saints:

This past weekend was simply amazing! Not only were our services off the chart, but we had many outreaches into the community! If you were not able to join us on Sunday morning, you will want to watch the webcast replays! We began at 8 AM with **Robert Heidler** teaching on **“The Tabernacle of David: Establishing an Outpost of Heaven!”** I cannot overemphasize how foundational this teaching is for us to move forward. Too many assume the restoration of David’s Tabernacle is the return to a tent, or a particular form of worship, but this restoration is an expression of “One New Man” where the Lord’s glory, healing, provision, deliverance and so much more are manifested. Next Sunday morning at 8 AM, during our Teaching and Development component of the Triumphant Faith Institute, I will focus on how the GLORY transforms our atmosphere and allows fullness of life to manifest.

“Shut In” ... A Time for Preservation, Preparation and Promotion!

Our Celebration Service at 9 AM went beyond our expectations! Our praise and worship activated joy, our giving unlocked gratitude, and our guest speaker stirred a new level of faith and so much more! **Apostle Nevers Mumba**, a former Vice President of Zambia and anointed ministry leader, gave one of the most amazing messages I have ever heard. If you have ever felt “shut in” and forgotten while others have passed you by, you need to hear his message on **“Shut In! A Time for Preservation, Preparation and Promotion!”** So often we grow impatient and even resentful when it appears the Lord has blocked our path of advance. However, this can be the very means by which the Lord is preserving and preparing us for promotion. We’ve had some difficulty getting that webcast replay to load properly, but it’s available now. So I encourage you to find your time to enter in, by replay.

Lot’s of Community Activity!

This past weekend, we’ve also had a great impact in our community. As you can see below, we helped sponsor the local police department 5K Run. We also entered four teams in the Texas State Bowling Tournament, on Saturday. On Sunday afternoon, we performed at the local Denton Arts and Jazz Festival. Plus, we are also sending out people to minister in Thailand, Taiwan and Canada. So you are standing with us in impacting our community and the nations!

Loosing a Sound at the Jazz Festival!

One of the strengths of the city of Denton is its music. In addition to having one of the best jazz programs in the nation at the University of North Texas, Denton also hosts several festivals – the largest of which is the Arts and Jazz Festival. On Sunday afternoon we were given the

opportunity to perform on the Celebration Stage. Below are just a few pictures of our time to “open up the heavens!”

Serving the Community ... A Time to Run and Not Grow Weary!

On Saturday morning, many of our staff and members helped support the Corinth Police

Department 5K Foot Pursuit. This is an annual run to sponsor our local police department and its Citizen's Patrol Unit, in keeping the community safe and aware of local activities and civic partnerships. This is a great way to serve those who are serving this community!

April Showers Are Causing Us to Flourish!

We have experienced two weeks of rain showers here in north Texas. Everything around us is vibrant and fresh, including the Israel Prayer Garden. Since the month of Iyar is associated with the tribe of Issachar, Pam and I spent time last Wednesday night praying in the Issachar portion of the Gardens. As you can see below, all the rain has made for a breathtaking view! In this “timing” month, I encourage each of you to find your times to get away with the Lord and ask Him to order your steps in a new way. You can also see Brian Lohse bringing the new bees for the Garden. This is a time to pollinate and multiply!

Blessings,
Chuck D. Pierce
