

The Move Toward Resurrection! 7 Days of Dancing and Worshipping in The Portal of Heaven!

Wednesday, April 5, 2016

Dear Awakened Ones:

This is a key week. Tune in at noon each weekday this week for these seven days of Dancing and Worshipping in the Portal of Heaven. (See below)

Sunday's services were just amazing! From the moment we began our early service, the presence of God was so tangible. **Pamela Hardy** stirred us to release sound and movement to help us "**Dance In God's Portal!**" In our Celebration Service, **Keith Pierce** joined me to minister on "**Receiving the Power of Resurrection!**" This caused us to ascend even higher in revelation, activation, healing and empowerment.

The Process of Resurrection!

Resurrection is a rising again, as from decay or disuse. Revival, RESTORATION, and Resuscitation, or breathing again, indicates that the Resurrection process is moving! Most of us think that the act of rising from the dead is the only indicator or resurrection. However, we carry resurrection in our bones! I spoke this past Sunday on how a dead person lowered into Elisha's grave came back to life!

Sound and Movement to Unlock Prosperity Through Creativity!

We may "move" in different ways, but as Pamela Hardy shared on Sunday morning, there is great power released when we worship vibrantly before the Lord! Based on the how we moved corporately on Sunday morning, we have shifted the way we meet for prayer this week. Every weekday this week we will meet AT NOON to release wild expressions of worship and dance. Each of these days (Monday – Friday) will be webcast.

A Week to Mine God's Giftings Within You!

As we choose to enter in and express a new movement in our worship to the LORD, He is saying, "***Celebration and movement are coming into My people, and they will do exploits and gain strength! If you will plunge yourselves in the waters of worship for seven days, I will heal you like Naaman, and the Naaman disease will leave you.***"

This is a week to not only worship passionately, but for the LORD to "mine" us and cause us to break forth with new giftings. The Spirit of God declared: "***This week will be known as the week I mined a new treasure chest full of giftings and treasures that had not been mined before. I am coming with a pick to open up something within you. You will remember this week***

that I am mining a treasure in you. Therefore, know that when I open up what I open up, it is because there will be an unknown gem that will come forth out of you!"

I want to encourage each of you to present yourselves to the LORD this week so that the diamonds that He has placed within each of us can begin to manifest in a new and brilliant way!

Blessings,
Chuck D. Pierce
