

God Has Provided A Lamb! ***by Daniel and Amber Pierce***

Dear Friends of Israel:

I hope that you have been able to enter into our Passover Celebration at the Global Spheres Center. We have several thousand with us here in Corinth, and many more joining by webcast. There is no charge to join the webcast, so I hope you are finding your time to celebrate the Victory of the Passover Lamb.

Earlier this year Pam and I attended the Youth County Fair here in Denton. We were invited by Golden Triangle Fire Protection. We knew we were to purchase a lamb. This weekend we received all the meat from that slaughtered lamb.

You will want to read the report from Daniel and Amber below. This is their first Passover in Israel, and they have developed a whole new level of understanding for the costly sacrifice that our Lord and Savior, Jesus Christ, made for each of us. What they share is really amazing.

You will also read about the new anointing oil that Amber and Daniel have developed for our Passover Celebration here in Corinth. We will be giving away this "Generation of Promise" anointing oil during our Anointing Service on Saturday night.

Blessings,
Chuck D. Pierce

Our lives won't ever be the same after this Passover! I feel I've been turned upside down with intensity of what the Lord is doing in us. Here's a little history from our week. Last week I was reading in Exodus 12 about the Passover. I felt the scripture jumping out at me and more real than ever before. If you read Exodus 12:17 it says, "*Celebrate the Feast of Unleavened Bread because it was on this very day that I brought your divisions out of Egypt. In the first month you are to eat bread made without yeast, from the evening of the fourteenth day until the evening of the twenty-first day. For seven days no yeast is to be found in your houses. And whoever eats anything with yeast in it must be cut from the community of Israel, whether he is an alien or native-born. Eat nothing made with yeast. Wherever you live, you must eat unleavened*

bread.” We are not held captive to the law, but I felt the Lord really wanted us to honor this request this year.

The Lord is requiring more of us this season because He is equipping us like never before! The scripture above talks about being cut off from Israel, and more than anything we want to be connected to Him, His Plan, and His Land! My mother-in-law, Pam, always says faith takes action, and for Daniel and me, we have walked in those words like never before! We entered in and are honoring a traditional Passover as much as I think we can. In Exodus 12:21, God gives us a command that in modern day times seems impossible. *“Moses summoned all the elders of Israel and said to them, Go at once and select the animals for your families and slaughter the Passover Lamb.”* If you haven’t recently read this, I encourage you to read through Exodus 12-20. It’s amazing and filled with revelation for this time! All of the Miracles that God did for the Israelites, the way He opened the way, and led them with a pillar by night and a cloud by day! Then He parted the Red Sea! The Passover Seder was actually an act of faith. The Israelites still had some time before they were delivered. But my favorite thing that Moses tells the people in Exodus 14:14 as the war intensifies and it looks impossible by natural circumstances that they will cross over is this, ***“Do not be afraid. Stand firm and you will see the deliverance the Lord will bring you today. The Egyptians you see today will never see you again. The Lord will fight for you; you need only to be still.”***

Exodus 12:3-12 tells us that the head of every family was to take a lamb for their household. They were to keep it in their homes for fourteen days, slaughter it and put the blood on their door post. On Wednesday, Daniel went to a Bedouin farm and selected our very precious little lamb.

A Time for the Lamb

We made a bed for him, and fed him apples and lettuce. We fell in love with him and played with him for a short time. He would have made a wonderful pet. He was so innocent. He didn’t

deserve what was in store for him. As hard as it was for us to slaughter that lamb, Daniel cut him at the neck and we watched as his life blood was released. Several believing friends along with some of our Jewish neighbors congregated in the back yard to honor the event and help with the work that followed. I had never seen anything like this but I felt the Lord wanted me to walk through it. The disciples were with Jesus until His final moment and I feel the Lord wanted us to encounter, on even a small level, what it must have been like to lose the One they loved so much! And what a sacrifice of the Father to see His own Son slain. I see so much more clearly how true it is that we are redeemed by the blood of the Lamb. I am now cooking my very first lamb with a family recipe from my wonderful and very missed mother-in-law (Pam).

We are expecting guests from England to spend the night with us and then we will head off to Avner and Rachel Boskey's for a very special large Passover Seder.

You will love the new anointing oil that we have developed for you at Passover! It is called Generation of Promise. The Lord began to speak to me about this oil when Daniel, Lily and, I where close to Sinai! It is filled with the fragrance of Milk, Honey, and Almond. This year you will walk in freedom, promise, and see beyond your circumstances! May you walk out of all captivity and into every promise of God! May you walk in faith and knowledge that God will part your Red Sea.

Chag Sameach and Much Love,

Daniel and Amber Pierce
