

***Being Refined for the Future!
The "OMER" Means to Develop Your Decrees From
Your Mouth, For Your Blessings Ahead!
Decreeing Over You, A State in America, Israel and a
Nation Each Day!***

Dear Counters:

Resurrection Morning A Must Watch! Sunday morning was an incredible demonstration of Christ's resurrection power and authority. We began with over 30 baptisms in the Garden as the Lord opened the heavens to literally rain down on all who went into the baptismal waters. Our Celebration Service was an amazing time of declaring that He is RISEN and that He has OVERCOME, and we ended with the chorus that He's ALIVE! If you were not able to join us, be sure to watch the [replay](#) and raise your praises to One who shed His blood for our redemption and salvation!

Count the Omer and Unlock Your Next Level of Harvest! 50 Days to Refine Your Future!

Biblically, incredible revelation starts pouring in between Passover and Pentecost. This period is the time of "**Counting the Omer**" ... the counting of days between Passover and Pentecost. This counting is intended to remind us of the link between Passover (which commemorates the Exodus), and Pentecost (which commemorates the giving of the Torah). Leviticus 23:15 shares the blessing of counting the *omer*. The time between Passover and Pentecost is a transition time. *Transition means you cross over into the fullness of the new ahead!* The *omer* time is the time of looking at how you will consume your supply and unlock supply for the future. The word *omer* means to form and utter speech! ***During these 50 days, we are refined like fine flour so that we utter the promises of the future without any impurities!***

Be refined! During our Passover Celebration, we heard speaker after speaker exhort us about the new season we have entered. This is our time to watch and war in a new way, and to allow the Lord to develop our identity of whom we are to be. **This is a time to ask the Lord to refine and reform us so that we can present ourselves to Him as an offering at the end of these 50 days.** I believe the Lord is touching our hearts and mouths so we release the words that will help form our destiny. The word *omer* pertains to the utterance of speech. So this time frame is one for speaking into our promise. These 50 days are a time for our mouths to be purified so we speak what is pure. This is also a time of refinement so we purify relationships so our promise can advance. I encourage each of you to speak into the place God is calling you to – Pentecost. Speak everyday to get to Pentecost. By doing so, you are speaking into your refinement.

These 50 days are a turning point for nations and states. We will embrace our destiny and move in the power of what the Lord is calling us to. ***Therefore, for each of the 50 days we will pray for a designated state as well as a nation of your choosing. We will also pray for Israel each day.*** During our first watch last night, we prayed for the State of Alabama, and the nation of Israel.

I want to invite all of you to continue on this 50-day journey to unlock our next level of harvest. We began Sunday night at 6 PM, and will continue meeting through each of the prayer watches in an eight-day cycle. You can see this progression below.

Additionally, we have also included our ***Triumphant Faith Institute*** schedule through Pentecost. As you can see, we will still be meeting Wednesdays at noon for *Exhortation and Deliverance*, as well as at 7 PM for *Teaching and Development*. Find your times to watch for the release of the revelation that will shift us from one dimension of harvest, to another.
