

***Positioned to Press into Healing and
Miracles!
On to the Philippines!***

Dear Saints on the move:

What an incredible weekend! I am so grateful for how the Lord met us during our **Passover Celebration**, and for the revelation, anointing and alignment that took place. Our weekend was historic, and I fully believe we have crossed over into a new place of healing, miracles and Kingdom authority.

Jonathan Cahn helped open our weekend when he shared on the harbingers which are serving to awaken our nation. We are in a season when our eyes must open to the signs the Lord is providing us. On Friday morning, **Judy Jacobs** “rocked the house” as she declared our anointing for worship, warfare and breakthrough!” **Barbara Yoder** then propelled us forward to enter the door to a new era. **Paul Keith Davis** pressed us further into this new dimension as he shared on “A New Unveiling of Jesus to Overturn the Spirit of the Nicolaitans.” **Kyle Searcy** issued a call to holiness when he addressed the “piercing” that must occur to restore righteousness and the power of the Blood of Jesus. On Friday night, **Dutch Sheets** declared at this kairos time we have caught up and entered God’s timing for a new release of healing and miracles.

On Saturday morning, **Peter Wagner** gave a call to renewed intercession for Christian leaders. **David Demian** then helped encapsulate the season we are presently living in with an invitation for each of us to prepare a place for Holy Spirit to rule and reign. **David Schneier** shared on the state of anti-Semitism in France, and released a call for the Body of Christ to particularly stand with Messianic Jews. **Robert Heidler** concluded the day by teaching on the power of the Blood of Jesus as our Passover Lamb.

Sunday morning was amazing. Nearly 1,000 of us started our day outside near the Gardens with a Resurrection Sunday Sunrise Service. Many times our vision is shifted at the breaking of the day. I shared on how Jesus' resurrection forced many to see in a new way and embrace hope where none seemed possible. Finally, I loved Robert's message during our 9 AM service on how Passover is fulfilled in the book of Revelation. Many do not understand that when we celebrate the Lamb who was slain to redeem us by His blood, that is a celebration of Passover! If you were not able to join us, you can watch the [webcast replay](#) of that message through Wednesday evening.

Many of you will want to order the entire conference set. Through the end of April, the special price is **\$50** for CD sets and **\$75** for DVD sets (regularly \$60 and \$85, respectively).

Beginning this Thursday, we will offer a free webcast replay of the sessions. In a separate email, we will send the details on the dates each replay will be available. The one exception is that we will not be replaying Jonathan Cahn's session due to recording limitations associated with another production of his message.

On to the Philippines!

When you receive this email, I will already be enroute to the Philippines. I have been asked to minister at the [23rd National Prayer Gathering of the Intercessors for the Philippines](#) organized by the Intercessors for the Philippines (IFP). Thousands will be gathering in Manila this week, and I am honored to be one of those speaking. The theme of the gathering is based out of Isaiah 40:3-5, "**Prepare the way of the Lord!**" Joining me are Chad Foxworth, Anne Tate, Sheryl Price and Allen Faubion. I find it amazing that Peter was here to send us out yesterday morning. As he prayed to send us out he shared,

*"I thank You for what You have done in the past in the Philippines. I thank You, Lord, that You have signaled new seasons, that You have signaled the advance of Your Kingdom, and now I say that this will happen another time; this will happen another time ... not to go back to the past, but to go back to the future. And I say that **apostolic government will move throughout the***

prayer movement in the Philippines and other parts of the world where it is reached, the apostolic government that is represented by this group here, and by others who will participate. I ask, Lord, that You will open the gates, that You will tear down any opposition, and that You will put Your apostles, prophets, evangelist, pastors and teachers in place all with proper alignment, so that the power of prayer that we have enjoyed in the past will seem trivial compared to the power of prayer which will now be released. Amen.”

Marty Cassady followed Peter to share what she was hearing the Lord say over our team:

“And the Lord says to this team that I am sending you in, yes I’m sending you in with the old and with the new. But as you walk in, you have such an anointing that you are carrying that even as the old begins to see the new, that they will fall on their knees as if they were being reborn. I am loosing this day a new anointing over this earth, a new anointing of prayer and of deliverance, and of healing and of miracles and you will wear it; you will wear it.”

In addition to praying for our health and safety on this trip, declare that an apostolic government will move throughout the prayer movement in the Philippines and a new anointing of deliverance, healing and miracles would rest on the Body of Christ. Tuesday Night Prayer to Prepare the Way in the Philippines

Prior to leaving on this international trip I knew the Spirit of God was calling for a team to gather and pray at the Global Spheres Center before I would actually begin ministering in the Philippines. I have asked Janice Swinney to lead a time of Kingdom Release for the nations, with a focus on the Philippines, tonight (Tuesday) at 6 PM (CDT). Everyone is welcome to join this time of declaration and decree in the upstairs of the Prayer Tower. If you are not able to join this group onsite, you can join by live webcast or via the webcast replay which will be available through Saturday evening.

No Thursday Night “Receiving Power to Build and Advance”

We will NOT be meeting this Thursday night for Receiving Power to Build and Advance. During this time between Passover and Pentecost, we are seeking the Lord on when to gather corporately, and how to prepare for Pentecost. However, remember that we are offering selected replays from our Passover Celebration from this Thursday through Pentecost. So every Thursday night you can still gather together in your homes or meeting locations to watch a key webcast. More details on these replays will be provided later this week.

Blessings,

Chuck D. Pierce
