## *Count the Omer and Move into Victory!*

May 13, 2011

*Dear Prospering Saints:*

Incredible revelation starts pouring in between Passover and Pentecost. This time is called ***“The Time of Counting the Omer”***. Omer literally means sheaf. Leviticus 23:15 says that it is a blessing to count the *omer*. The time between Passover and Pentecost is a transition time. *Transition means you cross over*. The *omer* time is the time of looking at how you will consume your supply and unlock supply for the future. This is an important period of growth and introspection. We must review all revelation from the past season and the way we operated in supply in our last season.

The people were freed from Egypt so that they could receive the Torah. A major reason of this season is to show your desire for revelation from God to come alive in you. If you enter into this time of *“counting the omer”* you will press in to new revelation. *(I am not suggesting you legalistically do anything, but rather meditate on the concept of supply and revelation at this time.)*

The first thing you do in counting the omer is stop, review your blessings, and then bless God! Get to know Him. See the fullness of who He is through His Son who was sent to redeem us. Secondly, the seven weeks associated with counting the omer are meant to press you into spiritual improvement, new relationships, new respect, spiritual correction and restoration from the mistakes of the past, and the development of a triumphant mindset for the entire season ahead. Initially I had thought to send you a daily process on how to do this, but realized that many people get into legalistic formulations and miss the point of why we do something.

**Continue to pray for Alabama.** Last week I participated in a conference call with 20 key leaders that was hosted by Apostle Kyle Searcy. They are moving in unprecedented unity in this time of restoration and grief. Their response is producing a Kingdom model. Here is a good example of counting the omer: we regularly go back through all of our prophetic words. My assistant, Brian Kooiman, found that on December 31, 2010 I had prophesied regarding Huntsville, Alabama. I saw the heavens coming down into the earth realm and rearranging Alabama, and prophesied: ***“Huntsville, Alabama, you will be rearranged!”*** I had focused my prayers from Huntsville. As you know, when God gave me a vision of the Triumphant Reserve He showed me three states that would lead as models for our nation: Arizona, Alabama and Alaska.

### **This is Harvest Time!**

We are in a harvest season as we move from Passover to Pentecost. I am greatly looking forward to our Pentecost Celebration at the Global Spheres Center on June 9-12. You will be able to join us in “the Tabernacle”, participate in dedicating the Prayer Tower, and walk through the Israel Prayer Garden. Pam just sent me the latest pictures from the Garden. Look at these pictures of the **Threshing Floor** in the Reuben section of the Garden! There will be a structure that can support a hoopa over this threshing floor and where weddings can occur. You will be amazed when you come and visit to see the progress in the Garden as well as the Building.

If you have yet to register for the [Pentecost Celebration](http://www.gloryofzion.org), do so today. *There is no cost to attend but we need everyone to register since space may fill up.* Go to [www.gloryofzion.org](http://www.gloryofzion.org) or call **1-888-965-1099** or **1-940-382-7231** to sign up today. If you are joining us by the web, you will register when you sign in to the free live webcast.

### **Wednesday Night's Center for Advancement Class: Understanding the Angelic Highway!**

After our services on Sunday, we knew that we needed to teach on the agreement that is needed between Heaven and Earth, and how partnering with the Lord's angelic army opens the way before us. Just over a week ago, the Spirit of the Lord began to stir and I began to prophecy: *“I have a holy array but you are used to one type of cadence and I have another type of cadence. When you come into this order that I am bringing into the earth now, you will move in*

*a way that the military of the earth does not understand. You'll move in a way that nations have to come into alignment. You'll move in a way that causes hidden supply to rise to the surface. You'll move your feet with a different beat and in that movement **I will create new highways.***"

Anne Tate continued: "We are moving into a time when there is a new river of timing as we move from the now time to the now time. In generations past we have moved according to what the church has said, but this is a time when you will apprehend the now moment and begin to move in that. **The angelic highway is connected to the now moment.** As you do that you intersect with the angelic on your way. Other nations will look and say, 'What is it they know? What are they predicting? As they are moving, how are they moving in such an array with everything flowing?' The Lord says, 'This is a river of time I am sending!'"

We want to see the angelic highway established so that Heaven and Earth can connect in a way to establish the Lord's plans. Consequently, **Robert Heidler** and I ministered last night on **Understanding the Angelic Army**. This class is now available on webcast replay, and there is **no cost** to participate. Just go to our website and watch this class any time through May 31.

Blessings,  
*Chuck D. Pierce*

*by Chuck Pierce, Tim Sheets, Marty Cassady, Robert Heidler*

If we are to pray in new ways that allow the Court of Heaven to bring righteousness and justice into the earth realm, then it's vital we learn to cooperate with the hosts of Heaven and God's Kingdom Government. This gathering was an incredible time of bringing heaven and earth together, and welcoming the Host of Heaven to come and administrate the Lord's plans and purposes! Chuck Pierce and Robert Heidler were joined by Tim Sheets and Marty Cassady. The sessions covered:

- Planting the Heavens
- Lift up Your Eyes and Look Again to Engage the Captain of Hosts and His Armies
- Angels and their Job Descriptions
- Bringing the Atmosphere of Heaven into Our Midst
- The Government of Angels

Also included in this set are Robert Heidler's message on "Receiving the Anointing", the Firstfruits blessings associated with the month of Cheshvan that Chuck released during our Firstfruits Celebration, and both Sunday messages. **The Angel Network: Loosing the "Heir" Force** *by Tim Sheets*

The Lord spoke these words to Tim Sheets: "Loose my Heir Force." The words were bold, clear, and enlightening. The Holy Spirit was giving a key to the church's success locally, regionally, and around the world. Angels are divine warriors sent to minister to God's heirs. They are the Lord's hosts organized, mobilized, and anointed to implement God's plan in our times. The Angel Network is an assignment to restore lost harvest and to bring in new harvest to the church. The best days in church history are before us.
