

Rare Message for ALL Women (and Men)! Crow Nation in Montana This Week!

Tuesday, May 15, 2012

Dear Kingdom Advancers:

We have not received as many comments from a message in quite some time as we did from Sunday's message on "A NOW Time for Women to Arise!" I would suggest you get this message. Through Wednesday evening you can watch the [webcast replay](#). After this time it will be available on DVD or CD to purchase. This is a rare message about women. However, this is the true Biblical view of women.

Ministering to the Crow Nation in Billings, Montana

This week I have the distinct honor to minister in Billings, Montana at the request of Chairman Cedric Black Eagle and Audrey Black Eagle, along with my parents who adopted me into the Crow Nation, Shirleen and Gilbert Glenn. I always look forward to the time when the Lord orders my steps to be there. The last time I was in Montana was in 2009. This morning I will be flying to Billings to join a large gathering at the Holiday Inn Convention Center that everyone in the region is welcome to attend. I will be ministering Tonight as well as Wednesday morning. Please pray for a restorative breakthrough in the Crow Nation and throughout all our Host People. For more information call (406) 623-0034.

Blessings,
Chuck D. Pierce

Key Resources to Help You Understand Our Call in this Hour!

[May Your Land Rejoice: Understanding Your Relationship with Land and Place!](#) by *Chuck D. Pierce, Pam Pierce, Robert Heidler and Linda Heidler*

In today's high tech culture, many do not have an understanding of how Heaven and Earth are connected. However, there is a Heavenly blueprint which can impact the land and cause it to come into a greater measure of fullness. We set aside a day to pursue a deeper understanding of our relationship with the land, and the Lord powerfully wove together the four teachings in this set.

Robert Heidler developed the spiritual significance of the land, and provided clear examples of how our actions (good and bad) affect the land we live upon.

Pam Pierce, with her background as a Master Gardener, taught us about the relationship of our bodies and land, and how our shalom and wholeness is dependent on our relationship with the land.

Linda Heidler shared wonderful insight on the Tribe of Asher, and how the fullness of their redemptive identity was tied to and expressed through the land yielding its increase.

Chuck Pierce showed the relation between God, Torah, land and man, and how God's government in the heavens can overcome the generational iniquity in the land and establish His Kingdom rule and reign in the earth realm.

This Center for Advancement course is certain to become a foundational teaching you will want to listen to again and again.

[Women Advancing and Men Warring](#) by *Chuck & Pam Pierce, Karen Vaughn, Timmerle Kelly, and Alemu Beeftu*

We have entered a season when we must learn to advance and war for our inheritance. Each of us have gifts that must come into a new dimension of fullness for the Lord's Kingdom to be established. If we are to become all who we are destined to be in this season, then we must develop an overcoming mindset.

This Center for Advancement course will help you gain an understanding of how to war and advance. We must go to a new place of worship and faith so that we move into the next level of provision and prophetic revelation. Three key things we must understand in this process are the Garden, the War, and the Triumph we can presently possess. The sessions for this course are:

The Garden! (*Chuck and Pam Pierce*)

Kingdom Life: The Bottom Line! (*Karen Vaughn*)

Overcoming! (*Timmerle Kelly*)

Biblical Leadership to Conquer and Possess! (*Alemu Beeftu*)

Three additional messages are also included in this set:

“Pull up Old Roots and Receive New Roots for the Future” (Deborah DeGar)

“Men Warring” (Linus Vaughn)

“The Wars of the King: A Time to War in the Spirit” (Robert Heidler)

SPECIAL: \$30 (regularly \$40) for CD or DVD set

Women Warriors: Unveiling the Strength of Women by *Negiel Bigpond*

Women are vital to the success of the church, but what is right? What is scriptural? Negiel Bigpond shares his colorful, life-changing experiences with the amazing women warriors who have helped to shape his life and ministry. Telling his story from the rich spiritual perspective and unique understanding of a Native American Christian, he also shows simply and clearly what the Bible says about the roles women play in the church.
