

***Be ILLUMINATED By His Spirit!  
Don't Miss Sunday!  
Testimonies Are Coming In from Everywhere  
Concerning 5:15 Movement!  
Don't Miss Anthem!***

Friday, May 16, 2014

*Dear Askers, Seekers and Knockers:*

In a year of the “door”, we always want the Lord to develop our vision and understanding so we clearly see the opportunities He has for us. Matthew 7:7 says, “**ASK** and it will be given to you! **SEEK** and you will find! **KNOCK** and it will be opened to you!” On Sunday morning, **Robert Heidler** will be teaching on **Receiving Illumination: God Wants You to See!** When the eyes of our understanding are enlightened, we know the hope of His calling, the riches of the glory of His inheritance in the saints, and what is the exceeding greatness of His power toward us who believe. If you cannot join us Sunday morning, you will also be able to watch the webcast replay next week.

**ANTHEM ... This Saturday Night at 7 PM!**

***Micah and Lisa Bailey to share on Fighting for Your Promises!*** Tomorrow night will be our next-generation led Anthem Gathering. Everyone, regardless of their age, is invited to come and enter in to support the generations with a night of worship, drama presentations, and special guest speakers, ***Micah and Lisa Bailey***. Most of you know Micah from our GZI Worship Team, and Lisa as one of our Children’s Pastors. They will be sharing on “**Fighting for Promise and Knowing You Are Created for Success!**” The Anthem is a monthly gathering from 7-9 PM led by our young people, but there is no age limit on who can attend. If you cannot join us onsite, you can watch by live webcast or webcast replay.

### **Release the Arrows!**

So many of you have been tracking with our 5:15 AM Movement. After watching the webcast this morning, **Dwight Shipman** sent the following report: *I have been in the 5:15 AM prayers every morning and will continue until the end. Here in the Bartlesville, Oklahoma area, I have sensed a release of freedom of worship. Today as the arrows were being released, I was reminded of Oklahoma's license plate with the Native Indian shooting an arrow into the sky for rain.*

*Lord, as the sign of our tag is the shooting of the arrow into the atmosphere, I declare that the arrow being released in Oklahoma is for the Indian Nation and all that you have waiting for them. Father, let this arrow bring the "reign" of your presence over all the Indian Tribes of Oklahoma and let it pierce the darkness as an arrow of fire and let the shadow of your Glory hover over them. Also I heard this phrase come forth: "Yes, my eye is on the sparrow, but it also is on the 'arrow.' Just as the sparrow takes flight and I see it, I also noticed the arrows released at the 5:15 prayer this morning take flight."*

### **Kathy Jordan's Comments on the 5:15 Movement and Iraq**

*On Saturday morning, I felt a pause, or Selah, in my spirit and heard Holy Spirit's confirmation, "The clutch has engaged." That same day, Dutch Sheets was awakened at 5:15 am and heard that a new movement had begun. In response to this word, Chuck Pierce initiated a 5:15 am weekday watch from now until Pentecost called "The 5:15 Movement". I've been joining this via webcast each morning. Here are a few pieces of revelation I took note of that I think will encourage us as we watch the accelerating events surrounding the revaluation of the Iraqi Dinar.*

- \* The Spirit of the Lord is hovering over the chaos.*
- \* A vision of spotlights flashing across the sky--there is coming an announcement of a Grand Opening.*
- \* Light is illuminating and penetrating the deepest darkness so that what has been hidden is now visible.*
- \* This is a day of separation, and light and darkness will no longer mingle.*
- \* Governments will align--on earth as it is in heaven.*
- \* Whatever has been formidable and impenetrable before you will fall.*

- \* *There are breaches being created over the Middle East--prisoners there are being set free.*
- \* *Be faithful in your walk and watch the walls of your Jericho fall! Abundant Blessings!*

### **Going Beyond! Waling in Dominion and Oneness!**

Earlier this week, **James Vincent** was in the Garden here and experienced a “beyond” moment of communicating with creation. He posted this on his FB account, and also gave us liberty to share it here:

*“I was working in the vineyard, and for the past week, there has been a killdeer brooding over a nest of four eggs in one of the grapevine rows. Every time I get within 30 or 40 feet, she begins ‘screaming’ at and running towards me, then (as is their defense mechanism) her mate walks around as though he is injured in order to divert my attention to him. They fly away if I get too close. This has been going on since early last week.*

*This morning, the same thing happened, and as I stood about 12 feet away from the bird, I said to her, ‘Look, I’m not here to harm you. As a matter of fact, as long as I am around, I will do what I can to protect you and your eggs. Now, sit back down on your eggs if you understand me.’ Straightaway, she turned and sat back down. Then her mate came and started walking around like he was injured, and I said, ‘I just told your mate that you don’t have to do that. You can trust me.’*

*I continued to work, and the bird stopped screaming, the mate stopped ‘fronting’, and I even got as close as about 5 feet or so away from the nest without reaction! God really has given us the ability to supernaturally communicate beyond what is typical. Step into it in this hour! What’s your ‘beyond’ story this morning?”*

### **Foot Rejuvenated! Healing Testimony!**

What a joy to receive this email from Kimberly in Solana Beach, California earlier this week. Allow her testimony to produce faith in you today!

“I was preparing for the Prayer Rooms I volunteer at by watching the Firstfruits Celebration for Iyar on the Webcast Replay. (Thank You, Thank You, Thank You for those!) Towards the end of the teaching, Robert started praying for healing for those at Glory of Zion and for us on the web. He said, ‘There’s someone with issues with the right foot ... issues with the bones near the left side of the right foot ... something that is not aligned right, something that is causing pain.’

The Lord spoke to me quickly and said, ‘THIS ONE’S FOR YOU!’ Suddenly, what I can only describe as a bolt of fire entered my body so fast! It came through the top of my head and shot through my body into the left side of my right foot where I have (had?) two screws and have been in pain for years. I have been unable to squat, kneel or move in any way that requires bending my big toe and the first toe. They were as wood!

I can report that the pain stopped immediately! I began rising up and down on my toes and they bend! Thank You, Lord, for this healing miracle! I will use it to more fully worship you through movement. Yay God!!! I’m squealing with joy! Thank you Jesus!!!

Thank you, Robert Heidler, for being used so mightily of the LORD. I will continue to pray for *your* complete healing, in Jesus Name. Please thank Linda for her excellent teaching on Wednesday Night and thank you, Chuck, for your loving prophetic word and leadership as you more than equip the saints for Kingdom advancement. I am ever grateful for all the teaching, impartations, anointings, warnings and everything you so faithfully release to us.”
