

***Getting Established in Jerusalem!  
Celebrate Shavuot!***  
*An Update from Daniel and Amber Pierce*

May 18, 2013

*Dear Friends of Israel:*

Daniel and Amber have safely moved to Jerusalem, and are getting established in their new home. Thank you so much for praying for this transition, and for their protection during this time. As you will read below, the Lord always has a wonderful way of moving us forward, and showing His faithfulness in this process.

Just as Daniel and Amber are entering into this Shavuot (Pentecost) season, I hope each of you are finding your time and place to celebrate. *Pentecost is a time of celebration for the ABUNDANCE of the LORD's PROVISION, a time for the RELEASE of REVELATION, and a time to position ourselves for MULTIPLICATION and INCREASE!*

Tomorrow at the Global Spheres Center, we are hosting Sounds of Supply! This will be a dedicated time of worship that honors the LORD and breaks open the heavens for the release of revelation. There will also be times of teaching and activation by **Robert Heidler** and me. **Jay Swallow** will be joining us to help dedicate our new 8.9 acres adjacent to the Israel Prayer Garden. Our day will end with our Firstfruits Celebration for the Hebraic Month of Sivan. Then, on Sunday morning (May 19), **Dutch Sheets** will be with us to release a Breaker Anointing at our Celebration Service! Pre-registration is now closed, but we encourage you to join us onsite or by webcast when your schedule allows. Go to [www.gloryofzion.org](http://www.gloryofzion.org) for more details. We want the sound of supply to be activated and released within you!

Blessings,  
*Chuck D. Pierce*

We are so blessed to be living in one of the most amazing cities in the world and a place that is so near to God's heart! We are thrilled about every part of our move to Jerusalem for many reasons, and would like to thank all of you who have made our transition here possible. Last Friday night we celebrated our first Shabbat with a young couple from Jerusalem who have become dear friends. The next morning a group of intercessors from California stopped over to connect with us and help dedicate our new home. Several friends from Bee'r Sheva are also staying with us this week to celebrate Shavuot and Pentecost.

It is traditional to eat a dairy menu on Shavuot because we are celebrating the entrance into the land of Milk and Honey. This year we feel like God has truly brought us out of a harder place and into a land of milk and honey. As we look back on our last year in Israel, it becomes clear that the Lord had a reason for our time in the desert and even the war we experienced there. ***Reflect on where you've been over the past year and the trials you have faced, and see how they have strengthened you for the future and caused you to be able to cross over into a greater promise.***

This morning we went for a walk through the German colony near the old city. The weather was beautiful and people were out enjoying the holiday with their families. It was incredible to feel the sense of peace in the city at this time when God poured out His Holy Spirit in the upper room. Our new home is located on the top story overlooking the neighborhood, so I pray that this would become a place of meeting with the Holy Spirit.

When we arrived back to our building, we met some of our neighbors who were having a barbecue. When they saw us walking by, they invited us into their home and offered us food and drinks. We spent the next hour getting to know our new neighbors while Lily played with their children.

We are very excited about this new season in our lives and watching as the Lord draws us closer to Zion. For all of those who have journeyed with us in intercession, pray that the Lord will establish us in Zion and continue to reveal His heart for this city in a whole new way. We look forward to building new relationships and continuing to grow in our call here in Israel.

*For Zion's sake I will not keep silent, for Jerusalem's sake I will not remain quiet, till her vindication shines out like the dawn, her salvation like a blazing torch.*

Isaiah 62:1

Be filled again!!!
