***The Purim Reality Occurred Last Night!
A Revelatory Furnace from Heaven has
Opened!
GOZ-TV Begins Tonight!***

Monday, May 2, 2011

Dear Overcomers:

During Purim we prophesied that a *Purim Reality* would occur. That means something and someone that was set against God's covenant would be exposed and brought to justice. What was prophesied was announced last night when our President shared about Osama Bin Laden. Justice was brought forth! This was a modern day Purim event! (see below). Get the Silent Film DVD "[The Feast](#)" for your children to understand what is happening!

Also, GOZ-TV begins with five segments this week. From Passover to Promise ... Miss Lindy is leading us to victory!

A REVELATORY FURNACE yesterday! The services at Glory of Zion yesterday were simply amazing! The heavens opened above us and revelation was poured out. So much revelation came forward that we all need to listen to the worship, prophecies and messages again and again so we don't miss anything the Lord wanted to share with us. You can purchase the [DVD](#) from the services on our webstore, or through Wednesday night, you can watch the [free webcast replay](#).

Purim to Passover to Pentecost!

The Feast is a funny and heartwarming film adapted from Esther 5-7. This short movie focuses on the conflict between Haman and the Jews which culminates in a high-drama sequence of accusation and betrayal. Done in the style of the Old Hollywood silent films, *The Feast* production is sure to entertain the whole family. The film was shot entirely on location at Glory of Zion, in Denton, TX and features a cast completely composed of talented young people. You can order your copy on our [webstore](#) or by calling 1-888-965-1099 or 1-940-382-7231.

The Heavens Are Opening!

Since Passover, we have experienced almost non-stop rain here in Denton! Apostle Jay Swallow made an apostolic decree and the rain has come. Part of what he shared on Friday, April 22 was:

"We declare this is a day of miracles. We declare we call in the rain! Call in the rain! Put out that fire! We respond to Your notification that this is our responsibility to bring forth the new and the living way. Yahweh! We call upon You. Bring in the clouds. Bring it supernaturally. God we create in our hearts the word. Bring an end to the drought. God we call upon You! Oh God! Oh! Bring it down! We declare this to be so in Yahweh's name. Let it roll, let it rumble from your heart. Agree with me. Thank You Lord, we look for the rain. Get out your umbrellas. The rain is coming!"

Most importantly, revelation has poured forth. Here is a prophecy the Lord released through me and Barbara Wentroble at Passover.

"The skies are changing. Watch the skies. Watch Me ride! I AM bringing revelation for you to say now! This revelation will set the highways of Heaven and Earth in order. Roads now will open that have been closed. That way of yours that was just desolate will now come alive. I am Yah and I am riding and bringing the sound of heaven along the lines of the earth. You are on my circuit this hour. Let Me ride in triumph.

"When I come down and bring revelation, how and where you've been standing will shift. In the last season many of My children have stumbled, and many have gotten sideways. Many of you actually limped into the new season. But now I am building My platform for this season. You will rest in a new way as you war. Don't let the war from the past season keep you from entering into the war of the new season! This war that is ahead and the war that you've crossed into---there is a rest to be found.

"This shall be a season not just as in the days of My prophets. They were those who had revelation of that that had not yet come into existence. Not only will you have revelation, but this shall be the hour of demonstration. I will cause a people to arise in this hour who will not just know the Word of the Lord and the will of the Lord, but they shall demonstrate it in power and authority in this earth. Out of that demonstration will come such a manifestation of My Kingdom.

“This is a time that I would cause My Kingdom to advance throughout the earth. That that the prophets saw in days of old, that that they only tasted of, of the ages to come, the age of My Kingdom has come. Rise up in this hour. Do not just receive My revelation but be a demonstration of that that I have longed to see in the earth. Know that there shall be a mighty manifestation of My Kingdom. My army shall advance My Kingdom in this hour. Arise and shine for the glory of the Lord has risen upon you for this season!”

Blessings,
Chuck D. Pierce

[Removing the Veil of Deception](#) by Barbara Wentroble

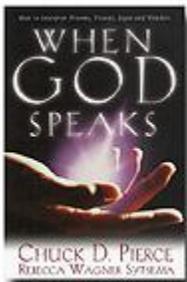

Unbelievers are susceptible to Satan's deception. But are Christians being deceived as well? The answer, all too often, is yes. Many are swayed by scripturally unsound teachings, false prophecies and unholy supernatural manifestations. Using biblical and modern-day examples, Barbara Wentroble shows you how to identify the subtle deceptions Satan employs and helps you steer clear so you can walk in purity in the presence and power of God. With keen insight she explains how to:

- protect your mind from deception
- biblically judge prophecies and manifestations
- find healing from past traumas that have left you vulnerable to enemy attack
- break free from deception
- and much more

Also available in [Spanish](#) (\$10) and [Portuguese](#) (\$10)

This is a great book which condenses much of the teaching in larger books. Learn how the Lord continues to speak to us today, and how we can receive the revelation He is desiring to release to us. This book includes chapters on how to receive, test and respond to your prophetic word, how to walk in revelation and how to hear and interpret dreams and visions. There is also an appendix on dreams and symbols.
