

The Reality of Israel Today: Let Worship Arise!

Friday, May 20, 2016

Dear Friends of Israel:

Thank you for your continued prayer for Daniel and Amber and the work they are doing in Israel. Their most recent *RISE AS ONE* Worship Gathering was amazing. If you have not been able to watch the webcast replay, you will want to do so. By reading below, you can also see the exciting news about how we are developing Glory of Zion in Israel! This is a major step forward that will release blessing back to all of us. Finally, please keep Amber's family in your prayers. The concern for her mother's health is leading them to return to the States next Tuesday.

Blessings,

Chuck D. Pierce

Shalom Glory of Zion Family,

We appreciate all of your prayers for us and the peace of Jerusalem. We want to make sure that you know that our most recent RISE AS ONE worship gathering is ready for you to join in through www.gloryofzion.org You can also click [HERE](#) to watch it.

Update on Jerusalem

Over the past month many things have happened very near to our home. Four weeks ago, a bus exploded just one street over from our home. Last week, two elderly women were stabbed just one street from our home and at the same location that we hosted our last worship event. Then, a few days ago, another stabbing occurred on the same street as our children's school. God's grace has been great in our area and no fear has come on us. Please heighten your prayers for God's people in Israel as we move into summer.

Establishing Glory of Zion – Israel

This month, much is being accomplished as we move into a new phase that will benefit Israel and all of you. We are in the beginning stages of establishing Glory of Zion in Israel. This week

we had the pleasure of hosting 100 people in our home. We are also enjoying visiting with several groups from around the world, and will continue to do so over the days to come.

Family Trip to America

Our family had originally planned a summer trip to the States at the end of July. My (Amber's) mother has been battling Multiple Sclerosis for 28 years, and just become very ill. She is now in ICU with septic shock and heart failure. Please pray for a miracle for her to recover quickly. With this being a priority for our family, we will be flying to Texas early Tuesday morning and spending the summer there.

God spoke to me as so many things changed very quickly. Remember that when everything seems to be falling apart, God is just reordering your steps. Nothing takes Him by surprise. I know that many of you are going through very sudden changes. Doors are opening and closing very quickly. However, always remember that something greater and beyond what we can ask or imagine is on the other side.

We invite you to follow our Facebook page for family photos and short updates.
