Recognizing our Graduates!

One of the blessings of this time of the year is to recognize those who have completed one season and are preparing to launch into a new season of life. This Sunday morning we will be recognizing our high school and college graduates. As Pastor Joseph Pierce shares below, if you are aligned with this ministry and have a child who is graduating (or has recently graduated), please encourage them to let us know about their accomplishment.

Greetings friends and family,

It is that time of year again when we gather to recognize, rejoice and celebrate the accomplishments of our new graduates. We want to congratulate and bless each one for all the hard work that it took to get to this milestone on their individual journeys.

If you are a high school or college graduate or have a family member in your household that is a new graduate please provide us with your information (name, school, and home postal address) so that we can include your name in our graduate recognition.

Pastor Joseph

Blessings,

Chuck D. Pierce
