Tonight at 7 PM!
Historical Times in France - Report Below!***

Tuesday, May 28, 2013

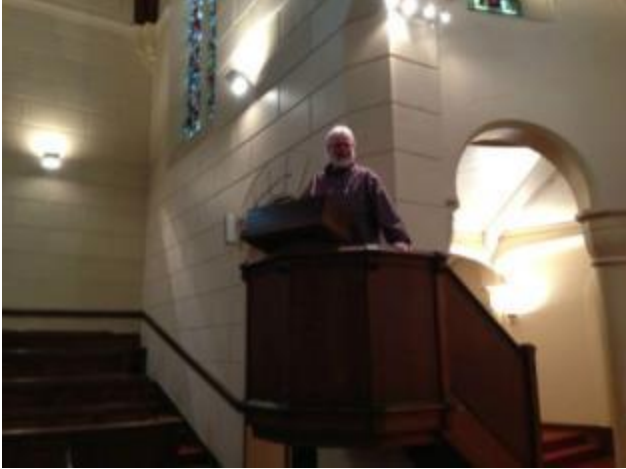

Dear People of Sound and Movement:

I love to see the generations worship. In each generation the Lord places a sound and creativity which uniquely express His worth. Beginning tonight, we will host a special weekly gathering to help you to **Release the Sounds of Worship IN YOU!** Our next generation will be leading these weekly times of worship to provide another opportunity to corporately express our praise for the One who is worthy of all honor and power and riches and glory and blessing. ***We will begin at 7 PM in the Tabernacle and worship for approximately an hour.*** Everyone is welcome to join in the Tabernacle, or by live webcast or [replay](#).

Following this time of worship, everyone is invited to the Shabbat Center for a time of food and fellowship. I have asked Jonathan Dickson to plan a creative time of music, games and fellowship, so everyone is able to enter into a relaxing night of enjoyment. I hope many of you will make plans to join us tonight for both a time of worship from 7 – 8 PM, as well as fellowship afterwards. This will be a great opportunity to invite those in the next generation to enter in!

It's Time for France!

Our meeting in Paris last week had to be one of the most changing times they have had in their history. Only God could have orchestrated this time. On Friday night, when meeting with over 300 leaders, I asked the Lord, "What is your message for France?" And He said, "Look down beside you." We were in an old Reformed Church sitting in pews. Below is a picture of me in the pulpit. On the outside of every pew was an extended seat or offering receptacle. When I looked down beside me there was a watch wedged in between the pew and that seat. The Lord said, "It is My time for France!" I unwedged the watch and held it for a moment.

The amazing thing was when Virginie Viglo began to weep. Her husband, Paul, was the organizer, and was sharing at the time. Through her tears, she began to share how Paul had a dream the previous Saturday night that he had shared with his church. In his dream a watch was found and the Lord began to speak to him that the watch had a missing part. He knew that once the part was put in place, France's destiny would begin to move forward again. After he shared this, I went right up on stage and showed Paul the watch I had found. He then shared his dream with everyone and the Spirit of God fell in that place. We felt like we had tapped into the beginning of France's destiny.

On Saturday there were more than 600 present, and all day long was just amazing. We were led in repentance to renounce the spirit of reasoning and receive the mind of Christ back into France. My message I shared was on the Seven Key Issues to See a Nation Restored. The second point was about the return of Torah (the teaching of the Lord) back into a nation. I showed that the Messiah was the fulfillment of the representation of Torah in all of its fullness. Additionally, I shared that Jesus did not come to do away with the teaching of the law, but to fulfill the law. Furthermore, without embracing Torah in all of its fullness, a land could not rejoice.

The Torah Returns to France

One of the leaders came forward and shared that in the history of France, they removed all Torah scrolls from the nation and burned them in the streets of Paris. Therefore, it was not known of any Torahs being in France. Here was the miracle. That very week one of the rabbis of the key Messianic congregation had been presented a Torah. This Torah was brought to the National Revival Concert on Sunday, and with 3,000 present, Rabbi David Schneier and I went up and presented the Torah back to France. This created ripples through all of the atmosphere of the nation. This was also when Paul Wilbur and a team led us in an incredible two hours of worship that filled the heavens of France.

All during this time demonstrations were going on in the nation of France because of the vote to legalize homosexual marriage. The families of France were rising up to say this is not about homosexuality, but removing the identity of family out of France that had established the nation. The demonstration that occurred during the concert had 225,000 asking for a return to morality in France.

We departed on Monday and I ministered in the third worship symposium in Chicago with Apostle John Abercrombie. This gathering was just incredible. I am now back in Texas, and cannot thank you enough for your prayers and giving toward this trip.

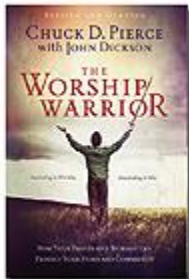

Blessings,

Chuck D. Pierce

[Worship As It Is In Heaven](#) by John Dickson and Chuck D. Pierce

This book will bring you into a place of understanding the Third Heaven so you can walk in the Earth Realm where you live. If you have ever wondered what "Restoring the Tabernacle of David" means, this is a must book. God is enthroned on the praises of His people, and from that throne, He governs the heavens and the earth. When we worship as they do in heaven, we unlock God's purposes for our lives and for the earth. As our worship goes up, God's will comes down. *Worship As It Is In Heaven* is a call for the Body of Christ to rediscover Heaven's pattern of worship instituted in David's tabernacle and renewed through Jesus' apostles in the earliest days of the Church. Through our worship, the forces of darkness are pushed back and righteousness prevails! *Worship As It Is In Heaven* is a call to enter a fullness of worship the world has rarely seen--worship that is the conduit of God's government of peace, justice and holiness on the earth.
