

***Celebrate Firstfruits for Sivan Tonight!
Let Your Testing from the Year Produce a New,
Enlarged Place!***

Friday, May 30, 2014

Dear Celebrating Saints:

I hope many of you can join us this evening at 7 PM as we celebrate the Rosh Chodesh blessing of Sivan. I have really looked forward observing Sivan in the year of the door! This is the month when we celebrate Pentecost and commemorate the Lord's provision. This is also the month associated with the Tribe of Zebulun, known as a *tribe of wealth*. Join us as Robert Heidler teaches on ***"The Hebraic Month of Sivan: Enlarging Your Boundaries in the Month of Pentecost!"*** If you are not able to join us tonight, you will also be able to watch the webcast replay through June 27.

This Sunday: Breaking the Power of Hesitation and Delay!

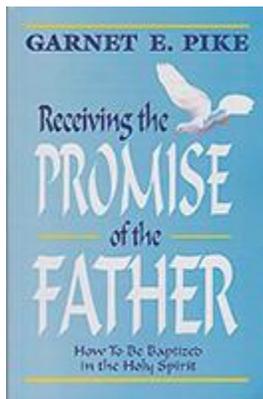

We will continue building on the Firstfruits blessings for this month on Sunday morning, during our Celebration Service at 9 AM. I look forward to sharing on “**Breaking the Power of Hesitation and Delay!**” When we ask the Lord to set our timing, our steps become ordered and we agree with His cycle of blessing. If you are not able to join in this Sunday, the webcast replay will be available through next Saturday.

Graduation Sunday! This Sunday morning we will also be honoring our graduates. This is a great time to encourage them as they begin a new season in their lives!

Blessings,
Chuck D. Pierce

Great Resource for this Season: [Receive the Promise of the Father](#) by Garnet Pike

Pentecost is quickly approaching, and this is a great season to teach on the Holy Spirit and how easy it is to be baptized in the Holy Spirit--it's as easy as getting saved! Bishop A. D. Beacham writes, "The book *Receiving The Promise of the Father: How to be Baptized in the Holy Spirit* is one of the most significant books on the fullness of the Spirit." Many leaders have used it as a text to lead their people into this freedom in the Spirit. We recommend this wonderful book by our dear friend, Dr. Garnet Pike, to empower you during this Pentecost season. **(\$8)**
