*Dear Freedom Seekers:*

I loved to see how the Next Generation is leading us forward in worship on night. The level of anointing and creativity they displayed on Tuesday night during our A Generation Arising service was just amazing. If you were not able to join us on Tuesday night, you can watch the webcast replay through Monday evening by clicking [HERE](#). We will meet again next Tuesday night at 7 PM, so all of you can make plans to join us as we blend the sound of the generations. Click [HERE](#) for a great link of a five minute of video of highlight sessions where our youth are helping lead the way.

**A Time to be Free!**

I am looking forward to ministering this Sunday at our Celebration Service at 9 AM. The Lord has been speaking to me about the one goal He has for each of our lives ... ***to be free in Him!*** We need to set our hearts to do what it takes to be delivered. The freer we become, the more we can steward here in the earth realm, and the more He can entrust to us. I hope many of you can join us for a powerful time of worship and ministry, and for the Lord to quicken His word of truth and freedom in you.

**Ephesians: A Study of Interacting with God's Word at Higher Level!**

On Wednesday at Noon we resumed our Kingdom Force Institute classes in the Prayer Tower. **Linda Heidler** introduced this class on **Ephesians 4** by challenging us to see the Word of God in new ways. As a gifted teacher, Linda's natural approach is to study and dissect the scripture. However, based on dreams she had been having, she shared how the Lord is drawing her into a new approach in seeing the Word and in her relationship to it. She spoke about the levels at which we interact with the Word and God's desire for us to reflect the highest level of interaction, which is not understanding the Word, but living it in fullness. If you were not able to watch this teaching live, you can watch the [webcast replay](#) through next Tuesday evening.

**Travel to Chad!**

This is a whole new adventure. On Sunday morning we will be sending out Allen Faubion and Linus Vaughn to a GSI meeting in Africa coordinated by Apostle Emmanuel Kure. They will be traveling to Chad for a first of its kind meeting in that nation. Look for more details next week.

**Graduation: A Time to Advance!**

One of the great things about this time of the year is to see many in our next generation completing one phase of life and embarking on a new journey of opportunity. We love to

recognize the work they have completed, as well as pray for them to increase in the next season of their lives.

This Sunday, June 2, we will be recognizing our High School and College graduates here during our Celebration Service. We know that many of you connecting by webcast may have a graduate in your home. We would love to celebrate with you during this special time. They are welcome to write me with their *name, address, school and future plans*. They can reply to this email or write me at [chuckp@gloryofzion.org](mailto:chuckp@gloryofzion.org). This will allow us to include them in the recognition of our graduates here at the Global Spheres Center.

**Mark Your Calendars! Firstfruits Celebration for Tammuz on Friday, June 7!**

Next week Friday night at 7 PM we will be hosting our Rosh Chodesh Celebration for Tammuz. *The Hebraic month of Tammuz is a time to be brilliant through worship.* Therefore, we have planned a special, worship-filled evening to celebrate the blessings associated with this month.

Blessings,

*Chuck D. Pierce*
