

## ***Prepare to Receive the Shiloh Anointing Tonight! Daniel and Amber Pierce at Harvest Ministry Training!***

Wednesday, May 7, 2014

*Dear Anointed Ones:*

The Lord is continuing to call us to be followers of His Glory. Robert's message on Sunday was a call to stay in the procession! If you were not able to hear his teaching, you can still watch the [webcast replay](#) through Saturday evening.

### **Harvest Ministry Training Continues Tonight! Daniel and Amber Pierce to Minister on Shiloh!**

This will be Daniel and Amber's last full week here in the United States, before returning to Israel next week. I am pleased that they can share with us tonight at 7 PM on their understanding of the biblical city of Shiloh. This was a key location where the Tabernacle rested for 369 years, where Samuel ministered before the Lord, and where Jacob referenced in a blessing to tribe of Judah: *"The scepter shall not depart from Judah, nor the ruler's staff from between his feet, until Shiloh comes, and to him shall be the obedience of the peoples."* (Gen. 49:10) Tonight they will prepare to loose the Shiloh anointing, so come prepared to receive a new anointing. Beginning at 6 PM, the Arbor will be open for those who would like to purchase snacks or a light dinner.

### **Wednesday Noon Kingdom Force Institute: Transforming Our Minds!**

*Marty Cassidy* has just returned from a month in Israel. Today she will be sharing from her time there and what the Lord has showed her on **"Transforming Our Minds!"** Everyone is invited to join us in the Prayer Tower at noon or by [webcast replay](#) through next Tuesday.

### **More Shaking in the Earth!**

On Monday, there was a major earthquake followed by numerous aftershocks in northern Thailand and Myanmar. Remember the word that came forth during our Passover Celebration on April 18 to watch for shaking within the next three weeks: ***"I am going to send an awakening shake to the last religious structure that will cause the earthly service of limitation to be lifted. When you feel the lifting, when you feel the shake underneath you, know that the atmosphere over you is now lifting. The earthly service of My people is now going to be liberated."*** Below is a portion of a news article which highlights not only the shaking of Buddhist temples, but also the head of a Buddha statue falling. Declare that the heavens are opening over that territory, and that the LORD is shaking down the old structures that are stopping the next move of God.

### ***Earthquake, Aftershocks Rattle Thailand and Myanmar***

*A strong earthquake shook northern Thailand and Myanmar on Monday night, smashing windows, cracking walls and roads and damaging Buddhist temples. The airport in Chiang Rai,*

*a northern Thai city near the epicenter of the 6.0-magnitude temblor, evacuated its terminal, where display signs and pieces of the ceiling fell.*

*A well-known temple in the city, Wat Rongkhun, was closed due to safety concerns after the earthquake. "The spire of the main building came off and the tiles on the roof fell off," Chalermchai Kositpiphat, the artist who built the temple, told Nation TV. "I still don't know how we can sleep tonight. ... It was shaking the whole time and then aftershocks followed four to five times. It was tumbling like the Earth was going to explode."*

*The head of a Buddha statue fell at the Udomwaree Temple in Chiang Rai, according to monk Phra Pathompong.*

*(Associated Press, May 5, 2014; <http://www.nbcnews.com/news/world/earthquake-aftershocks-rattle-thailand-myanmar-n97246>)*

Also, yesterday I was listening to an [earthquake warning](#) for Oklahoma. Mile for mile, there are almost as many earthquakes rattling Oklahoma as California this year. Pray that every religious structure in that state breaks.

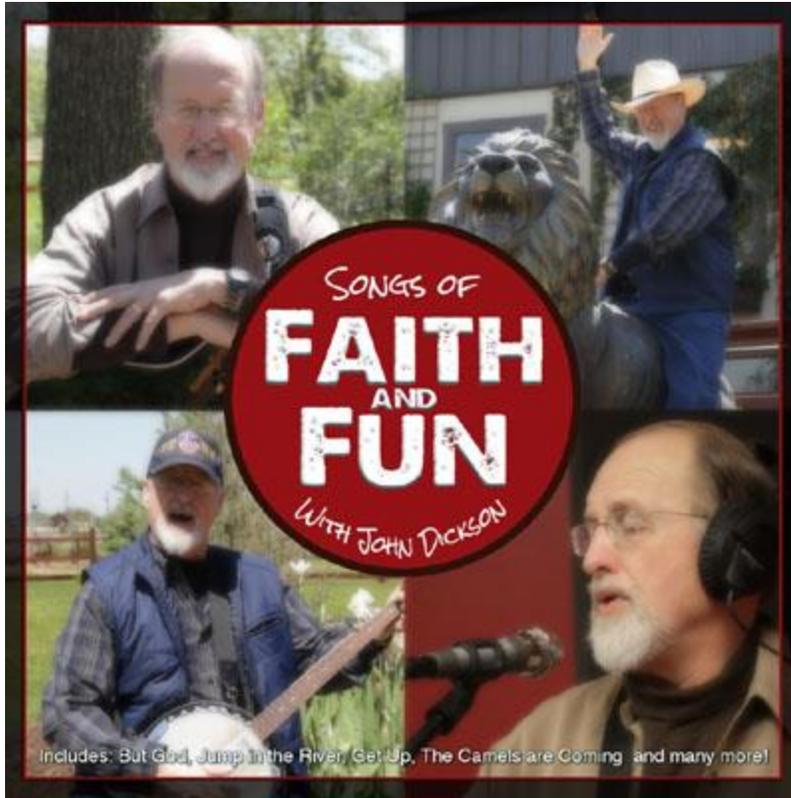

Blessings,

*Chuck D. Pierce*
