## ***Center for Advancement Wednesday Night: Understanding the Angelic Highway!***

May 9, 2011

*Dear Partnering Saints:*

I am just returning from Oklahoma City where I have been with Apostle John Benefiel for a gathering with regional leaders. Last night's meeting as well as this morning's session was amazing. That was also the case for our services at Glory of Zion yesterday morning. The Spirit of God uniquely orchestrated the services and rearranged our schedule. He brought forth revelation through song, tongues, interpretation, prophecy and a dream. The anointing was so strong that we could not resist moving into an extended focus on ministry for those whose seed was not multiplying. If we are to possess our inheritance, we must see that all ties with Mammon are cut and we are loosed to give with childlike faith and joy. If you were not able to join us, you can still watch the [free webcast replay](#) through this Wednesday night.

### **Center for Advancement Class this Wednesday Night! Understanding the Angelic Highway!**

We had been seeking the Lord for our next Center for Advancement Class. In fact, as of Saturday night, we did not believe we would have one until after we moved into the Global Spheres Center in July. However, yesterday morning the Lord made it clear that we needed to provide training on Forming the Angelic Highway. **This Wednesday night at 7:00 PM (CDT) we will be offering a special Center for Advancement course to help us better understand the agreement that is needed between Heaven and Earth, and how partnering with the Lord's angelic army opens the way before us.** Robert Heidler and I will be ministering, and I am hoping many of you will join us. **There is NO COST to attend this month's class!** However, everyone will need to register. For those attending onsite, you can [pre-register online](#) or by calling our office at (940) 382-7231 and asking for Rose. For those who will join us for by [webcast](#), you will register when you sign in for the free live webcast. If you are not able to join us on Wednesday night, we will make the replay available through May 31.

### **Tuesday Morning Prayer with Special Ministry Time to Break the Grip of Fear!**

I loved Janice Swinney's message yesterday morning on overcoming the fear that would hold your faith captive. I believe the Holy Spirit wants us to continue focusing on overcoming fear of tomorrow. At Tuesday Morning Prayer at 6 AM we will pray through issues which hold us in fear. Then following prayer we will have a team available to lay hands on you and anoint you to break the yoke of fear in your life. If you are joining us by [webcast](#), you can write in after Tuesday Morning Prayer with your prayer request for the area you need fear broken from in your

life. Also, we love to hear your testimonies! So if our Tuesday Morning Prayer sets you free from fear, write in and let us know so we can rejoice with you.

### **Wednesday Noon Prayer at the North Gate!**

We want to see each of our resources continue to prosper as we move from Passover to Pentecost. This Wednesday at Noon (CDT), we will be praying on our land along I-35 on the north side of Denton. Keith Pierce will be leading this prayer meeting at our North Gate. Those of you in the region are welcome to join this time of revelation, declaration and calling forth the fullness of God.

[Angels That Gather](#) by Paul Keith Davis

God's Word emphasizes great spiritual activity in the latter-days. Jesus Himself said, "The end-of-the-age is the harvest," and promised to send an angelic host to co-labor with us in the mandate to see Him receive the full measure of His reward. There will be a harvest of promises, commissions, mantles, and a harvest of souls. This book provides a prophetic outline to help access this inheritance.

### **Inviting the Harvest Angels**

This 5 CD set is from our Inviting the Harvest Angels Firstfruits Conference. From the revelation from Apostle John Eckhardt on how angels are related to covenant, to Robert Heidler's incredible teaching on the angelic, to Marty Cassady's testimony and prayer for the hosts of Heaven to join us, we were almost breathless at the level of anointing we

experienced. Chuck Pierce then loosed the blessing of the Hebrew month Tammuz. You will want to listen to this set to shift your understanding to a new dimension of expectation.
