Dear Praying Friends,

I have a couple of goals for us this month. First of all, I think each one of us should celebrate the creation we are. Remember, we are fearfully and wonderfully made by the Creator! Second of all, I feel like we should look at some things that are keeping us from becoming all we are supposed to be. Therefore, we will be having special Wednesday night services on **Becoming Whole: Body, Soul and Spirit. I will kick off this series TONIGHT! (June 13) and look forward to teaching on "The Conscience: The Eye Between the Soul and Spirit".**

Being Whole Causes You to See Victory Over Your Enemies by Carol Boren

Many times I have heard the Lord say that I will see victory over all my enemies. One of the things I catch myself saying a lot is, *"Do things always have to be so difficult?"* Well a few days ago, the Lord spoke to me and said, *"I am the course corrector. Trust Me and allow Me to correct and direct your path. Things do not have to be difficult all the time. You walk in my timing, now gain the strategies to walk smoothly. Watch and see, (as you gain revelation) the enemy fall beneath your feet."*

After writing this in my journal, late Monday night, I felt the Presence of the Lord and I knew I was to spend some time with Him. He had me look at the word above and then said, *"What are the enemies you want to see under your feet?"* So, I began to write down spirits I want defeated in my life:

- *familiar and familial spirits,*
- *robbing spirits of all kinds,*
- *oppression,*
- *anger,*
- *lying and tormenting spirits,*
- *rejection, etc.*

I actually had quite a long list as I continued to search my heart and spirit and just being completely honest with the Lord. Then the Lord had me look at the list, then He said, *"Ok, where do you want to start?"*

Now most people don't know me as a particularly angry person, but I do tend to be easily frustrated sometimes over very small matters. So I decided to start there. The Lord asked me.

"Why are you angry?" I just opened my heart completely to the Lord over bad things that have taken place in my life and things that have hurt me deeply. He then showed me many comparisons that Jesus walked through in His life. He also reminded me that He brought me through the hard times. He reminded me that He knew me before the foundation of the earth, He knit in my mother's womb and brought me forth in the place he need me to be and in His perfect timing. It was a lengthy time with the Lord. I then began to release forgiveness over all the past and asked the Lord, that as I release, for Him to heal the pain and remove the traumas. When we were finished I declared that anger and unforgiveness were under my feet and marked them off my list. I felt lighter and noticed a difference in me the next day.

As we are getting ready to begin a series of teaching on being made whole, I feel like there are some who might like to try this walk with the Lord also to really get free of every thing the enemy is using to hold us back from moving into the fullness of all He created us to do. To really be honest with ourselves and face the enemy of our soul in the Presence of the Lord.

I plan to, step by step, deal with each thing on my list with the help of the Lord.

"Are You Getting Stones? Fish or Snakes: What Are You Catching?" Keith Pierce does Father's Day Service at the Global Spheres Center (June 17, 2012)

This Sunday morning *Keith Pierce* will be ministering at our Celebration Service on *"A Good Father—If You Ask for Bread Will You Get a Stone?"* or *"Am I Catching Snakes or Fish?"* Matthew 7:7-10 is a great passage for Father's Day! If you are getting snakes when you should be getting fish, you are not connected to Father some way. If you are biting into stone rather than eating bread, your communion with Father is not in right order!

Firstfruits Blowout!

Don't forget our big **Firstfruits Blowout** on *Saturday, June 23*. We are planning a special worship-filled evening to celebrate the blessings associated with the Hebraic month of **Tammuz**. **Make plans to join us at the special start time of 6 PM!** We will have an anointing tunnel and activation team!

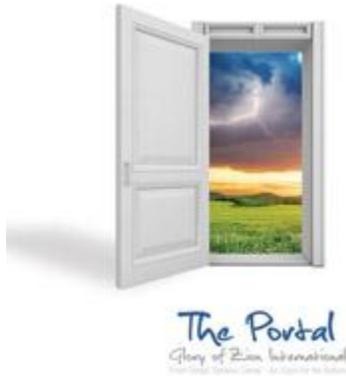

28 Day Focus moves from Rome to Ephesus!

These devotions have been perfect. Encourage new believers or those who need to renew their faith to read these. **"28 Days of Renewing Our Faith for Revival!"** is being written by the next generation to touch our hearts, renew our faith, return us to our First Love, and give us a new passion to seek the Lord. *John Mark Pierce* has begun our journey down the Roman Road and into Revival. You can follow these daily devotions on [Facebook](#) or by clicking [HERE](#). They are awesome... Encourage the next generation to read them.
