

***A Covenant that Celebrates the Culture!
Shifting from the "Big Box" to the "Miracle
Center"!***

Dear Joy-Filled Saints:

Thank you so much for your prayers for Isaac and Celestine's wedding. This was such an incredible experience ... not only for the bride and groom, but for all the family and friends who were able to attend. As you can see below, the ceremony took place outside near the ocean front. The wedding was a beautiful mixture of cultures and was definitely a new experience for all of us from the mainland.

Those of you who are here in Texas will be able to congratulate the newlyweds this Saturday at 5 PM. As part of our *Jump in the Refreshing River Gathering*, we will be hosting a Texas Luau reception to honor Isaac and Celestine. Once we conclude our Saturday afternoon session, we will shift to the Solomon's Porch for a time of food, fellowship, and congratulations. We will have a "money boat" at this reception for those who want to give them cards and blessings.

Shifting from the Big Box to the MIRACLE Center!

As you heard yesterday, our team here has done an incredible job of cleaning out the large central area of the Global Spheres Center. Previously, we had referred to this as the "Big Box." However, that does not begin to convey the restorative purposes the Lord has for that area, and for all we believe will occur there in days ahead. Take a few minutes to watch this video which chronicles what has transpired by clicking [HERE](#). Then for those of you in the region, make plans to join us tomorrow morning at 6 AM for Corporate Prayer in the "Miracle Center!" This will be a time to invite Holy Spirit to prepare that area for the release of signs, wonders, miracles and healings.

If you would like to give to the development of the “Miracle Center,” you can donate [online](#), by calling our office at 1-888-965-1099 or 1-940-382-7231, or by postal mailing your donation to Glory of Zion, PO Box 1601, Denton TX 76202.

You will also want to make sure to watch the [webcast replay](#) of yesterday’s Celebration Service, which was just incredible. The worship, prophetic release, ministry and teaching pressed us to a new place of faith. Barbara Wentroble’s message, “Accelerating the Kingdom through Difficult Days,” broke us into a dimension of healing. In this week, determine that you will make gain momentum and find your place in the river!

Blessings,

Chuck D. Pierce
