

Back in Israel! *An Update from Daniel and Amber Pierce*

Monday, June 25, 2012

Dear Friends of Israel:

We loved having Daniel, Amber and Lily with us in Texas for nearly a month. The Lord supernaturally ordered their time here, and I saw the Lord move on their behalf during their stay. Now, they are safely back in Israel. Read their report to see how the Lord is moving them forward. I always consider them a great example for how the Lord is calling all of us to move forward.

Blessings,
Chuck D. Pierce

After two days of travel, and a short stopover in Spain, our family finely arrived home in Israel. It feels good to be here and settled in one place for the first time in over a month.

On the way back from Texas we took the time to reflect on our recent travels which included eight flights since we left Israel on May 20th. We attended and ministered at the Pentecost Celebration on May 24-27 shortly after arriving in the states. The conference, which took place at the Global Spheres Center, was an incredible experience with the Lord that set the tone for the rest of our trip. We were blessed to meet and connect with many of you as well as spend time with family and close friends. During our session, we gave some of our personal testimonies from living in Israel and took the opportunity to share what God has placed on our hearts for the future. God is raising up a new generation of creative evangelists who carry an anointing that does not look like what we have seen in the past! We look forward to an exciting future.

Here in southern Israel things are back in a state of war. As of our arrival, the most recent conflict escalation with Gaza has been in full swing for a week and shows no signs of slowing down. Most of the 140 artillery rockets fired from Gaza over the last few days have been aimed at the coastal region. The city of Be'er Sheva near our home has been relatively quiet this round. Please continue to pray for the safety of military personnel and for civilians of southern Israel and Gaza.

When our family arrived home, we were met by our next-door neighbors who have become good friends of ours. Knowing that it was Shabbat and that we would not have much food in the house after our long trip, they met us at the door with a bag full of groceries from their own refrigerator. It is incredible to have friends like that, especially after a long flight. Over the next week we will be recovering from jet lag and begin seeking the Lord over our next step here in Israel. We can't wait to see how the Lord will continue to build our testimony and increase our faith in the days to come. May we each fulfill the call that God has over our lives to the fullest extent. May we boast of His glory and never cease to tell our testimony.

Please pray for us. We will continue to work with three key widow and orphans families, and begin to be more interactive with other ministries in Israel whose call is to prayer and ministry. We bless you and thank God for each one of you.
