

## ***New Schedule for June! Becoming Whole: Body, Soul and Spirit!***

Tuesday, June 5, 2012

*Dear Celebrating Saints:*

I'm excited about this month. We want to be better at the end of this month than when we began. As a matter of fact, this is a month to pray for the Bride to be dressed in a glorious garment. We have some wonderful services planned for those of you who gather with us at the Global Spheres Center and for all of you who are with us on the web. You can see that schedule below.

I have a couple of goals for us this month. First of all, I think each one of us should celebrate the creation we are. Remember, we are fearfully and wonderfully made by the Creator! Second of all, I feel like we should look at some things that are keeping us from becoming all we are supposed to be. Therefore, we will be having special Wednesday night services on Becoming Whole: Body, Soul and Spirit. ***I will kick off this series NEXT Wednesday night (June 13) and look forward to teaching on "The Conscience: The Eye Between the Soul and Spirit".***

Robert and Linda Heidler will be ministering this Sunday on "*Are You Ready for your House to be Visited?*" Also, don't forget our big Firstfruits Blowout on Saturday, June 23. We are planning a special worship-filled evening to celebrate the blessings associated with the Hebraic month of Tammuz. Make plans to join us at the special start time of 6 PM!
