

## ***Important Pentecost Prophecy! This Sunday: Manifestations of God!***

Friday, June 6, 2014

*Dear Pentecost Celebrants:*

I am on the road once again. I just finished ministering in Harrisburg, Pennsylvania and am now flying to Phoenix to join David Herzog for their [2014 Pentecost Conference](#). David will be joining us next week for our Pentecost Celebration at the Global Spheres Center. If you have not signed up for our back-to-back gatherings next week of [Apostolic Centers Arising](#) and [Pentecost 5774: Opening the Door to Harvest](#), please be sure to register today!

### **Sunday Celebration Service: Manifestations of God ... When God Breaks into History!**

I fly home tomorrow afternoon so I can be a part of our Celebration Service on Sunday morning. As we continue celebrating the gift of Holy Spirit at Pentecost, I look forward to a dynamic time of worship and revelation. I will be administrating the service, and look forward to hearing **Robert Heidler** teach on **Manifestations of God: When God Breaks in History!** Join us as we invite Holy Spirit to once again break into our lives and fill us with His power!

### **D-Day Remembered ... 70 Years Ago Today**

Even amidst a busy schedule today, I paused to reflect on the significance of D-Day and the bravery and dedication of those who were a part of the Allied landing on the shores of Normandy that opened the door to the deliverance of Europe from Nazi Germany, and the eventual end of World War II. One of our staff members, Ben Windsor, is presently in France with his family to observe and honor those who took part in this initiative where more than 160,000 Allied troops came ashore along a 50-mile stretch of French coastline heavily-fortified by German forces. More than 5,000 Ships and 13,000 aircraft supported the D-Day invasion, and by day's end, the Allies gained a foothold in Continental Europe. The cost in lives on D-Day was high, but changed the course of history. Prophetically, 70 years expresses an end to bondage and a release from captivity. As we remember those who served and gave their lives for freedom 70 years ago today, we decree a new measure of liberation and freedom is coming ashore in Europe.

### **Important Pentecost Prophecy!**

On Wednesday morning we had one of our most catalyzing 5:15 Movement Prayer Meetings. On that Pentecost morning, the Spirit of God "diffused" amongst us. We already shared the prophetic revelation from that gathering in our update on Wednesday, but since it is so critical for this season, I wanted to include it once again. May our ears be open to what the Spirit of God is saying this hour!

---

When we began, we heard the Lord say, ***“This is a day of diffusing my Spirit into My people.”*** To diffuse means to move outward, to spread through or over a wide area, or cause to become widely known. I saw the fathoms of the deep speaking to the deep within us, diffusing times, words, sounds and seasons. The fathoms are speaking of the diffusing coming up and out of us in this season. On Pentecost, the sound from heaven came and diffused. THE THIRD PERSON OF THE TRINITY came into one place and fanned out all over. I see that what we decree here will move over the continents. Holy Spirit will go even to Antarctica and Alaska where ice formed during the ice age. What comes in during this age will refresh and go out again. San Marcos, Texas will have a visitation.

Here is a portion of other prophetic revelation that come forward:

*“I am coming down from Heaven, and I am pulling My rivers together. **My rivers within My people will become one mighty rushing water that begins to spread out into places that they have not touched before.** This is a day of collecting the waters again that I might pour out upon places of the earth that are dry. These waters will begin to overwhelm that which has been so depleted and overwhelmed, and that which has been so separated. These waters will begin to draw together. Where there has been many, they will now become one. Where things need to be drawn together, they will now be drawn together into one place. This is a pulling together of My people that the earth has not seen. Within the movement of the pulling together, I will begin to demonstrate the power of My being that will flood through the doors around the earth, and cause a ground that has been dry, and a people that have been weary, and a people depleted and divided to come into a One New Man.*

***“Fiery trials will make One New Man for the times ahead and the new things I will send you into.*** You will carry a new message of greater works into the nations. This takes the One New Man! You will come into agreements that generations before could not form. This is the time of the greater works. At creation My Spirit hovered, and when I spoke, all of the earth shifted. At Pentecost My Spirit hovered, and when I released My voice, the whole earth shifted. I am hovering again, and the earth will shift at the sound of My voice. There is a whirlwind coming to places in the earth. In this whirlwind is fire! You will be like the three friends of Daniel in the fiery furnace. Where the whirlwind of fire comes, I will visit!

***“The Poles are shifting and My people are being reoriented.*** My people will no longer be oriented by what the world says is up and down, but will have a third heaven orientation. I am ready to draw in people that have yet to be drawn in. I will cause many around to be confused. My glory will fall on those who have not known My glory. Because you have tasted My goodness, you will be tasted by others. Even words that have fallen in crevices throughout the earth will now begin to rise up and manifest - just as Joel prophesied. And in this day of diffusion, that which was prophesied thousands of days before began to manifest.

*“When I enter Asia, the fire of the seven-headed dragon that is ready to blow will be stopped and cooled by the power of My Spirit. The dragon's breath now will grow hot in the earth, but My people will be like a cool drink of water, and those who have never experienced My joy will now be filled with My joy. In China, Japan, Vietnam, Malaysia, Indonesia, I will fall. I will come to Kazakhstan. And Russia will be awakened because I will fall on the people of Asian descent. I*

*am hovering in ways that you have never seen. Singapore now will be realigned in My Spirit. Thailand will have divisions broken down. A Oneness of My Spirit will arise upon the island of Taiwan. The West Coast will know that I am alive. That which has been divided over the centuries will now become one again. I began One New Man and now One New Man will be seen.*

*“I speak to you, Asia. For in the early days you closed the door on My first apostolic move toward you. But this time in this day, this new apostolic move will penetrate! I am standing at the door, and will cause My fire to circle you. I am coming in strength and fire this time!*

***“Only the nations who rise above their religion to embrace the One New Man that I am arising in the earth will be the nations that begin to follow Me and that I bless in new ways. What has been divided, I will heal. Where the power of fornication and adultery has caused My presence to retract from the earth, even there I will heal the breach where you have scattered your seed. Seeds will come back into the rows that I have prepared, through the plowing of My people. Many people have scattered seeds through their division, but now a preparation has come through the plowing of My people, and those seeds will be brought back and My people who have been scattered and divided will become one.***

*“I am beginning to give revelation over ley lines and power lines over nations and continents. I am releasing angels to war along with you and bring revelation over power sources and strong men. You will release decrees, and you will see giants coming down and My glory rising. The world is Mine, and today I am hovering and holding the earth and its nations in My hands. The Father has given them to Me and I am giving them to you as your inheritance. Call out and come into One New Man for the earth is mine.*

*“My dancing hand is coming over the seven continents. My breath is upon the waters. **I am gathering together what will pull the end time portion into place.** Watch My breath on the waters. South America, watch the domain of heaven invading your portion. I am coming into the caves of South America. Malaysia, now arise with the fullness of the Godhead, in the remnant. The seeds that have been strewn are now blossoming up, for such a time as this. The demonstration of My power will cause the Oneness of the cry of Jesus, My Son, to manifest. Each nation will arise, and the ends of the continents will be the diffusers, activated to move us across. Watch My breath and whirlwinds on the waters. Rivers will be rearranged. Waters will flow differently. Many on paths who are headed in one direction will be knocked down and rise up with scales removed from their eyes.”*

We decree the diffusing power of Holy Spirit today. We invite you to have access to those who profess the name of the Lord Jesus Christ. Lord, make us one, diffused with Your power. We invite that which will cause those who have sat at the Gate Beautiful to rise up in a new way. Many have begged, but today there is an interacting of the Spirit of God in the earth with those that are crying out in one accord, that will cause the doors and gates of your present synagogues and churches to change greatly. The doors of the church and the gates will change in such a way that the government will take notice. In nations, in cities, in America, we ask and cry out for a change in the door of your church. From this movement let the doors and the Gate Beautiful that leads into your present places of worship, become demonstrations.
