The Divine Push!
Don't Miss Firstfruits by WEB!
Tammuz—The Lampstand of God is in YOU!
George, the Llama, gives to the Garden!

Friday, July 1, 2011

Dear Triumphant Pressers:

We are pushing over through Phase 1 and beginning the next. *This morning, I was listening to **The Promise** by Aaron and Tiffany Smith!* This line from the title song says: ***“Every PROMISE, the greatest or smallest, is risked if we don't PROTECT it!”*** We are standing, watching, and cultivating what God has given us! Right now, we seem to be standing on the water, with lots of waves, but we are standing!

Your giving has propelled us through to our NOW! One more push and we are there with what we need to complete and fully establish us at the Global Spheres Center. We are close, but not there. Another way of looking at it is that we are way beyond the 90% mark, but we have not fully established our feet in the new land. I have set my face to go across. I am looking forward to new giants for a new season, the challenges of new wars, the establishment of new relationships, and the harvest of a new land.

In another project, we are in the process of fully closing out the liabilities of Global Harvest Ministries (GHM). The only liability remaining is two buildings that belong to GHM. Pray with me for this to be sold or released by the end of July. This must be accomplished by July 29 when we move into the new Global Spheres Center.

Since **we do not have corporate services this weekend**, I want to encourage you to enjoy watching Firstfruits with family or friends, getting before the Lord, and pressing in with your gift that will unlock blessings for the next Phase. ***You may give by calling 1-888-965-1099, or 1-940-382-1166, or going to our secure website to give [online](#). You can also mail a gift to PO Box 1601, Denton TX 76202.***

Firstfruits and Special Services begin Tonight!

I believe you will love this month's Rosh Chodesh Firstfruits celebration. Lindy Heidler and Robert Heidler shared on the significance of this month, and how uncertainty, doubt and fear must not lead us into forming a **“Golden Calf.”** During this time critical time that we live in, ask for angels to guard your mouth so you do not speak an evil report. I shared on the blessings associated with ***Hebraic month of Tammuz***. Robert Heidler taught how idolatry is linked with FEAR and true worship is linked with Faith! This month is a good time to:

- let your eyes be bright so you see your path ahead!
- establish the brilliance of your righteousness and be brilliant through worship.
- look at your life and project progress, and make adjustments.
- shed your old shell and remove insecurities.
- guard your heart and your eyes.
- worship and stay devoted. Wait on the Lord or you will be in danger of developing a golden calf!

Firstfruits Celebration will be available tonight beginning at 7:00 PM (CDT). This is such a critical time frame we have entered that we want to make sure you have the opportunity to watch this gathering several times if you need to. **We will leave the replay available through July 29.**

YOUR GIFT IS SO IMPORTANT!!! We depend on you!!!!!! Thank God that we are free to worship in a nation that was built on freedom. Jesus said, *“We must work while there is still light!”* In the Old Testament we find, *“Five of you will chase a hundred, and a hundred of you will chase ten thousand! All your enemies will fall beneath the blows of your weapons. How could one chase a thousand, and two put ten thousand to flight, unless their Rock had sold them, and the LORD had given them up?”* (Deut. 32:30, Lev. 26:8) By you rising up and being a part of what we are doing we are multiplying our efforts to overcome the enemy’s plan.

Please pray with me!

Wednesday morning I was filled with anxiety. By 3:00 AM, I was seeking the Lord on how to advance. He spoke to me and said, *“I said, COME, and you came! Now you must decide whether you stay floating, how you return to the boat which is moving, and what state you are in when you reach the other side!”* I immediately knew that He was talking about the situation with Peter. When the disciples were travelling to the other side of the lake, Peter got out of the boat at the Lord’s command, but sank when he saw the circumstance of the storm raging around him. However, I don’t think he had to sink under the circumstances. So, I am enlisting you to pray for me so I do not “sink” in the circumstances that surround this key time of advancement.

WATCH for SIGNS!

I am watching for signs. One of the things that was lost during the World Prayer Center’s (WPC) demise was the Native American flags that were presented to us. Jean Steffenson went back, recovered all of those flags, and sent them to us to be placed in the new Global Spheres Center Prayer Tower. This will reverse the dishonor that occurred when these flags were no longer honored on the land of the WPC. God is helping us recover all. Pray with us.

Here is another sign. As many of you know, we print Thank You Letters and pray over each gift given to this ministry. We were beginning that process earlier this week. You have been so wonderful in pressing us forward into this new season, as well as our new place. As Lori Kooiman prepared to print the Thank You Letters two days ago, she found we had no boxes of paper in the office and less than a ream of paper left in the copier. The Lord spoke to her and

said, *“Start with what you have. By the time you have finished using what you have, new supply will be here.”* When the last sheet of paper was being printed, a courier with a box of paper walked into our offices. The Lord is faithful to send our supply the moment we need it!

Penny Pierce went to get a lock box with a slot for people to use as they walk through the Garden. When she explained at Home Depot the need she had and what it was to be used for, the fellow helping her asked if this was for The Israel Prayer Garden! He said that he and his wife attend by web, and he works in prison ministry on weekend, and was planning on visiting the Garden this weekend! WOW!

Israel Prayer Garden Update

A great deal of work continues to happen in the Israel Prayer Garden. Although plants are not going in, another bridge has gone in and the gate to the Field of the Gentiles has also been completed. Watch the [latest video update](#) from Pam Pierce to see the latest. This week we also began turning over the compost pile (see pics below). One of Pam’s focuses is that in God’s economy, there is no waste. Composting is a key part of effectively using the resources we have been given. George, Peter and Doris Wagner’s llama, is a major contributor! Also have Peter’s llama picture (which John has).

The Sound of the Shofar!

Last Sunday was a powerful time when the Spirit of God moved powerfully. Do not forget what Allen Faubion exhorted: that you are a shofar with a sound of heaven within you! This morning, I asked Allen to release a shofar sound for the movement of finances. This is the sound he blew: [THE GARDEN](#). The Lord spoke it to Allen Thursday morning as he awakened. The Lord called it "The Garden." The sequence has seven steps in it. Each step has two parts--the first part is the glory of his presence; the second part is the sound of his glory, set and established.

[Tuesday Night Prayer Watches!](#)

First of all, let me instruct you to listen to the [Tuesday Night Prayer Watches](#). Those are available on our website as replays until next Monday. The word “*instruct*” is the correct word, because that is what the Lord did when He visited the Seven Churches in Revelation. He instructed them to listen to what the “Spirit” was saying so they could overcome in the future. **Read Revelation 1-4.** When you pray for Israel, the revelation being released through your spirit regarding Israel is the same covenant war that you are being confronted with in your personal life. There is one covenant war! This war begins with God’s covenant land and people, and then extends to all of us who are grafted into that covenant. Also, I want you to look at the letters we sent out to the Israel Prayer List this week. (These are available on our website in the Israel Prayer Updates section of our “[Recent Communications](#)”.) Daniel and Amber’s letter produces faith to press past a barren place. Martin and Norma Sarvis’ update explains what is occurring in Israel. A new flotilla has formed to infiltrate Israel. There is a great effort in the works to entangle Israel if they attempt to stop the enemy infiltration. I feel the enemy attempting to do the same thing here.

Go to www.mightshofar.com to learn more about the applications Allen has developed so you can release the sound of the shofar on your phone or I-Pad.

A KEY PROPHECY!!!! (Chuck Pierce and Karen Vaughn) Your Thoughts Will Contend with My Sound!

“Many of your thoughts have been contending with Me. I am going to spill an understanding of Me into your thoughts. As I spill this understanding into your thoughts that are conformed to this world, worldly patterns will begin to be removed from your thinking processes. I will spill in My glory over your thinking processes! You are not seeing your circumstances the way I see your circumstances. You are not learning and not leaning deep into that which I have assigned you to do at this time. Allow Me to spill My glory into your thoughts.

“This is going to be a week that I am going to be extending and establishing your boundaries for the future. Do not look at where your feet are planted now, but begin to walk and begin to turn with Me. Begin to agree with Me for these boundaries. Have I not told you they will fall in pleasant places? These boundaries will encompass what is now darkness. As My boundary extends, so the light from you will extend. So rejoice and don’t look at this as a hard time, for I am establishing your boundaries for the future.

“There’s a sound that is producing an identity in God’s people for today. There is a sound today producing and forming an identity for God’s people today that will cause the enemy’s ears to tingle. Harden not your heart! The word of the Lord is sharp and quick and pierces even into the dividing asunder of soul and spirit. Your identity that has been locked up, I will unlock. There is a sound going

before you to unlock what has not been unlocked. There are cells in your structure that have never been activated that will produce a full identity of why I made you.

“The sound of heaven will create the sound of a people who represent Me in the earth. There is a sound that is becoming one with My breath. This is the sound that will create a glory realm that has not been seen and draw many into that glory realm.”

Blessings,
Chuck D. Pierce

The Promise

"The Promise -Volume One" is the culmination of almost four years of studio work. Joined by Aaron's longtime friend and musical confidant, Sam Dickson, and producer, Justin Rana, this cd is the compilation of a journey that has taken this team into marriages, through miscarriages, a studio move, and even a broken bone or two. The album consists of ten songs that, in one way or another, reflect on a wide range of emotions, experiences, and exhortations that Aaron and Tiffany wish to convey to the audience. The song "Finales and Futures" is so key for this hour.

Letting Go

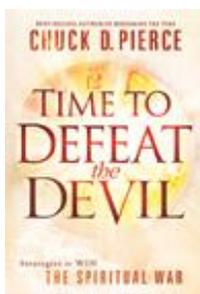

There is a sound in the throne room of Heaven that calls to us in the earth to *let go* and worship. **One of our most difficult calls in life is to LET GO and LET GOD.** LeAnn Squier has captured that sound of release. *Letting Go* is one of the most beautiful expressions of freedom and joy that I have ever heard. Imagine yourself floating through space or walking on water.

This Gospel Music Association award winner for Praise and Worship Song of the Year helps to bring Heaven's expression into your living room, car, bedroom, office and heart. The songs and sounds on this project are a must to help us lose control of our desire and experience HIS desire for us.

We invite you to enter in with *One Magnificent Song*, let your heart be exposed, let the thoughts of your mind be released, and let your hands be raised in surrender to the King of all kings. The special sound that has been achieved on Blackbird expresses the cry of a nation for freedom. This song, written by the Beatles about the cry of a young Black girl for freedom in the 1960's, was chosen by LeAnn well before this election season. The prophetic dimension of this compilation of songs for this time surpasses most worship expressions in this day and hour. *Savor the sound of Letting GO!*

[Time to Defeat the Devil](#) by Chuck D. Pierce

As we all know, times are changing, and there is an historic shift occurring in the church today. In the midst of this change the enemy would try to distort our vision so we lose our way. The Lord stirred me to write this book so we would not shrink back, but learn to see in a new way, and embrace the authority and power we have been given through our Risen Lord, Jesus Christ. The 20 chapters in this book will take you through a journey where you learn how to:

- break free from life's past seasons of trauma, grief and loss
- enter into a new level of freedom and victory
- Walk into the new season and times God has for you
- Understand and know the wiles of your enemy
- and understand what vexation is and how to break its grip

Perhaps what makes this book most unique is the focus on how to break the power of vexation and to renew our human spirit. Like righteous Lot, the enemy seeks to vex our spirit so that we become traumatized and fragmented. If he can block our spirit, he can stagnate our relationship with the One who created us and overtake our soul. However, we have a FATHER of our human spirit who is able to renew and nourish our spirit! Learn how He longs to see us restored and made whole, and how we can "exercise" our spirit and commune with Him in a new way.
