Dear Pressing Saints:

I hope your week has been awesome. I have had to press into liberty as we are pressing forward to the next phase of taking the land here. I thank God for each of you! Don't miss the replays from the Kingdom Force Institute (see below)! Our *Jump in the Refreshing River Celebration* was amazing. If you missed the replays, you can order the CDs or DVD's. Bea Johnson, a long time friend, and ministry associate in New Mexico attended that gathering here. When she left, we agreed for a sign. Santa Fe, New Mexico is the oldest Capital in our nation. She went to the river that runs through Santa Fe, and took a picture of the dryness and barrenness that was there. The youth of the city (along with many of us) started praying. Look at the progression of the River—From Desolation and Dryness to Flowing to Fullness!

Daniel, Amber (and Elijah, in utero) and Lily Pierce along with the Vincent girls and Amber's sister, Karli, recently visited the headwaters of the Jordan River. Here you can see the Jordan is flowing, and the excitement there is in riding the river!

Empowered to Overcome: A Weekend of Revival Gatherings! Sign Up Now!

There is a rich heritage in our nation and our bloodlines of revival! I wish you each would write and share with us on how your family did or did not experience the Spirit of God and awakening!

On August 9-11 at the Global Spheres Center, we are planning to host *Empowered to Overcome: A Weekend of Revival Gatherings* at the Global Spheres Center. Kent Mattox, Jeff Jansen, and Judy Jacobs will be joining Robert Heidler and me. *Go to our [website](#) or call 1-888-965-1099 or 1-940-382-7231 to register today!*

This Friday Night: Firstfruits Celebration for the Hebraic Month of Av!

I am looking forward to this Friday night and our **Rosh Chodesh Celebration** for the **Hebraic month of Av**. The first thing I do each month is give the Lord the best portion. This secures all the rest of the portion that I have been given. Giving is one of the key aspects of celebrating *Firstfruits*. You can give online by clicking [HERE](#) or by calling **888-965-1099** or **(940) 382-7231**.

The month of Av is a very interesting month. Although this was the month that the Israelites chose to turn back from the Promised Land in unbelief because of the giants, it was originally intended to be the month that Israel entered the Promised Land! So our month ahead can be our *“high point”* or *“low point”* month. Join with us this as we declare that we will remain vigilant in our choices, and will trust the Lord to help us make it through the **“dire straits.”**

Following our gathering in the Tabernacle, everyone is welcome to stop by the Shabbat Center to continue our celebration. There will be drinks and snacks, along with live music to help you enter the joy of a new month. This is also a great time to meet others, as well as stop by the Garden.

Wednesday KFI Teaching: Let Your Senses be Awakened!

Yesterday, we continued our Kingdom Force Institute. As I shared on Sunday morning, we are offering a new series of classes which will help awaken your senses to discern the presence of ministry of Holy Spirit. **Robert Heidler** kicked off this class by teaching on **“Sensing God!”** You are welcome to watch the [webcast replay](#) through next Tuesday. Allen Faubion will teach next week.

Anne Tate writes the following: *“Yesterday’s Kingdom Force Institute class on **Sensing God** by Robert Heidler was seminal, highly original and influencing future events. Already, I have watched the teaching again this morning and will watch this teaching several more times. I have never heard a teaching before on that subject and it was like a missing link for us to enter the next season. The Lord is inviting us to apprehend Him in ways we never have before. I began to weep near the end when Robert was recounting what happened when Holy Spirit visited John Wimber’s small group in the early days of the Jesus Movement. Seeing a move of God has been an intercession for me since I was first filled with Holy Spirit more than 30 years ago. I don’t want to die without seeing the great manifested power of God demonstrated in the midst of God’s people on the earth. I believe the way Robert presented the perspective of the Lord in **Sensing God** was critical for all of us. This teaching will help you return to your first love or discover a depth of love you have never known.”*

Continue to Shift Your Mindset! Don’t Miss the Free Webcast Replays this Week!

I am so grateful for the revelation the Lord released during last month’s Kingdom Institute course on **How to Shift into a New Kingdom Mindset**. There are still three more days of

replays available to help break old patterns of thinking, so a Kingdom mindset can be established. Today's [webcast replay](#) of Peter Wagner's teaching will challenge your thinking and aid you in renewing your mind.

THURSDAY, July 11: **Peter Wagner ... *Doing the Works of Jesus: Shifting into your Kingdom Identity!***

FRIDAY, July 12: **Robert Heidler** on "*Breaking Out of Your Big, Fat, Greek Mindset!*" and **Chuck Pierce** leading *Question and Answer Panel*.

During the sessions you may be stirred to give into the anointing being released. You can give [online](#), by calling our office at **1-888-965-1099** or **1-940-382-7231**, or by postal mailing your donation to **Glory of Zion, PO Box 1601, Denton TX 76202**.

If you are going to be joining us at the Global Spheres Center on Sunday, July 21, and are currently married and have been married LESS THAN or EQUAL TO 10 years, you are invited to sign up for a special sit down luncheon after our Celebration Service. Salmon or chicken will be the entrée prepared by Righteous BAR-B-Q, and all the courses and condiments will be served by our Hospitality Staff in Solomon's Porch!

This will allow our less married couples to express their needs and get to know others. Call our office at **(940) 382-7231** to register. If you are bringing children with you, please let us know so childcare can be arranged.

Blessings,
Chuck D. Pierce

[Don't Miss Your Opportunity to Jump in the Refreshing River!](#)

Wherever the River flows ... there is life! **Jump in the Refreshing River** was an incredible time of dancing, jumping, shouting and praising our way into a new release of joy and multiplication. Throughout our weekend together, the Spirit of God poured out and swept us to a new place of freedom and increase. Each of these speakers helped activate our faith to jump in the flow, beginning with a Night to Honor Israel and continuing until we were established in the River of God:

- **Martin and Norma Sarvis ... *Four Root Connections with Israel and an Understanding of the Present Middle East Conflict!***
- **Dutch Sheets ... *Mega-Grace for Mega-Power for Kingdom Harvest!***
- **Robert Heidler ... *Jumping into God's Refreshing River: The Flow of the River from Genesis to Revelation!***
- **John Abercrombie ... *Getting One Word to Change Your Circumstances and Turn Things Around!***
- **Barbara Yoder ... *Scriptural Insights on the River: Receive Joy, Prosperity, Boundaries, Healing and Deliverance!***
- **Pat Francis ... *Three Things Abraham had to do to get into the River of Life!***
- **John Benefiel ... *Binding the Strongman Over America: Breaking Ties with Baal!***
- **Peter Wagner ... *Does God have an Open Mind and Does What We do Really Matter?***
- **David Herzog ... *Get into the Glory: Say What You Hear and Do What You See for Kingdom Harvest!***
- **Chuck Pierce ... *Two Patterns of Healing and Supply for Days Ahead!***
- **Venner Alston ... *Jump into the River and Experience the Tangible Presence of God!***

How we process the changes of the River of God at this time will determine how we are prepared for the future. So JUMP in the River, be refreshed and empowered in a new way, and be carried by Holy Spirit to a whole new place of multiplication and empowerment!
