

This Sunday ...

The Battle is the Lord's: Opening the Path to your Destiny!

Saturday, July 12, 2014

Dear Battle Ready Saints:

I hope all of you have taken the time to read the email we sent out earlier today on ["A Time to Choose Your Wars Carefully!"](#) What is occurring in Israel is not something distant or without impact on our daily lives. Rather, it is a sign of how all of our borders and boundaries are being challenged. Consequently, for our Celebration Service tomorrow morning I have asked **Robert Heidler** to teach on **"The Battle is the Lord's: Opening the Path to your Destiny!"** Join us and gain insight on how to align with the God of Israel and His Covenant plan in the earth.

Also, watch next week for the announcement on our new school, the **TRIUMPHANT FAITH INSTITUTE!** We are finalizing our first module, and look forward to sharing the details on how you can be a part of this training venture!

Finally, mark your calendars for our next **Firstfruits Celebration**. Once again, I believe this is to be on a Sunday morning. So on **Sunday, August 3** we will gather to enter into the Rosh Chodesh blessing for the Hebraic month of Av.

Blessings,
Chuck D. Pierce
