

***A Turning Point Week! Key Prophetic Word!
The Sound of a New March is Awakening Covenant Roots!
Allow a Seed to be Unlocked that Will Turn the Course of a
Nation!***

Wednesday, July 23, 2014

Dear Watchers:

Yesterday morning I traveled to the East Coast for a series of key gatherings in Massachusetts, New Jersey and Rhode Island. I am partnering with Dutch Sheets to release a word to each of these states, as well as our nation. Last night we began with an “*Appeal to Heaven*” in Boston at the historic *Faneuil Hall*. Tonight we continue at the *Patriot’s Theater* in the Trenton War Memorial. Tomorrow we press on to Providence for a *Revival Fire Night!* With all that is occurring in the world at this time, I feel this series of meetings is pivotal, and would ask you to pray for the release of Kingdom decrees that will help establish a new rule in this land.

During our Pentecost Celebration in June, I released a word of knowledge that by today (July 23), things would turn. Little did I know that we would be in New Jersey for a gathering hosted by John & Sheryl Price called *Turning Point!*

THREE DAYS of WATCHING!

Before leaving Texas yesterday morning, I led our 5:15 Movement gathering in the Miracle Center. The Spirit of God was so powerful, and the revelation that came forth began to unlock vision and set us in a new formation where His strength could arise within us. Further below is a portion of the prophetic direction that came forward.

We are in three days of watching, and I heard the Lord say that we must overturn a second-generation demonic host that is holding back the root of His people from expressing themselves. We are warring over covenant roots, and the enemy is contending to withhold the covenant seed from coming forth. The Spirit of God said: “*Athaliah, who is ruled by the night hag, must come down. In these three days, that which has paralyzed and attempted to paralyze vision will have to let go. You will war in every corner of your boundaries. Even though Athaliah screams out in the next three days and accuses you of treason, she will submit to the seed that I bring forth.*”

I want to commission all of you to watch these three days. Wherever you live, watch over your nation, call forth your seed, and declare that God’s seed will be brought out into the open, so that our Kingdom future will be seen. This is a week for God’s rule to manifest, and for His roots to be awakened in the land!

Unlocking a Seed in God’s Covenant Root, to Turn the Course of a Nation!
by Chuck Pierce, Anne Tate, Janice Swinney, Lisa Lyons and Diane Roussel

“I am changing the order of the marching of My troops and I am putting a new step in My people. I am putting strength and an acceleration in their step today, and they will march in a different way. Their marching will create a wind and cause winds that have been held captive to be released. The marching of My people is now beginning, and I will go back to the root systems that have been captured. From the sound of the gatherings of My people, entire roots will be free to produce fruit. Your feet have even been captured and are moving out of sync with My sound and timing. But today your feet will be released and snares that were put on you will let go of you.

“You will begin to go into the places that I send you. You will be sent into places that don’t have the form for this hour. And in the midst of you going, the form will begin. You will begin to prophesy form, and you will prophesy structure; you will prophesy the power of My Word that has been held captive from coming alive. For resurrection will be in the feet of My people! From the sound of My people’s resurrection marching, things that were captured and seas that were held will now come alive!

“And not only will the ground shift, but the sky will shift. Where My name has not been able to manifest, My name will begin to manifest. People will say ‘Who has entered in?’ And I would say, ‘It is My people that have brought Me in, in procession!’ The procession of My power will now begin to shift and move!

“This is a day of contending and warring for the inheritance that has gone before you. By contending for that inheritance, I will cause new seeds to arise from even that which has fallen into the ground, and what you thought was lost will be seen. In this contending you will cause generations to align, and what was will become ‘is,’ and what is now will become ‘tomorrow.’ I decree this is a day of advancing. Let your heart come out of captivity! Let that which has held you in the captivity of unbelief break off of you; instead of subtle unbelief, you will have faith break open and you will see in a new way!

“For this is the day that I causing the bride of My Church to find that lost coin she has searched for in her house. She will find the lost coin and a door will open that has not been opened for 2,000 years. All will begin to come in that Kingdom door and a new day will begin; it will turn and begin in a new Kingdom way!

“So Return to the NEW! Return to that which was new and fresh in your life! Return to the new! If you will return to the new, that which has been corrupted and that which has been taped over will become new again. March and return to the new and you will begin to see what I had planned from the beginning. For you have pressed forward to breakthrough, but you’ve lost sight of the new and what I planned from the beginning.

“Even today, where religion and demons of doctrine encased My will and formation, I will show you traces of demons and traces of religion that have infected your bloodstream and caused even your bone marrow and the Word in your bone marrow to be captured. Return to the new! For this will be a day of the turning point of My people where they turn back to the new and say, ‘We will go forth with all that You planned to manifest!’ Manifest, return to the new and

manifest today that which you have returned to, that I declared new, and that has never been seen in the earth!

*“Many of you started up and started into that place, but when you got to the place where you met leopards and lions and tigers, you tried to either camp or turn around and go back. But I am unlocking that which got captured in your faith. For you are now going to see the fear that came in and the demonic hosts that threatened you for what they actually were, and you’ll quickly go back to the place that you have left. **You will return quickly and then go up into a place where you take the ground that will produce the seed for your future!***

*“**The enemy that you met paralyzed you and convinced you that you did not have strength to go on up into the place of clear vision.** Therefore, you settled for an older vision or a vision that is not full. You will now see that demonic force in a way you’ve never seen that demonic force, and one small word will cause that force to be vanquished. You will see the path for you which that force has covered. Go up, return! Go up, return! Go up again, and in going up, clear vision will now come!”*

“Come up here, come up here! Come up here for it’s from above that I cause the clouds to part and from above that I open the doors of Heaven. So come up here! From this vision you will see the clouds part and you will see the doors of Heaven open.

*“No longer will you be afraid to express My covenant, for within you I will loose the very power of My covenant. You will rise up and be a testimony in the earth to the power of My covenant. **For fear has attempted to capture the marching of My people because fear came and caused My people to shrink back from their covenant alignment. But today I will turn a people back into the power of My covenant!***

“For My people have been faint of heart, and where their heart has beat slowly, their steps have matched the (slow) beat of their heart. But today I am setting a new heart in My people and it is beating with the ferocity of My heart in the earth. Your step and your marching will now match the beat of that heart that I am setting, a new heart in you today.

“So though your heart has been arrhythmic, a new beat will begin to form even though you’ve had to go and get help to have a clear beat. Today I will form a new beat in the heart of My people.

*“**For I am bringing you back to the very root of My planting, and from the root of My planting – the root of My planting in you – I will begin to send a wind, and a new standard will arise!** Let the blowing of My wind to the very core of where My word is hidden begin to occur. The name of God that has not been loosed in you to give you power over the enemy will now rise up in a new way.*

“For in the beginning the serpent was a subtle creature that found his way into the garden. And even in these generations, he has found his way into the hearts of My people and into their lives. But I came and severed that authority of the serpent. I took away its ability and mobility. I crushed the head, and am releasing a new authority into this generation to remove that which has writhed itself through your lives and generations to set My people free.

“So today I will unlock that new authority, and I will cause that authority to rise up. And in a generation that only knows religion, they will begin to worship and say, ‘But we have power to cause the roof and the ceilings to rise!’ This generation will rise up and they will find ways to break open things that could not be broken open. **The seed that has been held till now, the seed that is part of My covenant root, will now be brought out and be seen in a new way!** This seed will have a stronger foot than the generation before them, and this seed will place their foot on the head of serpents that have become manifested in the hybrid forms. This is a seed that will begin to arise with strength. This seed will be comprised of three generations that have come together with the Word. **I am unlocking a seed in My root today that will turn the course of a nation!**”

Blessings,
Chuck D. Pierce

One aspect of the prophetic ministry in the Body of Christ is the function of the watchman. Ezekiel, the best Biblical example of a prophet watchman, spoke many words of warning which reflected woe, mournings and lamentations. This book will help you understand how this gift is still needed today, and how the watchman and intercessory gift work individually as well as together.

[The Watchmen](#) by Tom Hess

Jesus warned us to be watchful and ready... *"Be always on the watch, and pray that you may be able to escape all that is about to happen, and that you may be able to stand before the Son of Man"* (Luke 21:36). When the concept of being a watchman is implied in more than 300 Scripture verses, why are most Christians so ignorant of this vital ministry? As we approach the end of the age, watchmen will play an integral role in preparing the way for Messiah's coming. God Himself is the Chief Watchman. He is calling us to watch what He is doing in the world today--and what is being done by the enemy. In this book, Tom Hess will help you to assume your role as a watchman, eagerly longing for Messiah's coming!
