Dear Called Out Ones:

The Lord is aligning generations. Many of you know that Isaac Pierce has gone through a transformation in his life over the last year and a half. Isaac is an amazing song writer and musician. He is a testimony for all who have children, grandchildren and friends who have strayed from their ultimate destiny. I can still remember the day the Lord met him in the backyard when he fell on his knees and cried out for help.

You Called Out My Name is the song he wrote from that experience with a living God. **Click [HERE](#) to watch this incredible video.** I want to encourage you to send this to people that need to know that if they cry out, God will meet them! You may forward this as much as you need.

I also want to suggest that you encourage others to listen to the entire Portal CD (see below). This project is the best CD of prophetic sound, worship and warfare that I know of that is on the market right now.

For you who are doing the daily devotion, please use this video for the focus on Day 6. Cry out for those that are wayward. Cry out for those that are lost. Cry out for new provision. Cry out for China. Cry out for America. Cry out for your nation and your state. Cry out for yourself. When you cry out, He calls you forth!
