

Day 24: I Will Open Up the Night to You! Pushing Through the Dire Straits!

Thursday, July 28, 2016

Dear Night Responders:

“My Spirit is ready to unlock treasures that have not yet opened to MY people! I will call the NIGHT to open to you. I will meet you supernaturally during the night to reveal secrets and mysteries. Do not resist Me in the night. Do not be determined to sleep when I am awakening you to tell you of things that have been fenced in and hidden in past seasons.

“I will give you dreams, night visions, and visitations of splendor. You will learn to see My glory in the dark. This will train you for the days ahead. You will become a nocturnal star that shines. When the day breaks, you will have blossomed in new ways. New days are breaking! The night is calling you so that when the Breaking of A New Day happens, you will say, ‘I saw this in the night and agreed!’

“Don’t resist My calling in the night. For by responding in the night, you will see the new day before the sun shines light on your path. This will accelerate you and cause you to not delay My purposes. I am ready to break the delays of past seasons. Be ready to work with Me in new ways!”

Pushing Through the Dire Straits! A New Corporate Prayer Focus Beginning on Thursday, August 4!

I want to thank all of you who entered into our 3 Weeks of *Unlocking Mysteries at the Crossroads*. Following the “morning-noon-night” pattern that Daniel modeled, our Wednesdays included a Morning Prayer Watch, a Noon Activation Watch, and an Evening Worship Watch. Each time we gathered, we unlocked revelation necessary to continue moving forward in critical times.

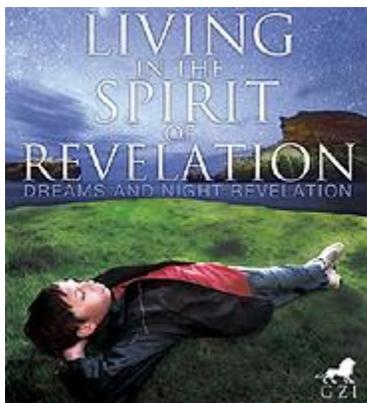

We are now in the time period known as “*the Dire Straits*.” These three weeks between the 17th of Tammuz (which began at sunset on July 22) and the 9th of Av (which begins at sunset on August 12) are a mourning period commemorating the breaching of the walls of Jerusalem and the destruction of the Temple. Therefore, we want to be very vigilant regarding any attempt of the enemy to breach our walls and bring us into defeat. Consequently, our next corporate prayer thrust will be “**Pushing Through the Dire Straits!**” We will begin on Thursday, August 6, and rotate through the various prayer watches until Sunday, August 14. This is not a time to grow weary or complacent, but to press through the narrow places. Look for more details next week on how to enter into these watches onsite as well as by webcast.

Blessings,
Chuck D. Pierce

Key Resources to Help You Receive Revelation in the Night Season!

[Living in the Spirit of Revelation!](#)

This weekend of focusing on dreams and night revelation was amazing. *Chuck Pierce* began by sharing on Daniel and how “Dream Revelation Influences a Nation”. *James Goll* taught from

Ephesians 1:17 on the spiritual realm and the spirit of wisdom and revelation in the knowledge of the Father of Glory. **Barbie Breathitt** shared from the life of Jacob and how when we lay down and rest, we can receive revelation and partner with the angelic realm. **Robert Heidler** taught on “Listening To Your Dreams” and understanding the ways the Lord can speak to us in our sleep. Barbie Breathitt shared more on the language of dreams, and how the logic of dreams differs from human logic. We also celebrated Firstfruits for the fourth month of the Hebraic year. During that session, Robert Heidler also reviewed key prophecies since Head of the Year and how to flow in God’s NOW revelation.

Our Sunday morning services are also included in this set. **Chuck Pierce** ministered in the first service on how to break a debt structure and avoid the pitfalls of presumption. Finally, **James Goll** shared on how the supernatural realm touches our lives and how we must “Seize the Moment!” The Lord wants to activate revelation in each of us. If you have a desire to walk in the spirit of revelation and hear the Lord in a new way in your dreams, **Living in the Spirit of Revelation** will help you on your way!

Dreams and visions are one of the primary ways that God has always used to communicate with His people. However, they are often misunderstood, dismissed, or ignored. All dreams have some level of significance in our lives, and it is important to invite the Lord into the process of determining what the level of significance of each dream may be. To block this release of revelation, the enemy tries to control and direct the night season. However, this is a time that the Body of Christ is rising up to watch in a new way.

The Taking the Night: Dreams, Visions and the Night Watches Conference will help you reorder your day to learn the importance and power in receiving revelation from the Lord in the night season. This 7-CD set includes messages from Jane Hamon, Barbie Breathitt, Robert Heidler and Chuck D. Pierce on the significance of dreams, the power of symbols, why God uses mysteries to communicate revelation, types of dreams, and what to do with "bad" dreams. Also included is revelation from Chuck Pierce on the monthly blessing of the Hebrew month Av as well as Eitan Shishkoff's message on the mystery of the "olive tree" and Jew and Gentile coming together.

SPECIAL: \$25 (regularly \$35) for 7-CD set

Glean from the thousands of keywords and symbolic meanings that will inspire you to delve deeper into understanding why a certain animal, object, person, place, vehicle, article of clothing, tool, home, food, flower, weather pattern, action, emotion, color, or number appeared in your subconscious dream.
