

## From Brazil - Now in Miami and On to San Francisco and Hong Kong! Robert Heidler Reveals the Rome Hub Today!

Sunday, July 29, 2012

*Dear Praying Friends:*

We have completed the first leg of our international trip and are now in Miami in on our way to Hong Kong. The meetings in Brazil were the best I have experienced in the last 10 years since I began ministering there. The worship was vibrant. This was my easiest time to enter in and move with the Spirit of God and clearly prophesy things for the future. The apostolic leaders of the Snowball Church, Reina and Deniza, along with Pastor Felipe were tremendous hosts for this 20<sup>th</sup> Annual Spiritual Warfare Congress. Convening Apostle, Neuza Itioka, has been used mightily by the Lord to keep a strong remnant advancing toward breakthrough in Brazil.

Thank you for praying us through the first leg of this this journey. We now fly on to San Francisco and then on to Hong Kong. I'll let you know on **FaceBook** when we arrive in Hong Kong. These updates are also posted on our website on our [Recent Communications](#) page.

Please pray for us as we travel on to Hong Kong and prepare to minister there. I begin with two days of meetings with key leaders. Then on Wednesday night the [Homecoming 2012](#) gathering begins. *There are already 13,000+ from 27 nations signed up for this meeting.* Declare that like in Brazil, there will be an open heaven for the release of prophetic revelation which will direct the future of that nation.

**Don't Miss this Morning at the Global Spheres Center** (July 29, 2012)

**Robert Heidler** will continue his series on Apostolic Hubs of the Early Church. I know you will want to hear him teach on **"The Apostolic Hub at Rome!"** If you cannot join the 9 AM service, the [webcast replay](#) will be available through Wednesday evening. Next week he and I will minister ***From Iona to Corinth, TX.***

Blessings,
