Dear Atmosphere Changers:

True covenant is always displayed in a time of war. If there is one thing the Body of Christ needs to understand it is the power of covenant. This ministry has always been fully aligned with Israel. I would suggest you fully align with the God of Israel. Because of that, it is a joy for us to go and worship in the land.

I was in Shreveport, Louisiana on Sunday when Tim and Susan Carscadden and Christian Center sent Chad and me out on this mission to Israel. The rest of the team was here in Corinth. Then Robert Heidler sent us out from the office for the journey ahead. This morning, Keith Pierce called with this incredible word to send me out with:

My son, the Lord would say to you this day, "I am sending Judah out first! When Judah goes first, my enemies are confounded! When Judah goes first, Judah plows! In this hour, the plowing must be deep in Israel. Judah's plowing will cut an apostolic row that will be deep and astounding. Many seeds will be sown deep into this row that will sprout forth in years to come. You have heard of the Gihon Springs and how they sprung up in a different place. By Judah plowing, a new spring will come forth in Israel that the world will see. This will water all the other places of Judah throughout the world. A new apostolic birthing is being warred for. By seeing this come forth in Israel first, the acceleration of My apostolic row and fruit thereof will come forth throughout the earth. Safe passage!"

Janet Swinney stayed up most of the night in intercession and this is what she shared:

"You are going in as a prophet. The Spirit of Prophecy in you will testify of Messiah!"

As we have all seen, the conflict in Israel has shown no sign of being resolved imminently. The war over God's covenant boundaries rages, as does the war over who will be worshipped. Even as the atmosphere in that region is filled with missiles and the firing of military weapons, there is great spiritual contention in the heavenlies. A presence and glory war is being waged. To usher in God's presence requires a change in the atmosphere. We have an atmosphere about us that affects the way the earth operates. The atmosphere we carry affects the land we walk on. That is one of the reasons I have felt it so critical to travel to Israel and release into that atmosphere. Joining me will be ***Pam Pierce, John Mark Pierce, Chad Foxworth and Anne Tate.***

The JOY of the Lord is Your Strength!

While in Israel we will be supporting a meeting that *Daniel and Amber Pierce* are hosting in Jerusalem on Thursday night. The Lord had shown them how the joy of God's people could be restored even in the midst of war. And that if Israel can go forth in joy, then the nations of the world can join in worshiping and rejoicing before the Lord. This gathering will take place at the YMCA in Jerusalem. Worship at 7:00 PM will be led by Diana Frenkel, followed by a time of ministry and united prayer for Israel. The Vice President of the YMCA organization will be attending, and hopefully many others who have a desire to see the presence and glory of God established in a way that will cause the nations to rejoice.

We greatly value your prayers and support for this missions trip. We depart this afternoon, and return early on Friday morning. Even though we will be in Israel less than 48 hours, I know beyond the shadow of a doubt that God has ordained us to go at this time. If you would like to give into this missions trip, you can [donate online](#) or by calling our office at 1-940-382-7231.

Don't Stop Your Pursuit!

This is a time to set our face like flint and press into God's covenant promises. If you were not able to join yesterday's celebration Service and hear Robert Heidler's message on **The Rewards of Pursuit: Seeking God with a Whole Heart,** be sure to watch the webcast replay this week.

Blessings,
Chuck D. Pierce
