***Let Freedom Ring!!!!!!
Watching Apostolic Hubs Form!
Ephesus this Sunday!
Calling Forth a Prophetic Triumphant Reserve!
(article)***

Friday, July 6, 2012

Dear Freedom Fighters:

Our nation is changing so quickly. I find I am having a hard time expressing what I felt Wednesday on the 4th of July. In America, the structure of debt controls our freedom. God's plan of Jubilee required freedom for His covenant nation. Let's ask the Lord to give us a Jubilee strategy for this nation! Below, I have an article related to the ***Freedom Fighters and Triumphant Reserve*** that the Spirit of the Lord is rising up in days ahead. That is why we need Apostolic Hubs (Freedom Outposts).

Hawaii!

I am so grateful for all of you who prayed for my time in Hawaii. As I shared briefly on Sunday morning, the meetings there were outstanding. We ended on Friday night with a meeting on the island of Kona hosted by Island Breeze and Calvary Community Church. This was one of the most incredible meetings of which I have been a part. The presentation by ***Island Breeze*** was far beyond any I've seen before, and they worked to mobilize the island to receive the word of the Lord from a prophet. This was a prototype gathering! Below are several pictures from our time there, as well as a video you can watch by clicking [HERE](#).

Understanding Ephesus Today!

**Watching Apostolic Hubs Form! Robert Heidler continues this Sunday on Apostolic Hubs--
--Understanding Ephesus!** This past Sunday morning's Celebration Service was filled with revelation. Robert Heidler and I taught on Antioch and how apostolic hubs are developing today. This is a key time to pray for the formation of our "***Antioch***" administration!

Make plans to join us on Sunday morning at 7:30 AM for corporate prayer in the Prayer Tower as well as our Celebration Service at 9 AM when Robert Heidler teaches on the Church in Ephesus!

Freedom Fighters and the Triumphant Reserve!

Continue to stand and fight for freedom. *Freedom* is the absence of slavery. *Freedom* gives us liberty to go and do what we desire. Only God has and can give absolute freedom. He is not controlled from the outside. Human beings can only experience a measure of *freedom* in the different areas of life based upon their revelation and relationship with the Lord. Through our Lord Jesus Christ, by His Spirit in Christ, and by becoming a son or daughter, we can experience glorious freedom.

We are in a season of revelation. Jesus explained that when people know the truth, the truth will set them **free** (John 8:32). He Himself is the Truth (John 14:6). Jesus also declared that if He, the Son of God, set persons free, they would be truly free (John 8:36). **Sin enslaves--Christ sets free.** The believer in Jesus is released from the stronghold of sin.

There are individuals called in every generation to stand against the works of darkness. I call these Freedom Fighters. Jesus, the Messiah came to destroy the works of satan. There is a remnant group called to ascend in worship, descend in war and do the same in this season of history in the Body of Christ. Yeshua dethroned and broke the headship of satan, but Freedom Fighters must maintain the victory. Satan works with laws and time to wear down the people of God. The apostle Paul pointed out that the law, when not properly understood, also enslaves. A mechanical sense of compulsion to obey the law binds and restricts one's freedom. Christ loosens the hold that the law has on Christians (Gal. 5:1,13). When we are free, we can serve and love freely. ***SHOUT FREEDOM AND READ PSALM 26 AND PSALM 27!!!!!!*** Declare an EXODUS from all bondage.

Revelation builds! Revelation overcomes the gates of hell! Revelation gives us the keys to the Kingdom. Because I could foresee the war season ahead before the manifestation of war actually came into the earth, I wrote *The Future War of the Church* to help God's people get prepared with the mind-set of the season. This book has chapters relating to how to prepare for war, foundations for future victory, the third-day church arising, dethroning thrones of iniquity, the transference of wealth, how to defeat lawlessness and bring God's order in the earth realm, the modern-day "ites," and women arising.

When I wrote this book, I received much flack against what it was saying. Then 9/11 happened! The premise of the book was that at the end of seven years, the Lord would form a new wineskin for the His triumphant saints. This book was written and released in May 2001—before the World Trade Center tragedy in September 2001. This season is very real to most of us now and actually is historical in a sense. We are now pressing in to the next season.

We are watching apostolic hubs form. This allows the wine of revelation from the Church to express Kingdom power in the season ahead.

God Has a Triumphant Reserve of Freedom Fighters!

Time produces champions. To *triumph* means “to celebrate and rejoice with victory and jubilation.” Triumph indicates that an advantage has been gained over the enemy. Success has been granted through a supernatural grace that has been released. Think of the time when David triumphantly brought in the ark. The jubilation was incredible. David danced! He lost himself in worship because the Lord had returned the ark of His presence to the place of victory.

When an official entered the city, he was crowned with laurel or gold and usually rode on a chariot drawn by two white horses. He was often followed by the captives from his victories, which might have been defeated kings, princes, or generals who had the chains of triumph around them. Psalm 149 (amp) says:

*Praise the Lord! Sing to the Lord a new song, praise Him in the assembly of His saints!
Let Israel rejoice in Him, their Maker; let Zion's children triumph and be joyful in their King!
Let them praise His name in chorus and choir and with the [single or group] dance; let them sing praises to Him with the tambourine and lyre!
For the Lord takes pleasure in His people; He will beautify the humble with salvation and adorn the wretched with victory.
Let the saints be joyful in the glory and beauty [which God confers upon them]; let them sing for joy upon their beds.
Let the high praises of God be in their throats and a two-edged sword in their hands,
To wreak vengeance upon the nations and chastisement upon the peoples,
To bind their kings with chains, and their nobles with fetters of iron,
To execute upon them the judgment written. He [the Lord] is the honor of all His saints. Praise the Lord! (Hallelujah!)*

I am a worshiper. The powers of worship and sound set new order in the earth, which is why this passage is so important. How we release sound in the earth binds the enemies with whom we are in conflict. High praises in high places can bring us into triumph in the earth.

On May 31, 2008, the Lord showed me *His Triumphant Reserve*. He raised me and showed me the nation of the United States of America. First, He revealed His remnant and where they were positioned. Next, He showed me their strength from state to state to state. He showed me how many were moving over into the enemy's camp of religion. He showed me how others were aligning around race and gender as opposed to mission call and gifting.

Then He showed me high places. These were altars that had been built by the enemy and positioned strategically throughout the land. I saw how the sacrifices on these altars were empowering and keeping an atmosphere held captive by ruling hosts. Next, the Lord showed me the atmosphere.

In this vision, He showed me different layers of the atmosphere in relationship to His presence versus the demonic spiritual rule in that particular area or region. (Some areas have already been taken over, and darkness actually rules those areas.) There were ten ruling centers already developed within the United States. Then He showed me the communication systems between these centers. I saw how one sacrifice empowered one dimension of an evil presence, and then that presence would communicate to another center as together they networked their plan of

control. (I could go into great detail here, but I will wait for another time to do this. I have recorded all that I saw from State to State and then Nation to Nation.)

The Lord also showed me covenant roots. He actually showed me the level of nurturing that was still grafted to His covenant root, which He had developed from Abraham's obedience. He showed me how this nation had first been nurtured by that root, but now lifelines from the root system had withered. Actually, some of the lifelines in parts of this nation had dried up, and the root system of that part of the nation had changed, allowing a different root structure to be formed.

He then showed me our conflict between the root systems. These conflicts in the next several years would determine what sort of fruit would be brought forth in this nation. He showed me that the conflicts would multiply and intensify. I actually saw *orchards of contention*. The interesting portion of this vision was that different people groups in each orchard created a different type of fruit than had been tasted of in past seasons. The only thing I could relate to biblically was the church that came out of Antioch. The Antioch church was an international church that came about for kingdom advancement for that season in history.

Next, He showed me how the communication system in the United States was linked with systems internationally and how a new form of global communications was forming in the demonic world. This communication would control financial and legal structures. (I then had a dream where the Lord defined the demon force that controlled the communications).But God! He showed me that His remnant was building new *freedom outposts (apostolic hubs)*. These Freedom Fighters that were rising were a remnant that He called His "Triumphant Reserve." They formed a river that looked like glory moving in each state and connecting with the Hub Centers for demonstration and divine power Impartation.

I recorded the outposts (hubs) in saw in each state. He then showed me other outposts (hubs) that needed to form in some places, and still others where the spiritual atmosphere was now not conducive to *freedom*. A new type of war would have to develop to regain that portion of the land. He actually showed me how prayer strategies from the last season would be of no affect in this season. Nazareth and Capernaum are good examples of this in Jesus's day. I also thought of how the Lord told the disciples, "This kind does not go out except by prayer and fasting" (Matt. 17:21).

He then showed me new calls being extended from heaven and angels bringing those calls into the earth. The intercession and travail of today are opening the gates of heaven for these calls to come to the appropriate individuals who will lead in this hour. Next, He showed me His new leadership. This was a leadership of not just the young generation but also *realigned generations*.

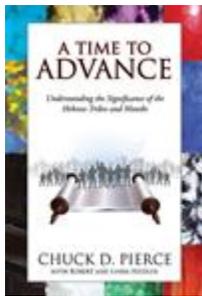

David's mighty army for this hour is being chosen in a *threefold generational alignment*. When they align, their hearts became one with His, and the strength to overcome is released. God has deposited revelation and vision within you that will be called up for such a time as this. Find your place in this Reserve and fight for the freedom of our future.

Blessings,
Chuck D. Pierce

[Redeeming the Time](#) by *Chuck D. Pierce*

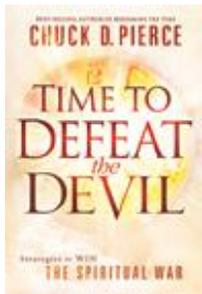

This book helps you answer the difficult question of how to get back in sync with God when you realize you missed a window of opportunity. This is an amazing principle to understand. When one window closes, the Lord has a divine plan to reposition another time and another place for you to enter His blessings. How many times do we wish we could go back in time to undo or redo something? Although the Lord doesn't take us back in time, He has the ability to bring our past "into" our future so that we have a second opportunity to choose and get back in His perfect timing. *Redeeming the Time* will help you recognize God's timing in your life and determine if

you are in step or out of step with God's plans and purposes. This book will also help you align yourself with God's perfect timing system, and reap rewards of a life spent in step with our Father. There is also a chapter that will help you understand the Triumphant Reserve that is emerging from state to state.

[Time to Defeat the Devil](#) by *Chuck D. Pierce*

As we all know, times are changing, and there is a historic shift occurring in the church today. In the midst of this change the enemy would try to distort our vision so we lose our way. The Lord stirred me to write this book so we would not shrink back, but learn to see in a new way, and embrace the authority and power we have been given through our risen Lord, Jesus Christ. The 20 chapters in this book will take you through a journey where you learn how to:

- break free from life's past seasons of trauma, grief and loss
- enter into a new level of freedom and victory
- walk into the new season and times God has for you
- understand and know the wiles of your enemy
- understand what vexation is and how to break its grip

Perhaps what makes this book most unique is the focus on how to break the power of vexation and to renew our human spirit. Like righteous Lot, the enemy seeks to vex our spirit so that we become traumatized and fragmented. If he can block our spirit, he can stagnate our relationship with the One who created us and overtake our soul. However, we have a FATHER of our human spirit who is able to renew and nourish our spirit! Learn how He longs to see us restored and made whole, and how we can "exercise" our spirit and commune with Him in a new way.
