

An Update from Daniel and Amber Pierce

Monday, July 9, 2012

Dear Friends of Israel:

Daniel, Amber and Lily are now safely back in Israel. They continue to work with widows and orphans. This is really opening the door to share their faith in new ways. May each of you be encouraged to share the goodness of the Lord with those you encounter each day.

Blessings,
Chuck D. Pierce

Hi Everyone,

We have been back in our home now for two weeks after arriving from the US. Lily is recovering from a horrible cough and we are all getting settled back into our family routine. Since our return, we found that there are several important events we will be taking part in.

From July 15th-18th, Daniel will be working in a youth camp with Marianna Gol and others. There are 50 youth who will attend the gathering in the Desert of Zin. This is the same desert that the children of Israel wandered for 40 years. The theme of this three day gathering is "from bondage to freedom". The head intercessor over the gathering shared with me and asked that I have some of you pray Romans 6:22 over the youth: "*But now having been set free from sin and having become slaves of God, you have your fruit to holiness, and the end, everlasting life.*" This is key because on June 22nd (6/22) the wadi where the camp will take place flooded for the first time in a very long time and this intercessor heard the Lord say that Romans 6:22 and Joel 2:28 were for this time is Israel concerning the young. We know the Lord will pour out His Spirit there, so please pray with us!

I am still buying groceries for single parent families and will be able to interact with them more, so that we can better meet their needs. We will begin to post pictures of the ladies and stories, so that you can know how to pray for them.

The best encounter that I had this week was with Marianna (the woman who oversees the widows and orphans). Together we went to the well of Abraham and the ancient underground cisterns. There were angels there, waiting to be dispatched. We worshiped the Lord with them and sent them every place the Lord was telling us they needed to go. That was the most tangible experience I ever had with angels! From that encounter, I want you to remember that angels go before you, and that you can ask the Lord of Hosts to send the angels to open the way ahead (Ex. 23).

Over the following month we will have many pictures for you!

Blessings and Shalom!

Daniel, Amber and Lily Pierce
