***Asia, Here We Come!
South Korea, Thailand and Malaysia!
China Calls!
A New Covering Upgrade!***

Monday, August 1, 2011

Dear Prayer Partners:

We just completed the ***Open Door Gathering*** at the Global Spheres Center earlier today. What an incredible gathering ... and something we have been waiting for years to become a reality. Not only was there a powerful agreement between Heaven and Earth as we chose to partner with the Hosts of Heaven and enter of door of faith, hope and healing, but we were able to host around 1,500 people in a venue which we now call home! Get the DVD or CD set for the discounted price of \$30 through the end of this week. Click [here](#) to order you copy today or call ***1-888-965-1099*** or ***1-940-382-7231***.

The Lord met us and allowed us to host His people in a beautiful, spacious facility along with the Israel Prayer Garden. Paul Keith Davis, Barbara Wentroble, Daniel & Amber Pierce, Jean Steffenson, Robert Heidler, and Cindy Jacobs had messages "beyond!" The messages that came forth seem to set the course for a Kingdom understanding for days to come!

Building Update: Pray, Give and Press Us Forward into this New Covering!

We are now in Hong Kong and I just got this report. There seems to be only one hang-up on getting our Occupancy Permit. This is not a bad thing, but does cost some. Pray we have favor as we comply. I believe this is a spiritual issue. God is upgrading all of our covering!

Here is the latest report:

According to our Engineer, our roof is currently rated about R16. Based on his numbers, if we can get the roof up to an R24 rating we should be able to comply with at least the ASHRAE. I had LCR contractors out last week and they are putting together a proposal for getting us there. We have discussed applying a layer of foam with a cellulose layer to cover or just going with straight cellulose. If it looks like we can make that option work, would you consider a proposal by where we lay out a plan of application per phase over the course of our project so at the end we will be in compliance?

Don't Miss this Historic Gathering! Sign up for Head of the Year 5772!

On September 22-25 we will be hosting a key gathering leading us into Feast of Tabernacles. Joining me will be Peter Wagner, Trevor Baker (from England), Barbara Yoder, John and Rosemary Abercrombie, Paul Wilbur, Avner & Rachel Boskey (from Israel), Paul Keith Davis, Robert Heidler and others. We will begin on Thursday night and meet through Sunday morning.

There is no cost to attend, but we need everyone to register since space may fill up. If you have children joining you, be sure to register them as well since every seat may be filled! **Call 1-888-965-1099 or 1-940-382-7231 to sign up today.** If you are joining us by the web, you will register when you sign in to the free live webcast.

Asia, Here We Come!

I am writing you from San Francisco with Brian Kooiman, John Dickson and Raymond Banks accompanying me on a unique 3-nation mission to Asia. We are presently flying on the first leg of our trip to **South Korea**. I will be speaking at the [Wagner Leadership Institute Family Camp](#). Over 2,000 will be gathering at Wonju National University for this tri-generational gathering. They desire to see God's Kingdom come onto earth through awakening the next generation. I will speak on Tuesday night and Wednesday morning to more than 1,000 adults. On Wednesday evening I will help lead a special gathering with all the adults, youth and children worshipping together.

On Thursday we fly on to **Bangkok, Thailand** where I will be ministering at the "[Worship as it is in Heaven](#)" Seminar along with John Dickson. I will be speaking on Thursday night, and again on Friday and Saturday. John Dickson will also teach four sessions, and then John and Raymond will team teach two workshops. When we were in Thailand in August 2008, I prophesied, "*Get ready! You will open the gateway the divine worship.*" When we returned in October 2010, I prophesied that "*the world would know Thailand as the Land of Worship.*" The focus for this week is to unlock the gateway of Thailand to divine worship.

On Saturday afternoon, Brian and I will fly on to **Kuala Lumpur, Malaysia** where we will minister at [Apostolic Prophetic Insight for the Nation](#). This gathering of pastors and leaders will be on Monday. As this nation is going through a transition period, they are seeking God's direction for the church and the nations. Prior to this I will minister twice on Sunday - first at Grace Assembly (a key anchor church pastored by Apostle Henry Pillai) and then at the dedication service of their new building that night. Please pray that the Lord would anoint us and strengthen us for this assignment. Our schedule is as follows:

Sunday evening	Departed Dallas and flying to Seoul (via San Francisco and Hong Kong)
Tues afternoon	Arrive in Seoul and drive to Wonju National University
Tues PM – Wed	WLI Family Camp
Thursday	Depart Seoul in the morning and arrive in Bangkok that afternoon
Thurs PM – Sat AM	Minister at "On Earth As It Is In Heaven" Seminar
Saturday	Depart Bangkok in the afternoon and arrive in Kuala Lumpur that evening
Sunday	Minister Sunday morning and evening
Monday	Minister at National Prophetic Apostolic Gathering
Tuesday morning	Depart Kuala Lumpur & fly to Dallas (via Hong Kong & San Francisco)
Tuesday night	Arrive in Dallas

If you would like to give towards the cost of this mission trip, you can donate [online](#), by calling (888) 965-1099, or sending a gift to PO Box 1601, Denton TX 76202.

I would also request that you pray for our families and their health and well-being. Also pray for all the building details that are continuing in Corinth. Without your prayers, and faithful standing, the way would be much more difficult.

Next Generation Provisions

After praying about what the children and nurseries should do during this transitional time, we discerned that this is a time for our families to cross over into the new together, just like the Israelites. This will mean that all of our body, from the youngest to the oldest, will be joining in for corporate worship and ministry.

There will be no Zion Kidz or nursery classes during this transitional time. All youth and children will be in the services with their families. We realize that it is not realistic to expect a two-year-old to sit still during services, so we will be providing a Family Area. This will be located in the cafeteria building (adjacent to the Garden) and will have toys, changing tables, etc., along with monitors and speakers for the families to watch the service.

China Calls!

A second team will be leaving tomorrow (Monday) for **China** to partner with the Chinese people in their 52 day thrust to release blessing and Kingdom advance. This group includes Linda Heidler, Lindy Heidler, Anne Tate, Matthew Lee, Janice Swinney, Norma Sarvis, Lucy Liu and Wendy Lee. Below is their letter explaining more about this key assignment.

On Monday, August 1 a team will be going from Glory of Zion and Global Spheres on a strategic intercessory trip to China to address issues related to trade routes and the transfer of wealth. If you remember on the first Sunday of this calendar year the Lord brought the images of the Chinese gods of Mammon into our service. We knew at that time that God was positioning us to address systems and structures of Mammon.

As we have continued our intercession concerning Mammon, the Lord focused us on the Ancient Silk Road and its origin in China. The Silk Road originated in the city of Xian as a concentration of government, finance and religion. The team will visit several key sites for intercession and declarations.

From Xian the team will go to the city of Dunhuang where the Silk Road split into northern and southern routes guarded by gates with a storage city in between. The city is located at the end of the Great Wall of China. This was the gateway of the Silk Road from China to all the other nations but Buddhism also entered the nation through Dunhuang. Thousands of Buddhist writings were discovered in a cave in Dunhuang. Along with them was an ancient manuscript written in Hebrew! This is a strategic place where the team will pray concerning new trade routes and the release of the gospel to the Islamic nations beyond Dunhuang. .

The trip will actually begin in the city of Shanghai. Most people do not know that Shanghai was a safe haven for the Jews during WWII. Any Jews who could reach Shanghai could live securely. Chinese diplomats in Eastern Europe issued thousands of travel permits which allowed entire families safe passage to Shanghai. Even when Japan occupied Shanghai during the war,

the Chinese officials would not allow the dictates of Nazi Germany to be carried out against the Jews of Shanghai.

The Lord has begun to bless China for the way they protected the Jews during WWII. The team will release this blessing as they travel to these destinations. Since China owns most of the debt of the United States, we are under the authority of their monetary and trade systems. They expect to see the heavens open over China for a shift both spiritually and financially which will also affect the US.

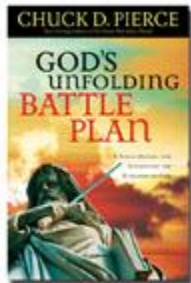

The team will complete this trip on the 9th of Av with a heart of expectation that we have entered our next level of kingdom promise. Remember to pray for them as they take this strategic trip. They leave August 1st and return on the 9th.

I expect that many of you will want to sow into this important trip. You can give [online](#) or by calling **1-888-965-1099** or **1-940-382-7231**. Please designate any gifts for the “China Trip” and watch as God uses your gift to make a kingdom shift in the earth.

God bless you,
Chuck D. Pierce
