

# Firstfruits Celebration Tomorrow Morning! The Month of Av: Shutting the Door to a Curse! Amazing Garden Video!

Saturday, August 2, 2014

*Dear Celebrating Saints:*

Thank you so much for praying for us in Israel. We arrived home safely yesterday afternoon. The meeting on Thursday night was amazing, and I look forward to sharing more about it tomorrow morning during our Firstfruits Celebration. Robert Heidler and I will be tag-teaming to help you enter into the Rosh Chodesh blessing for the Hebraic month of Av. Robert will be teaching on **“The Month of Av: Shutting the Door to a Curse!”** I hope many of you can join us as we prepare to offer our first and best to the Lord.

### **Amazing Garden Video!**

We receive so many comments on the Israel Prayer Garden. Pam and her crew do an amazing job of bringing forth the fullness of this land. Tracey Ligget has pulled together a beautiful video from the Garden along with footage of raising a larger Israeli flag in front of the Global Spheres Center.. Blessings,
