

Speak Life!
An Update from Daniel and Amber Pierce

Monday, August 27, 2012

Dear Friends of Israel:

In times of doubt and uncertainty, the Lord is well able to communicate with His children. Whether this is through friends and family members, dreams, the voice of His Spirit within us, or the Word of God, we can know His voice and have a peace and confidence that the world does not have. As Daniel and Amber share in this report, we have a choice on how we respond to the chaos around us – if we will become victims of fear or choose to walk in faith. Thank you for being a watchman who does not hold back day or night, but continues to petition the Lord till He establishes Jerusalem as a praise in the earth (Isaiah 62:6-7). Allow your mouth to be filled with hope and purpose, and continue to speak life over Israel and the promises for all of God's covenant people.

Blessings,
Chuck D. Pierce

Wars, and rumors of war, are increasingly the topic of intercession here in Israel. Most of our friends believe tensions with Iran are reaching an all time high. I read a news article yesterday that stated Obama had issued Syrian president Bashar Assad yet another stern warning concerning his stockpile of chemical weapons. As we are writing this letter, Egypt is preparing to move tanks into the Sinai Peninsula to assist in the fight against terrorist groups along Israel's southern border.

Sometimes it can be hard to seek out God's redemptive plan in times of high stress or uncertainty of future events. We find it increasingly important to dedicate ourselves in times of worship and meet with other believers to agree in intercession over the land.

On Monday night we went to Nazareth to meet with a leader and attend a meeting in the house of prayer there. We ended up sitting with our friend for almost four hours while she shared testimonies of what the Lord has been doing in Nazareth. After this time of encouragement, we joined together in worship and began to stand in prayer for Israel's future. We feel that this was a key time for the North and the South to be represented together and begin to call in the East and the West. We prayed that Christian leaders, both Arab and Jewish, will come together with a renewed strength of unity, and through intercession begin to lay a foundation of mercy over

Israel. We also declared that God's protection in the days to come would create an undeniable testimony, and that no man would be able to say our deliverance was not by God's hand!

As the tides are turning in the Middle East, few in Israel can remember a time when war seemed more unavoidable. As for how this affects our daily lives, we are making physical and spiritual preparations to walk through some hard times over the next few months.

From Amber:

Something that has been brought to our attention are prophecies circulating that concern Israel. In one that we've seen recently some are saying that thousands will die in Jerusalem and Tel Aviv and that the day of Israel's destruction is at hand. **We want to say that no matter what you read or hear keep speaking life over Israel.** Proverbs 18:21 says that the power of life or death is in your tongue. We want to be speakers of life! We believe that many testimonies will come out of Israel over this next season. We have both had many dreams of the way that war will unfold in Israel but the Lord always shows us His redemption.

I would like to share two dreams concerning Tel Aviv that I had in April. In the first dream the army of Israel began to march. This caused the citizens to know that it was time to take cover. I saw thousands of people running into an underground shelter to take cover. After talking to leaders in the land we found that the very shelter that I dreamed about exists exactly as I saw it in the dream. It's equipped with showers and beds for thousands of people. Proverbs 18:10 says that the name of the Lord is a strong tower and the righteous run to it and are safe.

The second dream about Tel Aviv was that Daniel came running to me with special information that the general public didn't have access to yet. He told me that we needed to take cover because missiles were about to hit. Just seconds before the missiles began to fall all people became informed and there was absolute chaos as people were trying to find shelter. Because of the chaos Daniel and I were separated from each other and he had Lily. The first missile hit and I smelled the poisonous gases released into the atmosphere. I found a small wall with a window in it to hide behind. I watched the second missile being released as it came straight for me. As soon as the missile hit the window it bounced off and fell to the ground. It was as if the wall had supernatural strength. So I was safe and three more missiles with chemical gases hit Tel Aviv. Through it all in the dream I had outstanding faith. I knew that we would make it through, and even though I couldn't see Lily and Daniel, I also knew that they were safe. Many in Israel are having dreams and visions that are confirming what we are hearing. The Lord is a strong tower and we will run to it and be safe! *As you pray for Israel, SPEAK LIFE!*

Blessings,

Daniel, Amber and Lily Pierce
